Abstract

Peach Says is an official account present on the Chinese social media platform called WeChat. Its mini-program, *Just Peach*, sells different kinds of products for self care, including sex toys. In the context of the contemporary governmental censorship regarding “vulgar” content, *Peach Says* publishes articles that spread sexual knowledge and advertise the toys it sells, and uses a playful and creative language to write about sensitive topics. Even if *Peach’s* publications can be understood as participating of and reproducing a neoliberal discourse that commodifies sexuality and femininity, her followers, interacting in the comment section, are able to learn, share and negotiate ideas, thoughts and experiences about sex, contributing to build their sexual identity. The present thesis explores how this “space of agency” is created, approaching both *Peach’s* discourse and the followers’ replies with the method of Critical Discourse Analysis. Findings show a playful environment of agency and negotiation of meanings.

Keywords: emoji, sexual identity, Chinese Internet, Chinese social media, playful use of language, online spaces of agency.

Introduction: *Peach Says*.

“I’ve sent you a bunch of meaningful *biaoqingbao*, old driver, go and check them”¹.

This is the title of an article published on August the 15th, 2018, by *Peach Says*², a commercial WeChat official account, which connected miniprogram, *Just Peach*, sells beauty and self care products, including sex toys. Launched by the giant Chinese Internet company Tencent, WeChat is the most popular Chinese social media with over 1 billion users all over the world (Guo, 2020, 55). A miniprogram is one of the platform’s tools, a “sub-application” within the WeChat ecosystem, which enables it to provide advanced features to its users, in this case an e-commerce. Participating in a common practice among e-commerce accounts in the Chinese environment (Guo, 2020), *Peach Says* produces a series of informative and “personal” articles to begin a relationship with the targeted consumer as a marketing strategy.

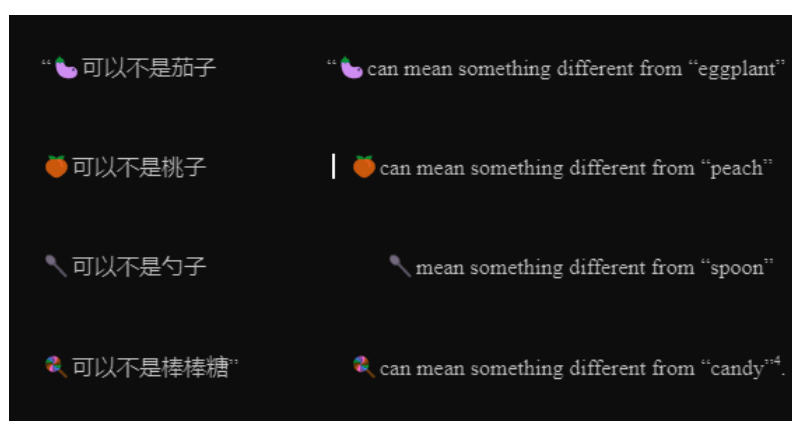

As an example of this behavior, it is now introduced the content of the article whose title has been previously cited (I’ve sent you a bunch of meaningful *biaoqingbao*, old driver, go and check them), starting with an explanation of the title itself. The term *biaoqingbao*, literally “pocket expression”, defines the emoji and can be used also to address *memes*³. Old driver, *lao siji*, is the way to address someone who possess an expertise, in this case an expert of the internet: a *lao siji* knows where to find hidden – sometimes illegal – resources, including material that is sexually related, and knows the meaning of a specific slang word. The title of *Peach*’s article is an example of what a

person would say to a friend, or any companion who is aware of the “world of the internet”, after having sent some *memes*. Indeed, *Peach Says*’ article here proposed is sponsoring a stock of emoji⁴ that may be interpreted as a reference to sex. It firstly introduces the world of *memes* as divided between meaningful and nonsense: the first group is composed of images that have a “hidden”, implicit meaning and the second group is composed of images that are created with no aim if not a lighthearted laugh. Then the article continues with the explanation of how “normal” emoji, like the image of a fruit, may be used as a meaningful meme:

In the comment section of this article, the impersonation of the collective managers and content creators of the account - referred in the rest of this thesis as it or she -, *Peach* itself engages a conversation with its followers asking if they still had questions about any implicit meaning expressed with the emoji. Followers' replies are various and relevant is the presence of direct requests of explanation and guesses of the possible meanings: in general, users express interest and engagement toward the topic.

This playful and yet smart article is produced by a e-commerce related account and the discourse it creates and reflects⁶ has the clear intention to sponsor the products it sells; at the same time, this discourse is spreading sexual knowledge and opening a space where this knowledge is discussed. People who interact with the article itself relate to

the discourse and react⁷ to it. For this reason, this thesis is dedicated to the analysis of how the user's engagement in the articles' comment section leads to a creative sexual expression and sexual identity negotiation and development. Indeed, it will be demonstrated how this WeChat official account creates what is here called a "space of agency".

With growing numbers of Internet users, many people approach the Internet for online sexual activities, following addressed as OSA⁸ (Zheng, Zheng, 2014, 324), that affect offline life. As Velezmoro argues, OSA enable individuals to explore their own sexuality and to engage sex related experiences they have not yet tried offline (Velezmoro et al., 2012). As in the example above, the discussion held under *Peach Says*' article let users understand and use a new interactive and playful language that has an impact on their online, and consequentially offline, sexual activities. Once having interacted with the assumption that a spoon emoji may have a "hidden" meaning, the user is forced to think about it, he/she may share or request other people's vision about the topic and he/she may want to try it, explore it, refuse it, ignore it. He/she may become a spoon lover, a spoon hater or a spoon agnostic: in any case, user's sexual identity would be called to act, and could be shaped or influenced. And, moreover, the spoon is going to be the key with which he/she will playfully refer to something else: an instrument. As it is going to be further introduced in the context of the present thesis, sex in China is still a taboo (Ho, 2018, 493) and pornography and other explicit sexual contents are censored. In China, some words used to refer to sex are "sensitive"⁹ (Fazzari, 2017). People like Mu Zimei, a journalist who started a sex blog in 2003 (Guo, 2020, 32), used the exposition of their sexual lives as a tool for sexual liberation and women emancipation in the traditionally austere and patriarchal Chinese society: she became incredibly popular and many others followed her (Guo, 2020, 207).

Peng (2019), professor in Intercultural Communication¹⁰, has analyzed the discourse embedded in and constituted by the WeChat posts of one of these *feminist* and sex positive influencers who followed Mu Zimei example, *Mimeng*. This official account is one of the results of the evolution of a trend that links Mu Zimei to the present, and indeed is part of the phenomenon of online sex talk in China as a tool for sexual liberation. Peng criticizes *Mimeng's* pseudo-feminist online discourses as a way to reinforce consumerism and chinese traditional ideas on sexuality. She creates the illusion of empowerment via products like beauty cosmetics or sex toys: a neoliberal feminism. The present thesis explores if and how it is possible to create spaces of agentival (sexual) self-construction and affirmation even interacting with such a neoliberal feminist rhetoric, that is shared by e-commerce accounts like *Peach Says*. And it is going to be researched if and how these are spaces where something is built, something that goes behind the mere reduction to a neoliberal consumer identity. It is this thesis intention to discover possibilities of sexual identity construction and affirmation despite the Chinese state censorship around sexual topics (Mc Lelland, 2015, 28); and it will be considered playfulness as a tool via which this is possible. Xie et al. have argued that Chinese Internet is characterized by a playfulness, unseriousness and limit breaking attitude (Xie et al, 2021, 361): a smart and playful circumvention of the law, like playful use of language, emoji and *biaoqingbao*¹¹ (Fazzari, 2017) is a way to build a space, a “magic circle” of interaction where it is finally possible to define one's own identity without the limits imposed by the government. With the help of these considerations, it is here asked:

- In which way the discursive interaction of WeChat users with the official account *Peach Says* creates an open space of agency aimed at defining an open space of agency?

To do so, the main question is divided in two sub-questions:

- What kind of discourse about sexuality is constituted and reflected by *Peach Says* sex toys selling account?
- How is this discourse received and responded to by *Peach Says* followers?

¹⁰ Guo Jingming, born in 1983, is a male Chinese popular celebrity figure that conquered his status writing a blog in the early years of the new millennium after attending and winning a writing contest. (Guo, 2020, 102)

¹¹ Neo-traditional because they re-propose the traditional beliefs but hidden under a pretended newly gained freedom and power of will.

The purpose of this thesis is to analyze *Peach Says'* articles on WeChat and her followers' responses (in the comment section of the articles) through the method of Critical Discourse Analysis, firstly elaborated by Fairclough (2003, 2-3), whose three dimensional model includes the study of text, discourse and social practice. Peng (2019)'s application of critical discourse analysis with a focus on neoliberal feminism to identify neoliberal feminism discourse in *Peach Says'* articles will be used. Therefore, the reasons for the choice of such an approach and especially the use of Peng's work are going to be further explained in the following sections of this thesis and then the application and modification of this method is going to be illustrated in the methodological section.

“Revive the world of fun¹²”

Opening spaces: sexual identity, censorship and neoliberalism, agency and playfulness.

Within this chapter is introduced the post-modern idea of the decentralized self and the importance and impact of the playful use of technologies (among which the internet) on identity construction. It is partly dedicated to the contemporary Chinese internet and its main refrains to free sexual identity creation: traditional ideology, government censorship and the neoliberal consumeristic turn on pleasure. The chapter further stresses the importance of the audience and its agency, and illustrates how playfulness is a tool to overcome external and internal refrains to identity construction.

Again, the intention of this study is to define the playful creation of a space of agency dedicated to sexual identity explorations, construction and negotiation through a social media, We Chat, within the user/official account interaction in the comment section of *Peach Says*’ articles. It is urged to give a definition of what it is meant in this thesis with for “identity”: identity can be defined as the reified collection of the beliefs (a substance) a person relates to with the aim to define his/her being (identically)¹³ (Remotti, 2013, 11). Discourses and practices are the instruments and objects of people’s performances which enact and construct identity beliefs, among which sexual identity definitions are enlisted (Fairclough, 2003, 22). Indeed, these beliefs and their conceptualization do not escape from political dynamics: discourses and identity-related practices that are presented in a top-down or mainstream context are structured to reproduce power mechanisms (Fairclough, 2003, 24).

Context: culture, commerce and influencers.

In the Chinese internet, the top-down and mainstream discourses are nowadays produced by two main sources: on one side the State and State’s affiliates, whose discursive products mirror the traditional Chinese values or the communist party’s ideas (Ho, 2018, 492); on the other side commercial/cultural personae, who became powerful after the Opening reforms started in 1978 (Guo, 2020, 27). Shaohua Guo (2020), professor of Chinese, Asian Languages and Literatures, summarizes the evolution of the

Chinese internet from its early steps: she moves from the history of university campus networks, goes through the narration of the popularity of Sina Weibo and concludes with the huge changes WeChat's outbreak led to. The grassroots moved celebrity of Furong Jiejie¹⁴, the insurgence of the alternative intellectual Han Han¹⁵ and, more important than others, Mu Zimei (in the following paragraphs further introduced) sex persona and sex blog are all examples of bottom up celebrity born in the internet that is connected with the development of an influencers system on which rotate the modern selling pattern mainly used in China (Hung et al, 2021, 3). In particular, Mu Zimei¹⁶ is depicted as one of the leaders in the Chinese sexual revolution (Peng, 2019, 4).

Brief and needed summary: sexual revolution.

The importance of the impact of this kind of content is connected to the historical consideration of sex in China. Dominated by Confucian teachings, historically China has been described as a “conservative” country, where sex is predominantly intended as an activity held not for pleasure but for reproduction and women existed for men's desires. Romantic love was irrelevant for sexuality (Mc Lelland, 2015, 30). After the establishment of the People's Republic of China in 1949 (PRC), in the Maoist period (1949–76) and during the Cultural Revolution (1966–76), individual desire was repressed and even regarded as a bourgeois indulgence (Ho et al, 2018, 488). After Deng Xiaoping's “door opening” policies in the early 1980s, China opened her borders to the Western sexual culture, which emphasized personal pleasure. Nevertheless, sexual attitudes in China are still less tolerant than those of its Western counterparts, even after decades of reforms. In recent years, the sexual attitudes of Chinese people entered in a revolution (Liu et al, 2020, 2), mostly thanks to the advent of internet and its suitability to open spaces of interaction. Already in 2003, Mu Zimei's sex blog was identified as a opened space for the accomplishment of feminine liberation and freer sexual expression (Mc Lelland, 2015, 83). She is considered as a turning point in the Chinese internet and Chinese sexuality (Guo, 2020, 162). Liu et al. (2020, 2), of the School of economic and management at Tongji University in China, apply a data analysis on Chinese General Social Surveys collected from 2012, 2013 and 2015. Their quantitative method is supported by a theory that refers to the history of traditional

sexuality in China and moves to what was the impact of 1978's reforms and the advent of the internet. As a result, Liu et al. confirm how the online world, including social media, has sped up the transformation of sexual concepts in China: sexually relevant information and perceptions are more easily spread, and can influence people's attitudes. In this way, the Internet has been identified as a space where people can express their sexual desires and explore themselves. Anyway, it is here needed to underline that even if the influence of government policies and western ideas are considered two of the main causes of the Chinese sexual revolution, it still has to be seen as a unique event depending on the singularity of the Chinese environment. As Lin (2018) underlines, discourses around chinese sexual revolution were mostly written by western American-European based scholars (Rofel, 2007; Farrell, 2015; Mc Lelland, 2015) who were stressing the repressive aspect of not only the pre-1978's opening reforms government, but also the current state policies in China. The sexual revolution phenomenon has not to be read as a mere consequence of the 1978's reforms and the derivative entrance of the concepts of "modern sexuality" from the western world, and it's related consumerist turn, but as a long and complex evolution depending on different factors, deeply connected with the chinese culture and history. Indeed, China has its own history of sexuality, just like it has a different kind of Internet and different ways of cultural production online. I will talk about this in the next section.

Commercials and culture.

Guo (2020)'s explanation of the connection between commercial newspapers and a non-government lead cultural production has to be read as one of the core nodes to critically analyze any discourse occurring between a commercial account and its audience. Historically, in China commercial media have been extremely important for cultural movements, because they offered a wider, lighter choice of discussed topics, that were including pop and pleasure culture, absent from all the state controlled and over-censored official media: indeed, new, alternative ideas were transmitted through commercial channels and participated of a marketing strategy (Shirk, 2011, 183). Successively, as previously said, in its early chaotic years, when an effective censorship method didn't exist yet, the internet created possibilities of connections among people and chances of discussion of a wider group of topics. As a consequence, new types of

cultural production were born, “traditionally” mixed with commercial strategies (Guo, 2022, 18). On the internet, a new generation of Chinese cultural entrepreneurs started cultivating the symbiotic relationship between culture and commerce and implemented the rule of attention online and cultural appeal to experiment with business models (Hung, 2021, 1). In China, the use of personal blogs and the communication of personal experiences is a common method used to expand one’s own business (Chen et al. 2021, 1437). The story of the celebrity Guo Jingming¹⁷ is one of the most relevant examples of this process: he smartly uses his personal information, updates on his private life and personal tastes as a way to engage his audience. Doing so, he promotes his cultural products like movies, his television channel or his books. The corpus made of *Peach Says* articles has to be seen as something in the middle between Guo Jingming’s influencing use of personal life and user interaction and Mu Zimei’s use of personal blogging for self creation and expression. After Xi Jinping’s election in 2012, new internet rules and norms were applied, including a tightened censorship. Meanwhile government driven and party related social media accounts were created, like People Daily’s official account or the Chinese Communist Youth League account (Tsimonis, 2021, 22): for the state it became obvious the importance of a relevant influencing presence on the social media. Censorship got tightened¹⁸ on many topics, including political, cultural and “vulgar” related discussions. The whole internet witnessed a shift in the method that was used to interact on and in it, and tools like playful manipulation of the language, smart involvement of homophonic characters, use of images and memes, art and informative texts started to be enacted to avoid censorship that could intercept sensitive words, automatically identified and removed from all the Chinese internet. (Fazzari, 2017, 197).

Goals: Sexual liberation online and Neoliberalism.

After having introduced Guo’s general understanding of the current state of Chinese internet, this thesis proceeds with the discussion of Peng (2019)’s study on the discourses about gender and sexual identity that *Mimeng*’s account contributed to spread and constitute, and the way it traced and denounced neoliberal power dynamics and their impact on the chinese netizens identity formation. For Peng, *Mimeng*’s posts

echo consumerist and neo-traditional¹⁹ sexual identities, both for female and male traditional gender roles. Peng's work consists in a critical discourse analysis, based on Fairclough's three dimensional model, applied on a selected corpus of WeChat posts of a KOL (Key Opinion Leader²⁰) account, *Mimeng*. Peng doesn't not focus on the comments section or on the audience reception of *Mimeng* discourses, but limits his analysis on *Mimeng's* way of shaping a certain kind of masculinity and femininity in the main text of her posts. The contemporary and particular situation of Chinese Feminism and the ideal female esthetic evolved from the almost asexual figure of the communist worker to the hyper feminine self reliable (urban based) business woman of the post reform era, who has a free and fulfilling sexual life (Liu et al, 155). This kind of "new" image has been considerably developed online (Guo, 2020, 57). For Peng, after the 1978's opening reforms, the western neoliberalism took root along with the expanding capitalist culture in China. Indeed, women's newly obtained equality and freedom is connected to an individualistic and consumerist behavior. This argument is echoed by Guo (2020, 100). In the early years of the 2010's, influencers' accounts started using a feminist narrative to push women to buy products that should entitle them of a newly gained independence and autonomy. Despite the appearances, for Peng (2020, 10) this kind of neoliberal feminist sexual rhetoric is not really liberating women from the traditional patriarchal and unequal treatment but instead reshapes the old confucian values under an even more toxic light: in the end, gender roles remain stable. Indeed, an accurate understanding of *Mimeng's* words and use of pronouns, discourse around relationship and around the ideal man or woman shows how her posts are encouraging and supporting a kind of femininity and a sexual idea that, from a female perspective, is not empowering but reconfirming women's submission to the man's figure²¹. Even if Peng doesn't claim an universal application of his idea on all the KOL (2020, 11) accounts on WeChat, his idea about the neoliberal influence on the newly

19 Shifman, Professor of Communication at the Hebrew University, defines *memes* as “ (a) a group of digital items sharing common characteristics of content, form, and/or stance, which (b) were created with awareness of each other, and (c) were circulated, imitated, and/or transformed via the Internet by many users.” (Shifman, 2014, 41)

20 Under a critical discourse analysis perspective, any discourse is both an object that reflects a meaning produced by a broader discourse and a media through which meaning is produced and constituted. *Peach Says'* discourse is thus presenting an idea of sexuality and of sexual identities and at the same time contributing in the production of them.

21 Audience is never merely passive: a discourse and its meanings are received, interpreted and responded to. They contribute to shaping the identity of the receivers and of the audience, but at the same time the receiver is able to negotiate the encoded meanings and answer.

formed sexual identities online is of great relevance for understanding *Peach Says* function as an official account on the Chinese social media. *Peach Says*, it's using an intimacy and sex related personal blog style to engage with its clients and users, among other things to promote its products, and it is contributing to shape its clients/users's sexual identity. The analysis section of this thesis will then consider its neoliberal influence.

Actors: Users, audiences and agency.

Stating that the identity that *Peach Says* contributes to form is solely or at least mostly related to an individualistic and neoliberalist conception of the self would be reductive. Even if *Peach Says* echoes *Mimeng's* neoliberal, neo-traditional ideology, there is the possibility that the space of interaction that *Peach Says* creates is instead contributing to a newly formed, hybrid and agentively produced identity. As previously said, in his study Peng's doesn't analyze the comment section and the users reaction and engagement with *Mimeng's* words. Peng's work ignores the impact of *Mimeng's* discourse on its followers. It is indeed true that the influence of neoliberal feminism is preponderant in *Peach Says'* articles, but audiences and users have agency. People who receive an encoded message are able to decode it and re-code it in a new outcome, in a process that is sped up by the internet (Livingstone, 2019, 175). Audiences are not just receivers and passively forced in a set of rules, but are able to act on and in them in creative ways (Livingstone, 2019, 175). Indeed, *Peach Says* sexual discourses affect audience, but the outcome of this influence is unpredictable and may resist power dynamics. Lin (2018) worked on Ye Haiyan, a gender and sexual related blog creator, leader of individualized online sexual revolution: Ye Haiyan uses her blog and her body to resist traditional views on femininity. Lin's study demonstrated that online based sexual discourses are actually able to open spaces of a reactionary self-expression and self-determination: indeed, what I call spaces of agency (Lin, 2018, 447). People have power and are interfering and actively struggling to express themselves in the Chinese online environment. They are not mere objects of a traditional government driven idea of the sexual self, and neither mere products of an ongoing neoliberalization of the individual (Peng, 2020, 2), but also subjects of self-driven activity that shapes the sexual aspect of their identity (Lin, 2018, 450). This agency and this self driven creation of a new way of sexual expression is engaged and acted not only from the blog writers

themselves, or the personal accounts' creators, but also by the internet users who interact with these figures (Livingstone, 2019, 175). People like Ye Haiyan, just like *Mimeng* after her and after Mu Zimei before her, had success because their audience was ready to communicate and intersect with their content, and thus Chinese users were and are ready to discuss, negotiate and create their own sexuality online.

Tools: Unseriousness and jokes.

People are participating and creating parts of themselves online. The Chinese internet is characterized by playfulness (Zhang et al., 2021, 25; Guo, 2020, 59). If historically the use of media in China has been related to topics considered serious and approved by the government, the internet is a way to talk about foolish and yet light matters, or to talk about serious matters foolishly (Xie et al, 2021, 362). In its early years, sinologists viewed the Chinese internet as a potential facilitator of public space and civil society, encouraging searches for modern expressions of the public sphere. (Guo, 2020, 1) Netizens were theorized as potential organized rebels against an authoritarian regime. But studies of online Chinese culture reveal a chaotic playground awash in jokes, rhymes, jingles, movies, songs, and a variety of visual memes. If the set of restrictions posed by the Chinese Government and the censorship are seen as *game* rules, the unscheduled and spontaneous play escapes these boundaries and genuinely questions its serious existence (Xie et al, 2021, 361). The non-sense memes to which *Peach* refers in this thesis introduction are not carrying any relevant revolutionary and anti-government meaning, but their nonsensical existence is itself a playful escaping of boundaries. Moreover, is an example of how playfulness can be and is often directed against a state that pretends gravity and sobriety: Chinese netizens deal with the sets of rules that censorship creates in the Chinese internet and, being pushed by them, netizens creatively express themselves and interact with the rules, exploring the “game”’s boundaries and appropriating its tools of coercion (Xie et al., 2021, 366). A WeChat comment section can be the environment in which identity is shown and negotiated, like Zhang et al (2021, 153) study of the emoji posted in the comment section of a general topic related WeChat's official account demonstrated. Some of the emoji that can be found in WeChat are unique and some others, although being similar to western and other Chinese platforms' ones²², are used in a singular way. The variation of the

22 Among OSA are included looking for a mate and shopping for sexual items, like sex toys or condoms. OSA can yield benefits for users, including increased intimacy with real

meaning of an emoji does depend not only on the textual context of their occurrence by itself, in the sense of where it is placed in the sentence or how it is related to which topic, but also by the number of times the same emoji is subsequently repeated in the same post, inferring that the more times an emoji is typed the more its meaning is stressed or, in the end, altered (Zhang et al, 2019, 254). The comment section of a WeChat account offers a space of expression that can be achieved despite the regulations created by the platform itself in response to the heaviness of the state's censorship, and the emoji are a powerful tool to accomplish this reaction. If the use of emoji, that is indeed playful, is extremely relevant to understand what is actually happening when a discussion between netizens occurs, it can be shown as a meaningful and playful appropriation of WeChat tools. For example, the facepalm emoji is strongly related to Chinese culture. Traditionally, in China the open expression of one's own negative feelings is negatively judged. It is a kind of behavior that would let the person who exposes him/herself to lose face (Chiang, W., 2012, 657). For this reason, often strong negative emotions are accompanied with a laugh. Zhang et al. introduce a comment in which a woman expresses her struggle with depression, followed by three repeated facepalm emoji. The facepalm emoji depicts someone who's crying and smiling at the same time: the comment's author writes about her feelings, she is self-disclosing, but hiding herself under a layer of playfulness with the facepalm emoji. The technology used, the interface, the structure of the comment section and indeed the emoji shape the way the user interacts with *Peach Says* sex toys selling account and, consequently, the identity that this interaction helps and contribute to build. The boundaries of the self are culturally and historically delineated: again, identity is discourses, processes, technologies (Remotti, 2013, 15) .

A subject and the technology it uses have to be considered as a significant whole. The material and technical means used for recording information and communicating literally shape our identities and bodies (Hui, 2021, 29). Anyway, it is not implied here that an actor is nothing more than his/her data or that a human being doesn't exist outside of the tools he/she utilizes. But it does imply that the media we use shapes both our sense of self and our bodily sensation of embodiment. (Bollmer, 2018, 116). Identities created by chinese users, in this case sexual identities, are shaped and

partners, increases in self-confidence and contribution to the construction of the self (Zheng, Zheng, 2014)

constituted by the playful interaction with *Peach* discourses on a WeChat comment section; and this online identity is not constructed as separated from its offline aspects: instead, it completes them. In the specificity of the Chinese internet, although *Peach Says*' official account hosts discourses that are influenced by and mirror neoliberal power structures, its mere existence opens spaces of interaction in which followers can actively engage with the provided discourses. In these encounters, users are not merely influenced, but also able to negotiate their meaning, completing, creating or modifying their identity agentively. If the "freedom" of the internet led many scholars theorize the insurgence of the possibility of an anarchic auto definition (Xie et al., 2021, 361), the subsequent new forms of hegemonic affirmation, from the state and from the cultural/commercial accounts, transformed the internet in a playful (battle)field of negotiation of meanings (Guo, 2020, 38), for identities in general and, among them, sexual identities. Peng's critical discourse analysis of *Mimeng* WeChat posts enlightens on the way a neoliberal rhetoric is intertwined in her statements and is indeed showing how the rhetoric of the hegemonic side of the negotiation is working. The following section is going to explain how Peng's work and methodology has been applied on *Peach Says* articles and how his approach was expanded, with an exploration of the way users respond and reply.

About words, *biaoqingbao* and discourses.

This research is going to be conducted with the methodology of critical discourse analysis (CDA). Based on the previously discussed notions, this study aims to understand the way open spaces of agency are created by discourses around sexuality made by and interacting with the (sex-toys) e-commerce account on WeChat named *Peachy Says*. To do so, Fairclough’s CDA is going to be used. CDA is both a theoretical approach and a specific qualitative research method that examines media texts within specific socio-cultural contexts. In the previous section of this thesis, the theoretical framework of CDA has been introduced and related to the current argument. If CDA is an analytical research that focuses on how text and talk in the social and political context enact, reproduce, and oppose social power abuse, dominance, and inequality (2003, 351), this research identified three levels of comprehension for Peach Says articles and comment sections: playful counter censorship language, neoliberal discourses and opened space of agency between and through the last two.

Preparation: what is known already?

The first step to understand *Peach Says* articles as a cultural phenomena entails looking at them in their own set of circumstances: it is then needed a background analysis. Inspired by the CDA concept of context, it is unavoidable for a scholar to look at the socio-political culture behind the occurrence in order to interpret the comments and articles. For this reason, this thesis has been able to understand Peach Says articles as part of a sociocultural phenomena. This has been done in the previous sections in which the context of Chinese internet and the relevance of commercial accounts in the information ecosystem, Chinese sexual censorship, Chinese sexual identity’s history and the playfulness of the Chinese internet have been analyzed. The following sections will proceed to analyze *Peach’s* articles: Peng (2019) applies Fairclough (2003) three-dimensional model to understand textual data at three levels: textual, discursive, and

²³ *Peach Says* itself uses this words to identify her goals.

socio-cultural. Textual analysis is a linguistic description of a text that looks at how it uses communicative techniques like style, naming, reference, metaphor, and lexical choice. The discursive analysis involves interpretation of the relationship between the text and discursive practice, which focus on the patterns emerging on processes through which the textual data are produced and/or received. The socio-cultural analysis then examines the interplay between the discursive practice and socio-cultural processes, examining how discourse is contextually devised in relation to the wider society (Fairclough, 2003). To do so, this thesis will proceed to briefly describe WeChat's official account named *Peach Says*: its features and composition are going to be introduced, and the importance and role of the blog articles section underlined.

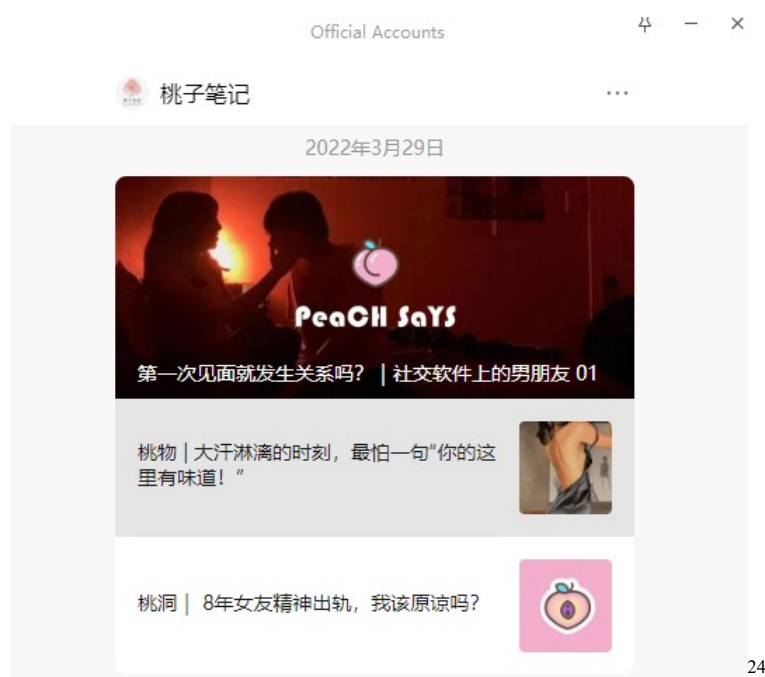

Talking with Peng: impact on the present analysis.

It is now going to be explained how Peng's application of Fairclough three dimensional method has been followed and applied to *Peach Says*' articles. Before doing so, it is needed to underline that because both the research question and aim of this research and Peng's research are different, just like the consistency and length of the corpus text are not equal, even if this research will concentrate on the use of determined traits of language and kinds of discursivity just like Peng's study, and even if the presence of a neoliberal feminism discourse will be criticized, this thesis method and Peng's method will not be identical. Peng's attention has been mostly focused on the occurrence and use of pronouns as *Mimeng*'s users' engagement strategies, choices of words to create a differentiated, but commodified, gender identity and the choices of words to establish a pseudo-feminist discourse (Peng, 2019, 7). This thesis will also focus on the use of pronouns and other expression utilized for the user engagement and fidelization, but it will then strongly concentrate on words that are used to express sex and sexual related activities, objects, subjects or body parts and the related playful acronyms and emoji utilized to avoid the censorship; it will then focus on the words chosen for the commodification of sexual identity. Peng introduces his corpus as mainly characterized by a neoliberal feminist discursivity, which connects wealth, power, gender definition and women self-reliance (Peng, 2019, 9). This thesis will concentrate on the high level of inter-discursivity of *Peach's* articles, that of course participate of the same neoliberal feminist discursivity, but moreover goes from an advertising to an informative style, always mixed with a *memetic* playful discourse. As previously said,

Peng does not concentrate his attention on the reception of *Mimeng*'s discourses (Peng, 2019, 7). The focus of this thesis is going to be placed on the discourse around *Peach Says*' articles and their reception as exposed in the comments of the participating users; indeed, exploring how people interact with the presented discourse and what is the use of language in this interpretation. Applying Fairclough's third dimension (Fairclough, 2003), Peng's research contextualizes the use of WeChat's *Mimeng* account in a social practice: the perpetuation of traditional gender roles and the progressive commodified individuality. He underlines how the promotion of beauty and wealth oriented femininity reinforces a consumer behavior and thus neoliberal dynamics (Peng, 2020, 10-13). This thesis will focus on the same analysis but it will also consider traditional/state prescribed views on sex (Farrer, 2015, 83), Chinese government propaganda and how are people responding to it (Yan, 2015, 28). Moreover, with the help of Guo (2020, 95)'s understanding of the importance of the internet personae (whose existence is undoubtedly dependent on their commercialization) in the Chinese internet for the creation of reactionary and alternative perspectives, the intention of this thesis is to trace the extents of the existence of a space of agency within the comment section. To do so it will be relevant Zheng et al. (2021) study of the use of the emoji in the comment section of a We Chat official account and their explanation of the different images in the different specific Chinese context.

The outcome of the analysis will show how people are discursively creating new spaces of agency and self construction and exploration through this new media, WeChat. In particular, it will show how the official account in question, *Peach Says*, opens up new tools, consisting in words or concepts, for sexual expression and sexual understanding in China. It is now explained the process of the corpus's selection.

Corpus selection.

The present analysis is going to be focused on 15 articles selected from a corpus of 95²⁵ articles created from the date February 17th, 2022 to March 31st, 2022. It was decided to select such a span of time because *Peach Says* account usually produces a small group of articles each working day (with a break of one or two days in a week) and the 17th of February is the end date of the Spring Festival, better known in English as the Chinese New Year, and thus first date of production after *Peach's* holiday break. *Peach's* daily publications are generally organized in three (or four) columns about different topics: the main article discusses something about eroticism, beauty or lifestyle. Sometimes, it consists of a selection of answers to a question or an argument that *Peach* posed in the chat group of her WeChat account. The present research doesn't take into consideration such a space because in the researcher's opinion it goes beyond the scope of this thesis, that is indeed to identify the *open* spaces of agency created with a discursive relation between articles and comments, and, because it is a closed space with a different pace of interaction, chat group analysis doesn't answer the research questions²⁶.

25 Han Han, China's best known blogger, uses his blog to comment on and to reveal the social malaises and injustices within the political, social and cultural contexts of present-day China. (Cai, 2015, 35)

The other columns are: *Taowu*, or *Peach Objects*, that is dedicated to the sponsoring of a product purchasable from the miniprogram *Just Peachy*, the e-commerce connected to the official account *Peach Says*; *Taodong*, or *Peach Hole*, where a sensible question sent to *Peach* by the public is posted and discussed by the followers in the comment section; lastly, *Taoce*, or *Peach Test*, newly born column, where a team of 5 people, four girls and a man, of different age and status, test and rate a series of sex toys from the design, usability, strength and pleasure perspective.²⁷ Here therefore is underlined that the popularity of *Peach Says*' articles decreased in time: in total *Peach says* has produced at the present date (31/03/22) 1013 articles and if in the golden age of her activity average interaction with the account consisted of more than 30.000 views, at the present moment the amount of total views doesn't reach the number of 20.000. Without considering the type of the article and neither the topic, *Peach Says*, who has the power to decide which comments should be put on the or comment section and published, always gives the space to a maximum of 100 comments, but in the articles analyzed the number of them was limited between 0 and 50. As it has been said before, the amount of articles chosen for this thesis is 15: after reading all the articles published after the 2022 Spring festival and considering all the comments sections, it had been taken the decision to focus this thesis on the articles that were more explicitly speaking about sex and about sexual freedom and sexual experiences, memories or desires. Because of the small but consistent number of followers, that would give the reader the possibility to identify *Peach Says* as a micro influencer, (Hung, 2021, 2), this type of account and these articles has been chosen instead of more popular accounts or articles. The peculiarities of this case are perfect for the intention of this research: the possibility to create a space for sexual interaction and sexuality negotiation interacting with a WeChat official account that sells sex toys are higher if it is not extremely popular. An account that produces articles that are read and interacted by many people could be easily understood as a creator of mass discourses, because more people would have the ability to confront each other in a huge exchange of ideas: the probability to meet at least one interaction that supports an alternative way of thinking is higher. It would have been

26 Mu Zimei, born in 1978, started her sex blog in 2003. Journalist, she used to share her casual sex encounters in the city: her sharings caused a great scandal in the early ages of the Chinese internet. (Guo, 2020, 32)

27 *Mimeng* suggests to her female followers to immediately have sex with a partner who's surprised while masturbating: the kind of idea that it's here re-proposed is depicting the woman as a sexual object, a woman who needs to please her man, even when this action is proposed as a way to ensure power and influence on the partner.

then necessary a mixed quantitative/qualitative discussion of the data to have an understanding of it, and the results would have been really impacted by the influencer's great lead - a macro influencing type of engagement with the audience (Hung, 2021, 6). The small scale, on the other hand, has to be approached from a qualitative perspective and is able to give a deeper insight on a regular and not extraordinary negotiation. *Peach's* follower @XY commented under a post:

<It's almost 1000 articles [celebration] [celebration]²⁹>, and @主持人 香树 commented <That's great, it's great that the people who were in the comment area the first time are still around now. Suddenly I feel that not everyone is so messy yet, I feel like there is still the possibility to be one from the start to the end>³⁰.

Both of them show how it is important for them to have daily or frequent interaction with the media and not just on exceptional cases. Small official accounts create an interaction that pushes toward the creation of a bounding that helps the developing of a sense of community and the creation of a space of negotiation.

The process of the analysis.

The 95 articles published by *Peach Says* from the start of the new Chinese year to the 31st of March have been read, compared and a publication pattern, previously introduced, has been identified: *main*, *Taowu*, *Taodong*, *Taoce*. Green, pink and blue color have been assigned to each article, recognizing each of them as being part of three main topic based groups: self-reliance, relationship and sex.³¹ Then the articles have been selected following the criteria of relevance for the present research, because more related to sex, sexuality and sexual identity. All the texts have been translated

²⁸ All the articles are translated and proposed in the appendix.

²⁹ Indeed, it is strongly suggested a further expansion of the study about Chinese sexuality online and the opening of other types of spaces of agency with a digital ethnography applied on *Peach Says* We Chat group.

following Hui (2019, 37)'s principles of conciseness, smoothness, appropriateness and faithfulness³² and sorted chronologically from Art. 1 to Art. 15. They are going to be further referred to using this number. The introductory article of *Peach Says* official account has been translated too.

Having been the texts so organized, the use of pronouns in each article, their frequency and the tone of the phrase in which they were inserted proceeded has been identified and underlined. Equally has been done for the terms with which *Peach's* self addresses or addresses her followers; terms used to define femininity and masculinity; terms used to define pleasure, desire, sexuality, bodyparts and sexual activities. The use of *biaoqingbao*, emoji and memes was observed too.

The differences in style of the various types of articles have been observed and its pattern of writing has been defined as a mixture of a neoliberal feminist discourse and an anti-censorship, anti-tradition discourse.

After having processed *Peach's* articles, the focus of the analysis has been shifted on the comment section. Pronouns and terms used to address *Peach* and used for self addressing and defining; terms used to define pleasure, desire, sexuality, bodyparts and sexual activities; the use of *biaoqingbao*, emoji; emotionally charged terms; the use of proverbs and common saying has been identified and underlined.

Comments that had a personal and disclosive discourse and emotionally charged statements; comments containing questions and comments created as answers to other user's questions have been identified and closely interpreted. The avatar or the name of the commenters has not been considered because they are not relevant for the research. To register an account on WeChat, a Chinese user is obliged to insert his unique government released identification number. Despite this, it is impossible for another user to determine who a person is because both the username and the image are anonymizing and don't display a person's identity.

Utilizing this methodology, two subtopics have been identified in the group of articles analyzed: sexual pleasure and body exploration and sexual knowledge and experiences. Both the articles and the comments were shaped around these topics and indeed were participating in the creation of aspects of sexual identity to them related. This is how,

32 See the text

after having studied terms, styles and patterns of *Peach Says* articles and comments in the comment section, the space of agency that is so constituted is going to be defined.

“Who is *Peach*?”

As a result of this CDA research, having processed the use of pronouns and addressing terms, further explained in the following sections, an engaging conversational (Hung, 2021, 2) style as been used by *Peach Says* in her WeChat articles, without having any substantial difference between the *main*, *Taowu*, *Taodong* or *Taoce* articles. In total, *Peach* mainly writes about three themes, with which is primarily able to engage with her targeted buyer, Chinese urban youth (Farrel, 2015, 83): 1) The right to femininity/beauty and self-reliance of people, woman in particular 2) Gender equality and atoxic partnerships and 3) Sexual liberation and pleasure exploration. The first theme allows Peach to establish herself as a anti-traditionalist and a feminist, while the second and third themes present the writers' essential ideals, as she stated herself in the introduction article on her official account:

桃子笔记是一个独特的原创亚文化先锋女性阵地，致力于推动性别平等、女性赋权、以及性教育相关议题的公共讨论。这里聚集了全宇宙最独立又最柔软，最朋克又最诗意，最觉醒又最精怪的人类。

我们不执着于如何变得有魅力因为我们就是魅力本身，我们热爱生命中的一切情爱美欲但我们的世界又不仅是如此，我们的身体里一半住着深沉的思想者一半住着天真的蓝精灵，我们的征途就是——「复兴情趣世界」。

33

“Peach Notes is a unique and original subculture of pioneering women's grounds dedicated to advancing public discussion on issues related to gender equality, women's empowerment, and sexuality education. Here gathers the most independent and softest, most punk and most poetic, most awakened and most eccentric human beings in the whole universe.”³⁴

33 Following Limor Shiffman definition of meme, it can be assumed as a group of digital items that are created with awareness of each other and that spread and mutate fast. Indeed, a textual meme is a meme that consist of written words.

34 但凡我经历过高低给你整两句

Each of these themes is part of a larger neoliberal feminist discourse prevalent on the Chinese internet, such as the one *Mimeng* utilized to target Chinese women on WeChat, as Peng (2019) said.³⁵ Because this research is focused on sexual expression and the construction and negotiation of sexuality, two main sub-topics in the sexual liberation group have been identified, that will be further explained as the more effective contributions to the construction of a sexual identity that *Peach's* opened spaces of interaction helps to shape: a) body exploration and masturbation, including health b) sexual experiences and knowledge. The following sections are dedicated to the answering of the two sub questions, following repeated:

Dajie, xiaodoudou and nanpiao: smart and involving use of language.

This section is dedicated to answer to the first subquestion: what kind of discourse about sexuality is constituted and reflected by *Peach Says* sex toys selling account?

Overall, *Peach Says* articles are targeting the audience as “sisters”, mostly younger sisters, who are willing to learn from her, the big and experienced sister, some knowledge about sexuality, beauty, femininity and relationship. More than once *Peach* introduces herself as an expert, *laosiji*, who can be helpfully sharing what she knows about the erotic world with the followers in need. “Peach is right here to offer you a treasure!³⁶”, “Here are some tips that Peach collected for you”, “Whose little eyes haven't looked at Teacher Peach yet?”, “Sisters, today I will share something good with you, [...]”³⁷, “There are still girls who don't understand [...] It makes me so angry!”³⁸, “Girls! Prick up your ears to me!”.

She refers to the reader as *ni*, you, singular person, or *nimen*, you as plural. Some other times, her statements are impersonal, like affirming something as a given truth⁴⁰. To talk about sex and body parts, *Peach* uses terms that come from traditional poetry or from colloquial onomatopoeic expressions, moving from a delicate to a dirty but never vulgar register. *Peach* plays with the traditional use of language and the cultural meanings of determined words to create a newly formed, fluid and adaptable terminology. Nipples become “cherry blossoms”, sex can be referred as “piston movement”, while the clitoris or the internal part of the vagina are called “small bean” or “inner room”. This playful expressions tend to present the subject of the article, sex indeed, as something innocent and delicate, both targeted and feminine and feminine friendly traits from a Chinese cultural perspective (Marcus, 2017, 27). At the same time, *Peach* uses many words that are borrowed from the “Internet Chinese”, like *nanpiao* or *nvpiao*, literally male or female ticket, both coming from Korean terms that have the same pronunciation and mean husband and wife.

Each of *Peach's* articles has a great amount of intertextuality, because she inserts a great amount of images between different paragraphs of the text. In the main articles the

images shown are usually taken from movies, romantic stock pictures or traditional paintings; Taowu articles have a lot of pictures of the product that has to be sold; Taodong doesn't have images at all. The most relevant thing is that the first two share a huge consistency of *memes* presence.

Meme art. 7.

Memes, or *biaoqingbao*, are used in *Peach*'s articles like emoji, or as a reinforcement of an expression, or simply as a tool to lighten the tone of the conversation. Their use is strategic to gain the attention and sympathy of the youth: teenagers, college students or young adults who are indeed able to decipher the meaning of the *meme* itself. Moreover, because they are images, *biaoqingbao* are less readable by the sensitive worlds' checker of the automatic censorship of WeChat as a platform, because image recognition is more complicated to apply and it's harder to define an encoded message: memes are used to express "dirtier" meanings that can't be expressed with simple text. For example, the image *kaichebiaoqingbao*, inserted in the Art. 7, represents the chinese panda meme (a common and well known meme template) with wheel marks on his face. The caption says: "Even if you said that you don't drive, wheel marks are all over my face".⁴¹ The meaning relies on the expression "to drive" that means watching porn in the Chinese internet slang: even if the person claims the absence of dirtiness, its signs are clearly visible by the person that is speaking with him. Porn, or yellow movies, are forbidden in China: to use such an expression, applied to an image, makes it almost unreadable by the censorship.⁴²

Discourse: selling and giving information.

In this section it is going to be given an overview of *Peach*'s style of discourse, with features that can be traced in each article of the corpus; to be taken into account each different type of column, indeed *Main*, *Product*, *Talk or Test* and to be presented each discourse in the specific. I specify here that whenever *Peach* presents a Sex Toy, article that could go in the Product section, it is published as a main article. Thus their discourses are equally constructed and I will analyze them in the same paragraph.

The use of language and images that *Peach* utilizes can be seen as both inserted in the general Chinese internet selling strategy (Hung, 2021, 3; Guo, 2020, 32) and in the "sisterhood" information article. The selling strategy is combined with an informative discourse, structured as a pamphlet organized in points explaining some truths about sex or sexuality, although the given sources of the various statements are mostly vague and general.

Peach doesn't propose herself as a scientist or scholar, but as a more knowledgeable elder sister, technique that can be found in the engagement strategies of other influencers in the Chinese Internet, like *Mimeng* (Peng, 2020, 7) or Yan Lan (Guo, 2020, 115). Usually taboos, myths and cliches concerning sexuality in China are presented and deconstructed: art. 4 and art. 11 enlist all the common known contraception in China,

from coitus interruptus to a simple cleansing after the sexual intercourse, explaining why these misbeliefs are not only false but even dangerous. In the same articles, *Peach* continues selling a product, in this case condoms, and switches to a marketing discourse that enthusiastically underlines the pros of her offer. Thus, she sells it as a condom designed for girls, that can also please men, even if it is a male and not a female condom⁴⁵: and the reason it is designed for females is that it doesn't smell like rubber and it is extra moisturized - both things that could be gender neutral but are sold as feminine. Many articles are using and taking ideas, data and images from the international, or more precisely “Western” internet world, like the Art. 7 about sex and masturbation⁴⁶, or Art. 13 about abortion that talks about a French movie settled in the 60s.

The type of discourse of the main articles varies depending on the topic of the day, but all of them share the cultural news paper article style that gives information and lets the reader ask him/herself some questions about the object of the discussion. Her style of conversation is colloquial and tends to reference popular Chinese and international culture, both on and offline, including famous people's quotes or TikTok challenges. Particular attention has to be given to the “let's talk” type of articles, where *Peach*

creates a text using a collage of different statements done by We Chat anonymous accounts to share what could be felt like a total and neutral multi-voice insight of the discussed topic. Anyway, despite this appearance, the possibility she has to choose both the messages that have to be published and the order of their appearance let her influence be clear. The topic she chooses are usually related to common knowledge and stereotypes about sex, including the traditional Chinese perspective on them, which are challenged with the previously introduced international and western ideologies. *Peach* presents herself, and actually is, she who triggers conversations about sexuality⁴⁷,

positioning herself as a sexual elder sister: she opens spaces of interaction and pushes people to participate. Taowu discourse is an advertising discourse: articles are organized by individuating a problem and offering a solution “created exactly for girls”. *Peach* creates a narrative around her products and defines them as a practical solution to a problem identifies and negotiates what has to be assumed as the contemporary fashion, strong, cute and independent woman. The already cited discourses in Art. 4 and 11 both illustrate an idea of femininity and identify a related problematic, in this case *scumbags* that insist on having unprotected sex or the rubber smell that usually condoms have; for Art. 12 it is:

“When it comes to the harmony of private life, *people* often consider the frequency of private *activities*, as if considering that high frequency is a positive thing, but little attention is paid to *quality*. [...] *Especially for girls*, a good single experience will stimulate more satisfaction than a simple frequency. *For girls* who want to have a *high-quality* private life, the most important thing is to meet the following 3 points.”⁴⁹

47 For the full text see the appendix.

48 Art. 14

49 Art. 7

Then, after introducing a list of key points, *Peach* offers her product, in this case a sex toy that has four different features, as a solution. This discourse can be identified as neoliberal and commodifies sexual identities. Taowu and Taoce discourses are similar but it is important to underline the main differences between them. As previously said, Taoce has been newly introduced as the new way to sell sextoys. If in the precedent articles *Peach* speaks as a elder sister to her followers, she introduces here a team of other 4 people to discuss sex toys and to give impressions about them: a freshman year teenager, a college student, an experienced worker woman, a married woman with children and a man. This move helps to open the group of potential clients to a wider audience that could relate to one of the other reviewers and not just identify in the young audience *Peach* generally speaks to. Moreover, *Peach* crystallizes 4 Chinese categories of femininity and female sexuality, each one with different necessities.

This new kind of selling strategy gives *Peach* the ability to get rid of the necessity of creating a narrative for each sex toy, but the discourse is moved as an objective consideration of common people about different qualities of the product: the review system is widely spread in China, and is mostly done by influencers. Lastly, *Taodong* articles consist of a question posed by a follower that opens a space of interaction with the audience: the users are pushed to interact. Indeed, this kind of article is going to be

considered in the second part of this analysis, dedicated to the comments section and audience experience.

With this section the first one of the two sub questions that compose this thesis have been answered: *Peach Says* discourse around sexuality is trying to contrast conservative and traditional ideas around sexuality but at the same time is embedded with neoliberal individualization and commodification of gender and of sex. Her strategy for engaging, her informative and personally disclosive communication style, both derived by the influencer marketing strategy, are opening spaces where people can interact reflecting on the ideas and topics she presents. With followers participation, these spaces become spaces of agency. The following section will focus on answering the second sub question.

“You city people really know how to play”⁵¹

The second subquestion is indeed: how is this discourse received and responded by *Peach Says* followers and WeChat users?

The use of language of the people in the comment section varies a lot, because of course the readers are various and anonymous⁵², and can be from different age, territory or social class. Recently, WeChat added a feature with which it is possible to see from where a certain comment has been posted but at the time of the collection and translation of the articles of this research this feature had not been implemented yet. In general, the tone of the conversation is really confidential and people participate in the discussion echoing expressions used in the article, like pinyin acronyms or creative character based neologisms. Few times it has been possible to trace the presence of a textual meme⁵³, or a recurrent written joke. In Art. n 8, the first comment for number of likes (288) reposts a viral sentence taken from a TikTok meme: “Whenever I’ll finally experience this I’ll give you two sentences”⁵⁴. This sentence is used to underline the disparity of the commenter’s position from the position of who posed the question in *Taodong*’s article: he/she has never been in a privileged state that could lead him/her to

live a similar episode. The second for number of likes follows the first one citing: “Whenever I’ll finally have a girlfriend I’ll give you two sentences’. Indeed, this sentence is a type of textual meme that helps commenters to playfully negotiate their sexuality or the lack of it. The use of emoji is common: the *facepalm* is used in the same way as Zhang et. al (2021) illustrated, as a tool for self disclosure; “whispering/shhh⁵⁵” is used to reveal a secret or impudic confidences; *wang chai*, the smiling dog, can be seen as the Chinese version of the famous meme *doge*⁵⁶, the yellow dog. The least is used to expose an ironic, sarcastic and playful comment that has been written to tease but not to offend the other person.

Main articles usually have more comments, because they establish an informative discourse that pushes the followers to interact in the comments section and contribute to the discussion with their ideas and experiences⁵⁸.

Similarly, the *Taowu* comment section has not only comments on the product like “I can't stand it, I can't get up for work the next day!”⁶⁰ or “The nipple clips inside look so interesting [whispering] [sneaking away]”⁶¹, but also consideration around the ideas of love and sexuality “Love is mutual giving, so is sex, plus the two parties completely let go of themselves, this is the perfect union of spirit and flesh.”⁶² Even if it is important to remember that the published comments are selected by *Peach*, discourse’s reception is positive and participative and people share their will to explore.

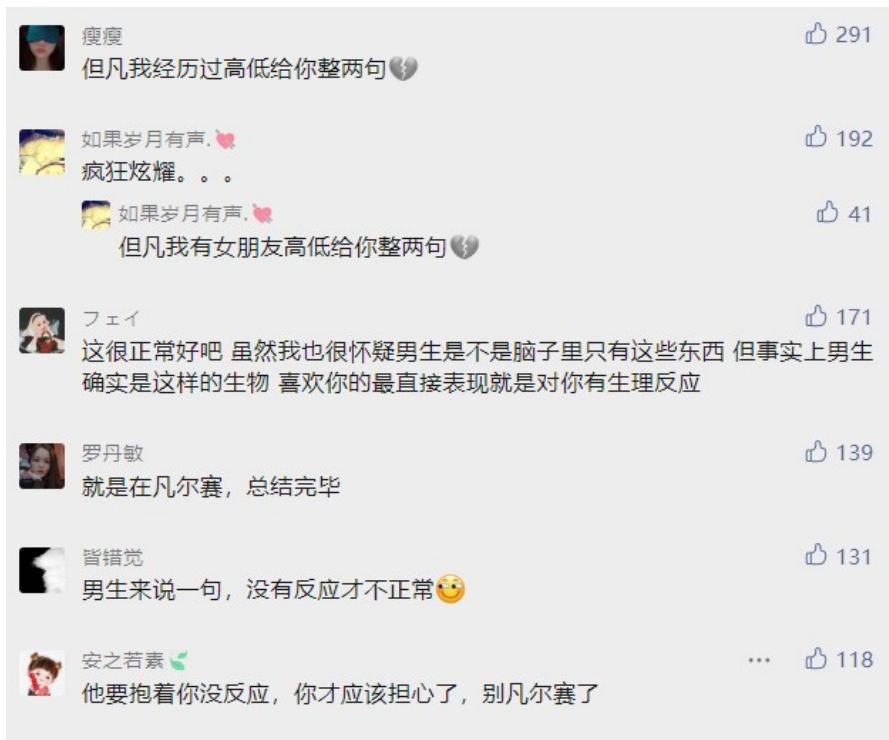

As said before, *Taodong* pieces start with a simple introduction on the genre of the article. One question posed to *Peach* from one of her followers is successively transcribed and presented. Then, in the comment section, *Peach* invites all the readers to answer. The success of *Taodong* articles relies on the highly valorized participatory culture of the Chinese Internet (Guo, 2020, 122). Here again the community is pushed to look at a problem and to figure out a common solution. Moreover, with such a section, *Peach* explicitly opened a space where it is possible to negotiate ideas about the specific topic of the question itself: indeed this is the column that shows the highest number of comments. The published questions are for the most part related to relationship related problems. The two that have been selected discuss the topic of loss of sexual desire and concerning the physiological reaction of a boyfriend each time he hugs his girlfriend (Art. 2 and 8). Both the questions were answered with the sharing of similar experiences, supporting memories, jokes.⁶³

I have described *Peach's* type of discourse for each column of her posts and the use that is done of the language by her followers in the comment section. *Peach's* use of text and language combined with the discourses she constructed on one side strengthen the neoliberal turn on femininity and sexuality, but on the other side open a space of interaction that is lacking in contemporary China. This space can be seen in and as the comment section where followers occupy it and contribute to its formation with their participation. I will now introduce the collection of discourses made by the plural voices of the various comments and see how they are actively shaping this space, creating and negotiating the sexual identity under the previously introduced two topics: pleasure exploration and sexual experiences.

Touch your body: how do you feel pleasure?

Just like *Mimeng*, *Peach* targets girls and creates an idea of femininity that is strictly connected to the presence of a certain kind of product, and indeed commodified. Despite this kind of behavior, that contributes to perpetuating a consumeristic idea of

the self, her articles are able to push the exploration of the feminine and masculine body and understanding of pleasure.

Art. 1, about penis length, offered *Peach*'s followers a space where to anonymously fight people insecurity about their own size and to confront the myth of the 18 cm rule or the social pressure given by the once famous *Shampoo* Tik Tok challenge⁶⁵

6768

Few days later, in Art.7 *Peach* speaks about sexual benefits and masturbation, to communicate the beauty of sexual well being independently from the presence of a partner. Here, people shared their erotic sensations:

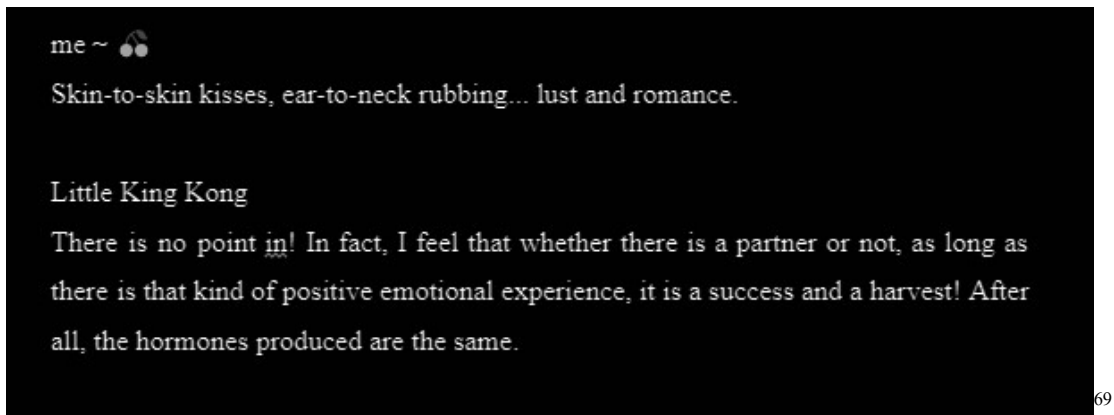

65 sexually active.

66 The Citizen Lab, interdisciplinary research team based in the University of Toronto, have created a list of more than 9000 sensitive words in China. This link leads to the related Google doc:

Or their fear and sadness:

Although other kinds of comments are also present, like mockery or false appreciation, these few examples show how people felt here a free space where they could randomly share their belief and thoughts about different topics and could interact with the ideas proposed. Indeed, a space of agency has been created: for Art. 1 it was a space of community, reassurance and body positivity; for Art. 7 it is a space where to share one's own vision around sexual activities or the lack of it. Even if Peng's (2019) criticism toward *Mimeng* can be reflected here, *Peach's* discourse is oriented toward medium high urban girls with a consumerist lifestyle, but her followers can be from everywhere and participate with their own experiences enriching the conversation with different points of view:

What

You city people really know how to play.⁷¹

69 From the article named: *Who is Peach?*

70 A "sensitive" word triggers some Wechat's censorship tools that automatically censor the message and report the use to the government.

71 The text is the transcription of the report given at the seminar "Against identity", held together with Diego Napolitani, on 11 December 2010, at the headquarters of the SGAI (Italian Analytical Group Company) in Milan. With the title "The obsession of identity" it was published in the Italian magazine of Gruppoanalysis, XXV, 2011, 1, pp. 9-29.

In general, *Peach* articles are the perfect space where to negotiate, express and discuss pleasure.

WHITE YOUNG DOG

I like kissing the most, followed by hugging behind the back, which is really super safe! If you kiss, bobo and French kiss are good (●°u°●) ” As long as you stick with the people you like, you will be happy

It is not a taboo: sexual experiences and knowledge.

Article num.15, 31/03 is a serious article. It doesn't have memes, it doesn't have colorful and funny images. The discourse is written as a diary, a letter or a memory, and refers to facts that have really happened: it tells about a little girl who received sexual abuse from her teacher and that was punished by her parents for being sexually explorative since her early childhood. The tone of the article is settled on different levels of sweet and sour narration and it is full of emotions. Often, sensitive words, like masturbation or sex, are substituted by expression like 性夹腿, *xingjiatui*, that means “rubbing the legs”, while the clitoris is called *xiaodoudou*, “little bean”. The movie from which the images are taken is called *Carnival* and it's a famous film about child's abuse.

In the comment section *Peach*'s readers and followers share words about their own experiences with abuse and with early discovered sexual sensations: each one explained his or her situation with texts of different sizes, more or less detailed and more or less deep. It is possible to notice, as already explained by Liu et. al, the peculiar use of a certain kind of emoji, utilized to alleviate some of the deep sharing of the contributions and dismiss the sadness or awkwardness of the memory. Despite this, extremely sad or angry emoji have not been used and, if the comment is about something really serious, like harassment, usually emoji have not been inserted at all.

卖年糕的小香蕉

Seeing that everyone had their first sexual experience at about ten years old I am relieved [laughs through tears]. I haven't suffered any violence, maybe because I look ugly and I haven't received a lot of attention. Thanks to my dad's pornographic book, which I looked at many times[his tears burst into laughter] I was hungry and thirsty at the time (of sex), plus I understood a lot of things.... When my mother noticed it she put the book away, "You don't have to look at it again in the future" [laughs through tears]

72

感谢我爸的黄色笑话书被我翻到了😂当时看的如饥似渴，加上自己的融会贯通懂了很多事情....，我妈注意到后就把书收起来了，"以后不要看了"😂

73

In this precise case, the comment section of this article opened a space of interaction and psychological help for this person, presumably a girl, that is *relieved* to get to know that she wasn't the only one to have had a sexual experience at the age of 10 years old. In a country where sexual education is mostly in the hands of the family, repression can be seen as the normality, in fact she doesn't have to look at her fathers book again in the future. The use of the emoji mixes a playful intention with a serious outcome: the emoji laughing through tears is added after the last sentence, disclosing how the person tries to laugh in front of what is imposed on her as a shameful moment. Moreover, laughing in an embarrassing situation is a feature of Chinese culture, as can be seen in different comments:

嗖喽°

I used to habitually sexually rub my legs while watching TV. I was discovered by my mother and she yelled at me that I was not allowed to do this, so I thought it was a shame.⁷⁴

72 A synonym of influencer.

73 A list of emoji can be found here, <https://emojipedia.org/wechat/>, last access 10/05.

74 Img 11 Art.2, in the image is shown the use of the *Wang Chai* emoji.

Peach's comment section becomes not only a space where to share childhood traumas, but contemporary gender doubts too. In Art. 2, the comment section of *Peach Talk* is the space where the person who asked the question, reading the different answers, can interrogate herself about what is the reason of her lack of sexual desire for her partner: after many years together and a lot of love, she doesn't feel the necessity or the lure of having a sexual intercourse. Among a great number of reflection, some of *Peach's* followers exposed with humorous replies a doubt that can be useful, for many of the different followers, to the start a self reflection:

Hater

My wonder: putting aside these facts, is there anything wrong with men? [Wang Chai] [Wang Chai] [Wang Chai] (just a joke⁷⁵)

Here the emoji *Wang Chai*, assimilable to the western Doge, relates to the funny tone, that is again underlined by the last "just a joke". Whether it is a joke or not, the doubt itself and the possibility to pose it, read it and think about it can be a useful tool for self understanding.

Last but not least, in another serious article, Art. 13, people share their stories about miscarriage, pregnancy, abortion and fear of pregnancy. The article is the story of *Happening*⁷⁶, a 2021 French movie settled in the '60's about a girl who has to operate a forced abortion after an accidental pregnancy. People in the comments section opened a space where they could let go their sorrow and opinions and could feel in a welcoming environment:

75 Img 12 Textual meme in Art. 8

76 Tranlation of a comment of Art.15.

Zuo Xiaojiu

When you get pregnant unexpectedly and you don't want it, the most annoying thing is that someone comes and says "since you're pregnant you have to birth", "you only have a child anyway, so you have to get a companion for the child", "we'll help you raise it, give birth", "Abortion is murder, you know you are going to be punished?" "This is your fate!" Bah~ I finally gave in, because it was my maiden who came to persuade me [bitter]

Nero, bottle

At 10 weeks, the embryo stopped growing. After an exam, the doctor directly told me that I couldn't keep it. I had to abort [...] Halfway through, I woke up. Who? Who is stirring my stomach? I wasn't fully awake, just half awake. But... It hurt, really hurt, ten times as painful as menstrual cramps, like there was a meat grinder in my stomach stirring, without stopping. I started to try to move. The doctor realized it and I heard her shout, "She's awake, hurry up!" [...] It's been a week since the surgery, and I always dream of that day.

With her articles, like Art.13 about pregnancy, *Peach* is not only selling sex toys and other commodities, but creating the possibility for people in the Chinese environment, where sex talk or personal struggle talk is almost a taboo, to have a public discourse, to share stories and opinions, to spread their vision on difficult and strong realities and have the agency to give that small contribution to the creation of a world where people are more self-aware.

With this, it is concluded the second section of this thesis, where the second subquestion has been answered: the discourse built by and reflected in the comments is as expected mirroring the discourse of the main article to which they respond. As anticipated in the general findings, people who interact by sharing their ideas, emotions and doubts and communicating with *Peach* build a new understanding of the topics. Discourses are usually narrative, but are full of playfulness, respect and will to communicate. After having analyzed *Peach's* discourses and the comment section's discourses, it has been seen that most of *Peach's* articles are echoing neoliberal ideas and marketing strategies that have already been described in Peng's analysis of *Mimeng's* account. This is a kind

of discourse that would contribute to the building of a sexual consumer identity, but the analysis of the comment section has shown how this is not completely true. This is both because *Peach* itself mixes neoliberal discourses and anti traditional and anti Confucian ideas, but even because the audience has the power and the autonomy to be active and to negotiate their own identity and conception of sexuality. The opening of a space of agency in the comment section, created by the interaction with the account and not by *Peach* itself, reflects and participate of a counter hegemonic discourse that can be the starting point for a newly and more self aware conception of sex in China and for a more free and informed ability to speak about sexual topics.

Discussion and Conclusion.

In this research a selected corpus of Peach Says articles have been read, translated, cataloged and analyzed with the intention to identify the possible existence and the extent of an identity creation and sexuality negotiation space in her comment section. To do so Guo's understanding of Chinese Internet and Peng's analysis of *Mimeng's* discourses have been followed. The results of this research demonstrated how *Peach's* account is indeed following a neoliberal pattern, transforming women's self-reliance, sexuality and gender expression as affordable through commodities that can be easily bought on the connected miniprogram *Just Peach*. Her marketing strategies participate in a dominant discourse that shapes other people's bodies and that looks at a lifestyle that is affordable by a small part of the Chinese population, leaving minorities, less affluent people and rural cultures on the side. Although this undeniable truth, *Peach's* use of a certain kind of cryptic and engaging language is a good method to overcome State censorship and talk about topics that otherwise couldn't be touched, even for those people who can't actually be part of the lifestyle by her represented: this online account, free and easily reachable, that speaks in an average simple way, full of images and *bianqingbao*, is distributing a knowledge not found anywhere else, not inside family talks, school classes, health education or common porn. This is why the comment section is indeed flourishing of thoughts, different opinions, confidences, jokes and doubts. From the man asking if there really are many people with a penis of 18 cm of length to the girl that shares her childhood harassment, people are able to reflect and negotiate their body appearance, their understanding of love, their tastes in pleasure; they can process their memories about sexual activities and see their experiences under another perspective.

As it has been said in the methodological section of this thesis, it would be interesting to further study *Peach Says* with an ethnological and anthropological research on the group she moderates. Such a study would emphasize the impact that *Peach* has on the individual and further show differences of reception of her words on people that come from different social backgrounds and gender. It would indeed be possible to have an insight of contemporary chinese culture toward sexuality, feminism and gender ideas.

This research contributes to the exploration of social media. Not only here is expressed the importance to take into account the existence of different kinds of internet, but is indeed strongly suggested that this kind of studies will continue: the possibility to have such a fruitful interaction in an apparently *hostile* dynamic as the one of a e-commerce account in the over censored Chinese internet is an answer to the need to discover new ways of empowerment and agency. This different and precious use of a platform that is commonly and even in this case used to reproduce the power structure can show the way in which it is possible to reuse and renovate spaces of freedom and genuine creativity.

The importance of such a study relies on the necessity to explore new ways to approach and proceed into postmodernity: the western conception around technology and the way the positive and modern western ideology and philosophical concepts relates to reality has led to an economic, political and climatic environment that can be assumed as dystopian and destructive, among whose consequences can be enlisted the anthropocene⁷⁷ itself. From the western point of view, technology is universal and can be applied universally to the whole world: but, as Yuk Hui (2021, 13) demonstrated, at least in China this presupposed idea is false and the “technique” has a different story and a different meaning: nature and culture are one, and the technique itself is related, connected, embedded in the natural environment it was born in. It is looking at different ways of thinking, different uses of technologies, that it is possible to assume new perspectives on the way humanity, or the western part of it, can make sense and interact with the world to change toward a better and more affordable idea of reality and technique. An understanding of the fruitful sexual discussion that is created in the comment section of a sex toys selling account of a Chinese social media can result in a newly formed idea on how it is possible to relate to the e-commerce world differently, how it is possible to create new kinds of identities in a playful way.

Appendix 2: Translation.

Different types of translation have been used for this thesis writing. For some words, like neologisms and playful use of characters to address body parts or other sexual meanings, or even simple repeated online meme/jokes made in this way, it has been decided to transport or leave them in pinyin, the latin characters transliteration of characters' phonetic: as Hui (2019, 37) explains, transliteration is when a word is written according to its sound rather than its meaning. It is frequently used to translate people's names and places, names, as well as several cultural words unique to China. This strategy usually results in a more vivid translation and familiarity by sticking to the original pronunciation and gives the taste of Chinese culture. It is based on the notion of conciseness. The same has been done for acronyms and lonely initials. It has been decided to evidence the presence of an English word in the original text with *Italic*. Common sayings or proverbs and famous internet slang has been literally translated and a note has been added to explain their meaning: this has been done to better reflect Chinese Culture and concepts that are indeed embedded with the use of language. Literal translation is just word-for-word translation. The translator strives to maintain the source language's original form and meaning. It is readable and natural for the target audience on the one hand, and it can also ensure the source language's cultural richness and contribute to the spread of the original culture on the other.

While translating self disclosive sentences have been underlined. Different colors have been used to indicate: the presence of a sexual term or body intimate part term; internet or Chinese slang; commodification of the sexuality; gender defining statements; fidelization statements; addressing.

Legend

Red: sexual terms and body (ENG).

Orange : addressing (ENG).

Blue: commodification (ENG).

Green: fidelization (ENG).

Pink: gender definition (ENG).

Underlined: self disclosure.

Italic: english in the original text.

Yellow: Chinese and internet slang (ENG).

BOLD: relevant sentences from an identity negotiation point of view.

Peach Says: Our journey is to "revive the world of fun".

Peach Says Peach Says

Peach Says | *P e a C H S a Y S*⁷⁸

Fun World Revival Project

Peach Says is a unique and original subculture of pioneering women's ground, dedicated to **advancing public discussion on issues related to gender equality, women's empowerment, and sexuality education**. Here gathers the most independent and softest, most punk and most poetic, most awakened and most eccentric human beings in the whole universe.

We are not obsessed with how to be attractive because **we are the charm itself**, we love all the love and beauty in life but our world is more than that; our body is half philosopher half innocent Smurfs, our journey is - "to revive the world of fun".

We discuss **"gender equality"** and help "women's empowerment", and we wish that all the good qualities may not be put on gender's chains:

- "What's it like being a girl in the most gender-equal country on earth?"
- "The secret of the gender of men and women has been revealed, it turns out that we are all envious of the opposite sex"

We focus on "happening" and dig out the hottest pop culture at the moment:

- "2020 New Sexual Orientation Encyclopedia"
- "Do I want sex? I want to be touched and needed"

We are the "Representatives of Physiological Hygiene Class" loved by fans, urging everyone to make up for gender knowledge:

- "The sex life guide produced by the BBC is the hardest science I have ever seen"
- "I am a girl, and there is no place in my body to be ashamed of".

We "know girls, love girls, and write girls", and we have all the skills of flirting with girls:

- "All Beings in the Public Bathhouse of Female College Students"
- "This woman constitutes 80% of my fantasy of mature women"

We believe in "*shadiào*"⁷⁹, playfulness the most essential pursuit of human beings", and we have opened our brains all the way to the Milky Way:

- "Versailles Quotations on the Bed: "You think I can do it? ""
- "The famous driving scenes in Qiong Yao's dramas in those years, don't let me be blind"

We love this "wonderful and diverse world" where different cultures flow across geographic boundaries:

- "How open is the Netherlands, a pioneer of sexual openness?"
- "Give you a guide to "The Waves" of Sin City Las Vegas"

In addition to the above, we have also been looking for a popular, younger, and mobile-friendly output of topics in non-popular fields such as art, history, literature, and philosophy. We did this to let more people with a lower education be in contact with this knowledge and to let fans be interested in this topic and in the fields behind it thanks to these window articles, and enter a richer world.

We "know history":

- "How wonderful is the sex life of Big big man⁸⁰, the script of the movie dare not to cite it like this"

"Kan Art":

回复

部分男生对待长度的执念可谓是深之又深，已经到了即使是死了，钉在棺材里了，也要在墓里，用腐朽的声带喊出“我 18 厘米”（破音）的程度。

18CM, 男生对自己的高要求

男生对长度的在意，在日常生活中处处可见。

先前网络上曾盛行过一阵子“机”顶盒挑战，参与的男生们纷纷晒出用丁丁顶住机顶盒的照片，企图于无形之间展示自己傲人的长度。

有医生在微博上用“茶壶嘴”形容患者的小兄弟，科普肥胖的男生可以减减肥来增强小兄弟的美观性和实用性，却引来了无数辱骂，甚至还有人往医院打电话要求其删除微博。

今天有几个患者，肚子都像怀了孕似的，小兄弟都像短茶壶嘴儿似的，查体都费劲。

肥胖的男生注意了，尤其是下腹部脂肪比较厚的男生，还是减减肥吧，这样小兄弟还能显得长一点，美观也实用。

当网上曝出美国一位男子在感染新冠病毒后 **丁丁“缩水了”1.5 英寸(约合 3.8 厘米)**的新闻，一众男生纷纷表示“这下真怕了”。

桃子搜集了一些男性网友对自己长度的看法，咱就是说，真滴有非常多兄弟非常喜欢强调“我很长”。

我这 16+ 都感觉自己天赋异禀了，那些人均 18 的太顶了吧！
我 18 厘米我骄傲了吗？不信可以拿尺子来我量给你看。

平时蚕蛹大小，当引蛇出洞的时候，蛇知道不？我就不说多长了，也没必要晒，暂时还没有引蛇出洞的人。

有些女生偶尔会用丁丁长度逗逗自己的男朋友，得到的反馈也都非常有意思。

逗过前任，说他的长度跟我的 MAC 口红差不多(实话实说罢了)，逗完没多久就分手了，他说我 PUA 他 hh

之前谈过一个，刚在一起没几天，接吻的时候他就把我的手往他下面放，还说他巨 long。我提分手的时候说他长度不行，他居然说我刻薄 🙄

第一次和对象亲密接触的时候没忍住，说亲爱的你好像不太长，他默默睡到一边，嘴上呜呜呜说着自己第一次没经验。我(憋笑):宝贝我不是故意的。他(呜呜呜呜):可是你明明就在狂笑啊。

不敢逗男票，因为会戳到他痛处。我喝多了酒的时候安慰过他一次，“没事宝贝你至少还有 XXcm”。

- 图源豆瓣哈组 -

如果你说你男友的颜值有待提升，他也许会依然很自信地觉得自己帅得飞起，可如果你认真地说他长度不行，他可能会泪洒现场一蹶不振。

长度，是身高之外的第二吸引力？

根据统计数据，世界男性丁丁的平均尺寸是平常状态下 9.17cm，**biu**起状态 13.1cm。我国的整体水平暂居平均线以下，是 12.38cm。

网络人均 18+，现实平均 12。这才是常态。

可有的男生会认为女生更喜欢更长的丁丁。在一些约 **pao** 属性极为明显的微博帖子下面，发一张若隐若现长度可见的图成了他们屡试不爽的小把戏。

而在恋爱过程中，部分男生也尝试用“我那里很长”企图从对象身上获取征服感与崇拜感。

如果说女生一点也不在意对象的丁丁长度，那肯定是假的。毕竟男性自己也那么在意。

多少有点在意啊，所以如果我跟一个男生谈恋爱，我会想办法弄清楚他到底长不长。太短的在我这 *pass*。

我不在意长度，甚至觉得太长了不好。只要他干干净净健健康康的知道怎么让我也开心，这就够了。

比起长不长，我更在意他行不行。前任和前前任穿裤子的时候看起来都还不错，结果实战起来完全达咩。我真的怕了。

事实上女生没有男生想象得那么在意大小。有数据显示 85% 的女生对对象的长度都挺满意的，反而有 65% 的男性对自己感到不满意。

如果想建立一段亲密关系，开始之前就说着“我 18cm 诶你要不要试一试”听起来怎么都有点像性骚扰。如果开始亲密关系之后，在女友面前为自己的长度而过分洋洋得意，这样怎么听也怎么不讨喜吧？

男生为何如此在意自己的长度？

之前网传的拿捏手势👉就因为暗示这**你牛子小小**而引来群男跳脚。因为在部分男性看来，丁丁长度不够会没有男子气概，没有吸引力，这非常影响他们的自信心。

一方面，这与男生们从小接触的性知识不够有关。

男生们对丁丁的认知大多源于看片或是身边的亲友，片子里个个 18 公分的丁丁让他们失去了正确的认知。不知不觉中产生了“只有我很长，才能更受欢迎/才会不落后于别人”的错觉，陷入了焦虑之中。

@匿名靓仔：我初中开始看小黄片的时候，发现别人好像都比我大。当时就觉得很尴尬，上厕所时也会不太好意思...主要是它在平时状态下简直太小了。

男朋友以为我说他短，然后生气了，怎么办？

- 图源豆瓣生活组 -

另一方面，是他们从小接受的男性气概在作祟。

“更大更长”就会“更厉害”，丁丁的长度成了男性自我认知的一环。加之长久存在的人类社会的生殖崇拜，此种刻板印象一直伴随着男生们长大，靠着自欺欺人尺在伴侣面前展现自己的魅力成了他们雷打不动的保护色。

跟长度对比，其实硬度、粗细程度更重要。吹嘘长度没意思，脱掉裤子你几斤几两还不真相大白？吹嘘只会暴露一个人自卑有余而两性知识不足。

只要健康，长度焦虑没必要。咱也不能期待反科学的后天二次发育不是？

@匿名靓仔：学习了关于长度的一些知识后意识到我确实不大。一开始我不太愿意承认，跟女孩交往的时候也会像片里一样问“长不长”“大不大”之类的，后来慢慢学习了一些技巧，稍微不那么在意了，比起前两个问题，我更在意的是过程中双方是否都愉悦。

当然，一场好的性体验可不是动动嘴巴说“我 18cm”就能达成的，还得有投入、有技巧、有情感的交流与共鸣。

祝全天下的男生都不再有“18cm”焦虑, 过上性福生活。

我不焦虑丁丁长短，倒是有点焦虑蛋蛋大小

LL 14

女性阴道口神经也就 4 厘米，也就是说只要丁丁大于 4 厘米就可以了。也就是说比起长，粗更重要。还有就男性肥胖，越胖越短。我做临床时，有的时候要翻山越岭去找丁做检查。太的丁丁有时候，女上位，太痛不舒服。

庄亚欧 5

以前很在意…现在不怎么在意了…因为也没啥秘密了吧…而且我觉得，现在各种各样的情趣用品比长度更有用吧…

关键还是得看女孩子自己怎么看待这件事…

我在洗温泉的时候，就见到一种特别奇怪的现象…

就是比较大的男的一般就不会用浴巾遮住下体，走路的姿势也看起来趾高气扬的…

然后小的就喜欢遮着走路…

我也不喜欢遮…不是说大，而是感觉别别扭扭的…因为国内的澡堂都不讲究这个的…

而且，我他么一直觉得，要遮就大家都遮…

毕竟把下体露出来对着别人确实不太礼貌…

那为啥我觉得遮下体的原因是这个呢…

因为我在泡温泉的时候见过几次白种人…

人家的够大吧…但人家是遮着的…

所以…仁者见仁吧

👉👉👉 4

我一直很苦恼的一点是，我长得属于很清秀的那种而且身材比较瘦，而实际上我有 17cm。很多女生通过外貌看 就主观认为我瘦 **所以👉也一定很小**。但是经历过的前女友加一起也有几十个了，用过的都说好，但是问题是…你没法在认识一个人在彼此没有了解之前就证明你足够大。反而是很多女生说：你越是没有什么，就越在炫耀什么。

墨绯 4

看小说的时候有一个巨离谱的设定，男的 30cm 多。。然后我就弃文了

安琪拉一米八 4

之前看过医生的科普说，一般 5-8cm 对女生来说就已经足够了，再长的长度也是多余。有些男生明明已经高出平均水平了，但还是觉得自己不够 18 而懊悔...明明长不长这事应该是由平均水平来判断 而不是和固定数字比吧 😊 😊

我亦是我你是谁 4

长有毛用，其他的東西一無所有，又不能去加勒比海晒太阳！又没有别墅靠海

Even if a boy forgets his name, he will not forget his 18cm

Original Peach Says Peach Says 2022-02-18 08:17

Peach released a video about "Ding Ding Size Popularization" this month, introducing some data about Ding Ding.

- Station B @ Peach talk about -

Regarding the old problem "how big is his thing", the most popular comments in the comment area gave the standard answer -Isn't it the same as the girls' age? Ask and the answer is always 18-

Some boys' obsession with length can be described as deep and profound, to the point that even if they are dead and in a coffin, they have to shout "I am 18 cm" (broken voice) in the tomb with their decayed vocal cords. 18CM, boys have high requirements for themselves. Boys' concern for length can be seen everywhere in daily life.

The "shampoo box" challenge has been popular on the Internet for a while, and the boys who participated have posted photos of holding the shampoo with their penis in an attempt to show their proud length.

Once a doctor described the patient's little brother as a "teapot mouth" on Weibo, popularizing the fact that obese boys can lose weight to enhance the beauty and practicality of their little brother, but doing so the doctor attracted countless angry replies, and some people even called the hospital to complain about it. The doctor finally deleted his Weibo.

When it was revealed on the Internet that a man in the United States had "shrunk" 1.5 inches (about 3.8 cm) after being infected with the new Coronavirus, a vast group of boys shared "I'm really scared now".

Peach collected some male netizens' opinions on their length. Let's just say, there are many brothers who really like to emphasize "I'm very long".

| My 16+ people all feel that they are very talented. Those who are 18 per capita are too good!

| I am 18 cmm am I proud? If you don't believe me, you can take a ruler and let me measure it for you.

| Does the snake usually know the size of the silkworm chrysalis when the snake is led out of the hole? I won't say how long it is, and there is no need to bask in it. For the time being, there is no one who leads snakes out of their holes.

Some girls occasionally tease their boyfriends with penis length, and the feedback they get is very interesting.

| I teased my ex and said that his length is similar to my MAC lipstick (to tell the truth), and broke up not long after teasing, he said I was **PUAH** he hh

| I talked about one before, just a few days after we were together, when we kissed, he put my hand under him and said he was huge. When I broke up, I said his was not a good length, but he replied that I was mean.

| I couldn't hold back when I was in close contact with the object for the first time, saying "you don't seem to be too long", he slept silently on the side, whispering that he was inexperienced and it was the first time for him with me. Me (laughing): Baby, I didn't mean to. He (woo woo woo): But you are obviously laughing wildly.

| Don't dare to tease the man, because it will poke his weak spot. I comforted him once when I drank too much, "It's okay baby, you have at least XXcm".

If you say that your boyfriend's appearance needs to be improved, he may still feel confident that he is handsome, but if you seriously say that his length is not good, he may cry on the scene and collapse.

Length, the second attraction after height?

According to statistics, the average size of male penis the world is 9.17cm in normal state and 13.1cm in **biu** (erection) state. The overall level of my country (China) is at the moment below the average line, coming to 12.38cm.

The average person on the Internet is 18+, and the average in reality is 12. This is the norm.

But some boys will think that girls prefer longer penis. Under some Weibo posts with very obvious **pao** attributes, posting a picture with a looming and visible length has become their tested trick.

In the process of falling in love, some boys also try to use "I'm long there" in an attempt to gain a sense of conquest and admiration from showing the object.

If it is said that girls don't care about the length of their partner's penis at all, it has to be false. After all, men themselves care that much.

I care a little bit, so if I'm in a relationship with a guy, I'll try to figure out whether he grows or not. Too short for me is *pass*⁸¹.

I don't care about the length, I even think it's bad if it's too long. As long as he's clean and healthy and knows how to make me happy too, that's enough.

I care more about whether he can or can't do it. Both the ex and the ex-ex looked good when they were wearing pants, but they turned out to be totally dreadful in actual **combat**. I'm really scared.

In fact, girls don't care about size as much as boys think. Statistics show that 85% of girls are quite satisfied with the length of man's objects, while 65% of men are dissatisfied with themselves.

If you want to build an intimate relationship, saying "I'm 18cm, do you want to try it" before you start sounds a bit like sexual harassment. If after starting an intimate relationship, you are too complacent about your length in front of your girlfriend, it can be unpleasant to listen to it?

Why do guys care so much about their length?

The pinch gesture  that was circulated on the Internet before attracted a group of men to jump up because it implied that "**you have a small niu, (lit. cow)**". Because in the eyes of some men, the lack of penis length is enough to be unmanly and unattractive, which greatly affects their self-confidence.

On the one hand, this is related to the lack of sexual knowledge that boys have been exposed to since childhood.

Most of the boys' cognition of **Tintin** comes from watching the yellow films or their relatives and friends. The 18 cm Tintin in the film makes them lose their correct cognition. Unconsciously, they have the illusion that "Only if I am very long I can be more popular / if I am not I will fall behind others", and they fall into anxiety.

@Anonymous Liangzai: When I started watching pornographic films in middle school, I found that everyone else seemed to be older than me. I felt embarrassed at the time, and I was embarrassed when I went to the toilet... Mainly because it was too small in its normal state.

On the other hand, this is the kind of masculinity that they have been taught since childhood. "**Bigger and longer**" will be "more powerful", and the length of the penis has become a part of **men's self-cognition**. Coupled with the long-standing reproductive worship in human society, this stereotype has been accompanied by boys growing up, and relying on self-deception to show their charm in front of their partners has become their unshakable protective shade.

Compared with length, hardness and thickness are more important. It's boring to brag about your length. Take off your trousers and how many centimeters are you? Boasting will only reveal that a person has more than enough self-esteem and lacks knowledge of both genders.

As long as you are healthy, length anxiety is not necessary. We can't expect the second development of anti-science soon, can we?

@Anonymous Liangzai: After learning some things about length, I realized that I am really not big. At first, I was reluctant to admit it. When I was dating a girl, I would ask "is it long",

81 Img. 4 Extract from *Peach Says* introduction article.

"how big" and so on like in the film. Later, I gradually learned some skills, and I didn't care that much. Between the first two questions, I am more concerned about whether both parties are happy during the process.

Of course, a good sexual experience is not something that can be achieved by saying "I'm 18cm", but also requires devotion, skill, and emotional communication and resonance.

I wish all the boys in the world will no longer have "18cm" anxiety and live a happy life.

In fact, 15cm is not too short for **biu**, and only 1% of boys will reach 18cm. I have had the opportunity to compare with many people, 16cm is the largest I have ever seen in real life.

Seeing that the per capita **biu** is 12cm, and thinking that the other person is as long as my phone, it doesn't seem to be very long... After checking, it turns out that 12cm is so short... I don't know much.

I'm not worried about the length of the penis, but I'm a little worried about the size of the balls.

LL

The female vaginal orifice nerve is also 4 cm deep, which means that as long as the penis is longer than 4 cm, it is enough. That is to say, it is more important to be thick than long. There is also male obesity, the fatter the shorter. When I was doing clinical practice, sometimes I had to go over the fat mountains to find **Ding** for examination. Too much **Tintin** Sometimes, the female upper part is too painful and uncomfortable.

Seeing what some girls say “doesn't matter what size, love and skills are the most important”, and those who advertise that independent women and boys don't need such dowry, I feel almost the same [laughing]. Even if I don't need it, I like the ones with obvious male characteristics, and the skills can be learned.

Xiaohe classmate ☹

Hahahahahahahahaha xswl 🤔 (LMFAO)

sussie ☹

Skills can be practiced, hardness is really important, too short is really not good, 16 or above is qualified, you can't ask everyone to be 18. Too short... really... can't stand it.

Outer hard and inner tenderness

I'm a little big, please bear me. Double pressure

Zhuang Yaou

I used to care about it... I don't care much now... Because there are no secrets... And I think all kinds of sex toys are more useful than the length...

The key is to see how the girl thinks about it...

When I was in the hot spring, I saw a very strange phenomenon...
Even older men don't usually cover their lower bodies with a towel, and they look arrogant when they walk...
Then the little ones like to cover their walks...
I don't like to cover up either... I'm not saying it's big, but it feels awkward... Because domestic bathhouses don't pay attention to this...
Moreover, I always feel that if we want to cover it, everyone should cover it...
After all, it's really not polite to show your lower body to others...
So why do I think the reason for covering the lower body is this...
Because I've seen Caucasians a few times while soaking in hot springs...
It's big enough... But it's covered...
So... the benevolent see benevolence [呲呲]

One thing I've always been worried about is that I'm a very handsome type and I'm relatively thin, but in fact I'm 17cm. Many girls subjectively think I'm thin based on my appearance, so [red hand icon] must also be very small [cover face]. But there are dozens of ex-girlfriends who have experienced it, and they all say that it is good. But the problem is... You can't prove that you are good enough before you know someone, before you know each other. Instead, many girls said: The less you have, the more you show off.

Mo Fei

Once I was reading a novel, there was a great and outrageous setting, then the male was more than 30 cm. .. Then I gave up (on reading)

Angela one meter eight

Science said that generally 5-8cm is enough for girls, and the longer length is redundant. Some boys are obviously above the average level, but they still feel that they are not 18 and regret it... Obviously whether they are long or not should be judged by the average level, not by comparing with a fixed number 😊😊

I am me who are you

The only thing you can do is growing long hairs, nothing else. It is like going to the Caribbean Sea and not be able to bask in the sun! There is no villa by the sea [cover your face] [cover your face] [cover your face]

Liu Sanjie who rides the wind and waves

I'm dying of laughter, boys are really like this, just like girls if they don't look young. Girls care more about looks, boys care more about length. It's a pity that I don't dare to forward it [laughing] [laughing] [laughing]

singing loudly

Strong men are hard to find, eggs are fragile

Nanzhou

Hahahahaha I really don't want to miss any of the pictures in here

Ziming

I feel that writing about men will be fun and playful.

和男朋友在一起一年多了, 我越来越发现我不想**发生性生活**了。每次男朋友想发生什么, 我就拒绝。就是觉得滚床单好累, 还不如两个人呆在一起看看电视聊聊天。我俩之前性生活也蛮和谐的, 而且我以前是个巨爱过性生活的女子啊! 不过我在此之前也没有过这么长久的恋爱关系。所以我就担心我这样是不是因为我俩关系当中存在什么问题, 还是说单纯的工作太累, 或者是情侣在一起久了就是这样。

我觉得是不是你们的性生活不大和谐, 性满意的话双方都有动力去做。我恋爱也一年多, 也是最长的一段感情, 性频率不高, 但是感受都挺好。

波记 21

两个人都在吃快餐，吃久了，就会有这种感觉。
建议更换口味。

暨俊英~泸州老窖 19

你就想换个男人身体出轨吧，性和爱是可以分开的

Suki 17

这激情褪去得太快了吧，和老公在一起快三年还是激情满满呀~不过我们呆一起的时间不多，周末夫妻

猫叔叔 13

一年多。。

庄周的蝴蝶 7

那个说想换个男人肉体出轨的，你就是个屑

瓜崽子 max 7

我感觉两个人可能都有问题，尝试一些新事物或许对你们鼓掌有帮助呢，比如久违的化一次妆，穿一些露露的衣服，一起出去旅个游，一起出去约个会，一起去吃好吃的，有条件的话还可以去住一晚情趣酒店，或者一起看片探索新姿势，最大原因可能就是你们新鲜感没提起来

sorella 7

同居一年是这样的啊……看看性学报告就知道了，全球的夫妻性生活都是这样的，激情本来就只有8到24个月啊，这是有科学根据的啊！不是你的问题 or 男性的问题。当然例外肯定有。如果几个月都没有一次性生活，那是不太正常，可能压力太大了……如果几年没有，考虑离婚。

平安喜乐 6

评论区那个泸州老窖是男生吧？狭隘的思想

庄周的蝴蝶 3

我也是的，谈恋爱时候有时候就想窝在一起刷刷剧什么，但是男的却总想啪啪，久而久之就觉得特别烦，感觉他根本不关注精神需求

WoW 3

感觉主要是前戏没那么有感觉了。一开始摸摸手都心砰砰跳

橘白 3

我也一样。区别是我的恋爱时长更久

吱昂张 3

我们谈恋爱四年半，结婚 8 个多月，感情也很好，他还是能保持跟之前一样的频率两三天一次或者有时候一天一次，但是我也发现我最近觉得没啥意思了，还不如亲亲抱抱聊聊天，下一步就免了吧

迷穀。2

我也是……其实大部分女生更喜欢两个人一起相处的时光吧。在家搂着看看电视，聊聊天，一起做点什么。比起直接 papa，更喜欢搂搂抱抱的亲密接触。

贩卖漂亮眼珠的小姐姐💖2

赞同万里同志的观点，我已婚，生玩孩子就激素出问题，不想。建议姑娘去查查激素六项，看看自己气血怎么样。

换姿势和道具是一切问题的解决方式

黄益范 2

一般这样是两人的感情不深，反正我觉得要是有爱，不管一起时间多长，都是有激情的。

Helen 只上课吃饭写作业 2

可以理解哈哈哈哈 做是真的累 人是真的懒

羊肉卷 2

一年多了 也算熟悉了 可以好好聊聊 不要不好意思(实在不好意思 喝点小酒 微醺的时候聊)看看哪个环节出了问题

十里长街春风楼 2

要是平时在一起相处舒服彼此默契我觉得不成问题，激情总是会褪去的。我觉得激情一褪去也就没那么容易上火

我也是这样，其实是一个很喜欢性的人，和男朋友也很和谐，但是最近越来越不想了，可能是对于他和女生暧昧的事耿耿于怀，然后累了，互动也少了没那么喜欢了，但是你还想和男朋友说说话，我现在一句话都不想说了，可能是你太疲惫了吧

Taodong | Is it normal to lose sexual passion with your boyfriend after being together for a long time?

Taozi will choose some topics to put on Taodong,

Then initiate a topic poll,

And mobilize everyone to discuss it together in the comment area.

Taodong may solve your worries

- This issue of Taodong -

I've been with my boyfriend for over a year now and I'm finding more and more clear that I don't want to **to have sex** anymore. Every time my boyfriend wants something to happen, I say no. It just feels so tiring to roll in the sheets, so why not just stay together and watch TV and chat. Our sex life was pretty harmonious before, and I used to be a woman who loved sex! But I've never been in a relationship this long before. So I'm worried now that I'm like this because of some problems in our relationship, or simply because working is too tiring, or it is because we as a couple have been together for a long time.

A year is not a long time, after a year I still want to **[bitter] [bitter] [bitter]** every day. It depends on the mood of the two of you, love sometimes needs a little bit of preoccupation: give him the feeling of a crysis. **It depends on who you are basically, if you are cute be cute, if you are pathetic, be pathetic. Act childish.**

super hungry turkey noodles

It may be that the two of you feel stereotyped together. If you want new excitement, you can find an imaginary rival to be a little mad at him. Or do some other romance and surprises, and the atmosphere will come up. Of course, if you don't like having sex don't force yourself to cater to your boyfriend.

I think it's because your sex life is not harmonious. If you are sexually satisfied, both parties are motivated to do it. I have been in love for more than a year, and it is also the longest relationship. The frequency of sex is not high, but I feel good.

I feel that both of you may have problems. Trying some new things may help you care more, such as putting on makeup after a long time you don't, wearing some Lulu clothes, going on a trip together, going out on a date together, going out to eat together. It's delicious. If possible, you can stay in a love hotel for one night, or watch movies together to explore new poses. The biggest reason may be that you haven't tried the freshness.

sorella

Cohabitation for one year is like this... Just look at the sexology report. The sex life of couples all over the world is like this. The passion is only 8 to 24 months. This is based on science! Not your problem or men's problem. Of course there are exceptions. If you haven't had sex for a few months, it's not normal, maybe it's too stressful... If you haven't in a few years, consider a divorce.

让女孩们欲罢不能的肢体接触有哪些？

Original 桃子笔记 桃子笔记 2022-02-24 08:18

疯狂热爱肢体接触？一天不**贴贴**就浑身难受？**你不是一个人**！！！其实每个人都有一定程度的肌肤饥渴症，因为人的本质都是渴望被爱抚，被温柔触摸的嘛。

昨天和**姐妹**聊天，我俩交换了彼此最爱的肢体接触动作，从礼节性接触，到深度交互，**贴贴**，真的就是我们的第二种爱的语言啊！毕竟有很多言语无法表达的爱意和深情，可以通过**拥抱、亲吻、深度贴贴**展现。今天就想跟大家唠唠，女孩子们最爱哪些肢体接触？

1.暧昧友人时期：
暧昧期，简称“**友达以上，恋人未满**”。此时，不经意的肢体接触最为撩人。玩密室、恐怖片，**牵牵衣角，拽拽衣袖**。下雨天共打一把伞，操场散步时**贴贴肩膀**。

第一次约会看电影，吃同一盒爆米花时**不经意碰到的手手**。第一次坐**ta**的摩托车后座，**搂腰搂背两件套**。暧昧的若即若离，体现在肢体接触上自然也是小清新自然风，像一杯阳光下的白开水，温暖又清甜~

2.恋人初期
确认关系后，可以尽情拥抱啦！纯素的拥抱还不太够，加之“**色色**”的前戏，亲密度拉满！

亲亲！恋爱不能没有亲亲！

恋爱初期，是人们最痴迷于吻的时期，嘴唇的触碰柔软又缠绵，浅尝辄止的啾啾，火热深情的法式舌吻，一切都新鲜而欲望饱满，大概这就是爱的魔力吧~

轻轻抚摸恋人的**脖子或耳朵**，直视对方的眼睛，让 ta 在炽热的眼神与同样炽热的体温中欲罢不能。各种方式的**拥抱**，树懒抱、公主抱、壁咚抱、八爪鱼抱…不同的姿势，同样的心跳声~

3.老恋人时期

桃子采访了身边一些恋爱三年以上的情侣，在性生活中大家普遍存在新鲜感不足，体验单一的现象。当激情褪去，剩下的都是习惯与依赖的余温。

人类的本质是**喜新厌旧**。单一的男女活塞运动，非但不会“日”久生情，还有可能会因为对彼此太熟悉，失去探索欲。

有时候不要说深度交流了，就算是在床上面对面抚摸一下对方，都会产生如左手右手般的兄弟感。暧昧与热恋期的脸红心跳，终究随风飘散了…

打住！怎么可以！没有激情的爱就像一盘散沙，才不要年纪轻轻就过无性生活嘞！男同胞们，不要再“埋头苦干”啦！这里有一些桃子精心总结的氛围升温 tips，快来领取：

试着出门过夜时**随身携带一小瓶香氛**，选她喜欢的味道，或者简单干净的皂香味就好，记得不要喷太多，锁骨，手腕，耳后这三点就足够。

试着选一款对方喜欢的**果酱/巧克力酱**，**涂抹**到她的某一处，**舔舐**干净。

试着**不关灯**，在灯光下看着对方眼睛里的**你**，让爱意升温。
 试着用绑带蒙住眼睛，或是用静电胶布拴住手足，体验**剥夺感官、行动受限**的羞耻刺激。
 试着**解锁更多色色地点**，沙发上，浴室镜前，书桌上，甚至是餐桌上。当然，一起出去旅游，体验当地特色民俗也是增加新鲜感的有效方法。

试着用小玩具辅助，来一场**“赛博朋克式身体探索”**，平日里因为忙碌、焦虑、过度熟悉而忽视的敏感点和愉悦密码，都可以在这里得到满足！

噔噔！桃子这就来献宝啦，这款本桃的近期爱用**“Zalo 情趣笔”**，绝对是重燃激情的大法宝！

它让桃子第一次感觉到对自己身体的“陌生”，原来还可以有这么多**新鲜的玩法**，原来不同的快感可以在**简单的切换**中随意调控！
 而对于那些苦于失去对彼此新鲜感的老恋人来说——效果显著，一夜回春~

01

一根更比四根强

这可不是一支简单的笔！
它可是有**三个“小帽子”**的“换装大户”
在传统震动棒之余，
它还有圆球头、莲花头、细入体三种附带功能
一根更比四根强(bushi)

— 桃子实拍 盗图必究 —

其中 桃子 zui zui 爱的就是**圆球头**啦
第一次使用的时候桃子还没完全和它“**坦诚相见**”
但即使隔着布料
也能被一阵阵“电流”激得**脚趾发麻**

精准触及愉悦开关
一不小心又要洗床单了(捂脸)

— 球球打圈圈 —

缴械投降后桃子发现
这才开的**一档**！
虽然小球的速度并不快
却非常**精确地击中**了关键部位
隔着布料 摩擦增加
更是大大挑战着耐受性

然而这才是情趣笔的第一种玩法

02

拯救平淡期 玩出新花样

想象一下，在又一个平平无奇的夜晚
你和伴侣四目相对，迎来默契的寂静
而这次，却可以在情趣笔的加持下
迎来久违的新鲜劲
莲花头用来**全身调情**
刚洗完澡的皮肤温软而滑腻

莲花头略带触角的设计狂野又可爱
四处游走, 处处惹火
不放过任何一个敏感的角度~
耳垂、脖颈、红樱...
空气中都是躁动的暧昧因子啦
情绪点燃 已成功!

前戏继续 接下来**瞄准小豆豆**
豆豆是女孩们最敏感也最娇嫩的地方
不仅要大胆进攻
也要做好温柔保护
高频率马达 软橡胶加持
小圆头就是“攻下”豆豆的大功臣!
用它来刺激这里再合适不过啦~
小巧的身形
圆润的设计
轻轻覆盖 就能让秘密花园**涌起海浪**
如果再尝试**加大力度**
(有八种震动频率哦)
反正桃子是没撑过一分钟(瘫)
前戏结束惹
房间里的氛围也不一样惹!
这时候就要派上我们的第三个替换帽子:
细入体式!
看到它**微微上翘**的脑袋了吗?
这就是情趣笔的**“精准把控”**!
把笔头轻轻送入体内 调整好姿势
按下开关 电流席卷
“春潮”的奥义 **你**秒懂了嘛?
而且因为它**适度的尺寸**
即使是经验很少或者很久没有 do 的女生
也可以**很快适应**~
此处应有桃子姐妹的 reaction:

- 用户反馈 -

最后的大招就是情趣笔另一端的粗入体啦~
粗入体就是传统好用
简单粗暴地介绍一下
尺寸优秀
震感强烈

- 桃子实拍 盗图必究 -

说到这里桃子也有些眼花缭乱了
真的, 真的有好多功能啊!
可以说是**买一抵四**
每个对性生活有改变欲望和更高要求的宝
都该来亲身体验一下它的威力!
你一定会感叹——

“桃子诚不欺我！”

Plan for the revival of fun all over the world.

Crazy in love with physical contact?

Feeling sick all day without sticking with someone?

You're not alone!!! In fact, everyone has a certain degree of skin hunger, because **the essence of human beings is to want to be caressed and touched gently.**

Chatting with my sisters yesterday, we exchanged each other's favorite physical contact actions, from **courteous contact, to deep interaction, and cuddling, which is really our second love language!**

After all, there are a lot of kinds of love and affection that cannot be expressed in words, which can be shown through hugs, kisses, and deep physical interaction.

Today I want to chat with you: what kind of physical contact do girls like most?

1. The period of **ambiguous friends:**

Ambiguous period, referred to as "more than friends, less than lovers". At this time, casual physical contact is the most provocative.

Playing escaping rooms, watching horror movies, pulling the corners of the clothes, pulling the sleeves. Use an umbrella on rainy days and stick it to your shoulders when walking on the playground. Watching a movie on a first date and accidentally touching

hands while eating the same box of popcorn. For the first time, I sat on the back seat of my motorcycle, hugging his waist and or his back.

The ambiguity is reflected in the physical contact, which is naturally a small fresh and natural wind, like a cup of boiled water in the sun, warm and sweet.

2. The early days of lovers

After confirming the relationship, you can hug as much as you like!

Simple hugs are not enough, coupled with the "sex" foreplay, the intimacy is completed! dear! Love cannot be without a kiss! In the early stage of love, people are most obsessed with kissing. The touch of the lips is soft and lingering. A shallow taste of stamp kiss, a fiery and affectionate French tongue kiss, everything is fresh and full of desire, probably because of the magic of love. Gently stroke your lover's neck or ears, look directly into each other's eyes and let them be addicted to your fiery eyes and the same hot body temperature.

There are many types of hugs, the sloth hug (like a sloth hugs a tree), the princess hug (like the marriage hug), the hug at the wall, the octopus hug (you hug someone both with arms and legs)... Different positions but same heartbeat.

3. The old lover period

Taozi interviewed some couples who have been in love for more than three years. There is generally a lack of freshness in their sex life. At first glance, it looks like a single life. When the passion fades, what remains is the residual warmth of habit and dependence.

Human nature is to love the new and hate the old. Many days before could pass a **single piston exercise** between men and women and maybe because they are too familiar with each other, they lose the desire to explore.

Sometimes not to mention deep communication, even touching each other face to face on the bed will create a sense of brotherhood like the left hand touching the right hand. The blushing and heartbeat of the ambiguous and passionate period finally drifted away with the wind...

Stop! How could this be! Love without passion is like a disaster, **don't live a sexless life at a young age! Guys, they don't "work hard" anymore!** Here are some tips for warming up the atmosphere that Peaches have carefully summed up, come and get them: **try to carry a small bottle of fragrance with you when you go out overnight, choose the scent she likes, or a simple and clean soap scent; remember not to spray it too much, three doses on the collarbone, wrist, and behind the ear are enough. Try to choose a jam/chocolate sauce that the other person likes, spread it on a certain part of her, and lick it clean. Try not to turn off the lights, look at each other's eyes under the lights, and let the love heat up. Try blindfolding your eyes with bandages, or tying your hands and feet with static tape, and experience the shameful stimulus of depriving your senses and limiting your movement. Try to use small toys to assist, come to a "cyberpunk-style body exploration", the sensitive points and pleasant passwords that are usually ignored due to busyness, anxiety, and over-familiarity can be satisfied here! Dengdeng!** Taozi is here to present a treasure to you. **This Taozi's recent favorite "Zalo Fun Pen" is definitely a magic weapon to rekindle passion!** It made Taozi feel "unfamiliar" to her body for the first time. It turns out that there are so many fresh ways to play, it turns out that different pleasures can be adjusted at will in a simple switch! And for those old lovers who are suffering from losing their freshness to each other - the effect is remarkable, rejuvenating overnight~

01 One is stronger than four

This is not a simple pen! It is a "big body" with three "small hats". In addition to the traditional vibrator, it also has three additional functions: round ball head, lotus head, and thin stick.

One is stronger than four (bushi)

Among them, peach more than anything loves the ball head. The first time it used it, peach wasn't giving it "the full of herself", but even through the fabric you can also be stimulated by bursts of "current" that will make your toes tingle. Touch the pleasure switch with care and if you won't pay attention you'll have to wash the sheets again by accident.

(covers face) (the emoji)

After being disarmed and surrendered, Taozi found out that this was just the first gear! Although the speed of the ball was not fast, it hit the key part of her body very accurately. The friction increases through the cloth and becomes a great challenge to tolerance. However, this is the first way to play with fun pen.

2 Rescue the dull period and play new tricks

Imagine another unremarkable night where you and your partner meet each other's eyes and usher in a tacit silence. But this time, with the blessing of the fun pen, we can usher in a long-lost freshness.

Use the lotus head for a full body shivering. The skin that has just taken a bath is soft and smooth, and the design of the lotus head with small tentacles is wild and cute. Wandering around, making fire everywhere. Do not let go of any sensitive corners~ Earlobes, neck, red cherry blossoms (nipples)...

The air is full of a turbulent scent of stimulation. Mood "Ignition" is fully operational!

The preliminaries continue: next aim the clit. This is the most sensitive and delicate place for girls, do not only attack boldly. Be gentle and protective. High frequency motor, Soft rubber support... The little round head is the hero who "conquered" the clit!

It is more appropriate to use it to stimulate here~ small body, sleek design. Just gently covering can create waves in the secret garden and then you can even try harder (There are eight vibration frequencies)

Anyway, the peach didn't last a minute (paralyzed)

Foreplay is over. The atmosphere in the room is also different! It's time to put on our third hat: Get into the pose!

See its slightly upturned head? This is the "precise control" of the fun pen! Gently put the pen tip into the body and adjust the posture. Press the switch, the current sweeps. Do you understand the profound meaning of "Spring current (Squirting)"? And because of its modest size even girls who have little experience or have not done for a long time can also get used to it quickly~

Here should be the reaction of the peach sisters: the last big trick is the rough body at the other end of the pen~ Boldness is traditional and easy to use. Brief introduction. Excellent size. Strong vibration.

Speaking of this, Peach is already a little dazzled. Really, really has a lot of functions! It can be said that if you buy one, you get four. Every sex life has to treasure the desire of change and many curiosities. Come and experience its power by yourself! You will be amazed-

"Peach, don't deceive me!"

大家晚上好
最近桃子收到了这样一条粉丝留言

👤: 我性经验比较少, 男友想和我进一步发展, 并保证 **蹭蹭不进去**, 他说只要没有进去就不算性行为, 我可以相信他的话吗?

屏幕前的姐妹们
你们有没有觉得这些话很熟悉?
有多少女孩是被这些 **渣男语录** 给套路了
因为缺乏经验、心软
败给了渣男

按照这位粉丝的话
我大概可以猜到接下来的剧情走向:
男生恳求、女生心软
我就蹭蹭不进去
蹭蹭后男生说 **“我就进去不动”**
接着爆发前发现没有套套
两周后女生怀孕

今天我就来带大家盘点那些《床上渣男鬼话》分享给你姐妹，谨防受伤害！

1.我就蹭蹭不进去💕

这句话简直就是经典中的经典我们就假设这个男生不会得寸进尺
只是蹭蹭不进去的前提下

（女孩们给我竖起耳朵听！）

看黑板啊

男生的**小弟弟**并不是只在biu的时候才会有小蝌蚪男生在兴奋状态下
尿道口会分泌**前列腺液**这个液体内含有少量小蝌蚪只要接触到女生的Y部
就有怀孕的可能
什么蹭蹭不进去

只要不带套接触就有风险！

2.biu 之前我拔出来💕

真的是鬼扯！

首先1中我已经陈述过了
前列腺液中含有小蝌蚪非常不安全
其次

男生真的可以那么精准
刚好在biu前拔出来吗？
这个关键的时刻

稍有不慎就容易爆发在Y道内

而且医生表示
体外射精的避孕失败率高达**27%**
非常不推荐

3.前七后八安全期💕

安全期可以大胆为爱鼓掌？

NO！

实际上在医学界
并没有绝对的“安全期”

排卵非常容易受到外界影响
环境、气候、情绪、健康状况等
极其不安全

所以**无论什么时候有性生活**

都要做好安全措施

只要私处之间无套接触
就一定有怀孕的风险！

我建议女孩子们也要储备安全套
在性生活中自主一些
绝对不可以给渣男机会

👤：“可以体外 *biu* 吗？我忘记买套了”

👤：“没关系，我有～”

所以我顺便给大家分享一款

“专为女性设计的套套”

最近用它的频率非常高

虽然说是为女性设计

但男票说他的感受也 hin 好～

又滑又润又薄

👉 👉 就是这款 👉 👉

| 羞羞哒水光套 003 |

-桃子实拍 盗图必究-

我比较偏爱它的几点就是
很润很滑，使用感受很棒不会疼
很薄，安全刺激
不油腻好清洗~

桃桃优选

羞羞哒水光套 003 玻尿酸润滑补水 天然乳胶安全套避孕套不油腻

Mini Program

Q1
水润不油腻 超棒体验感

这只套套给我的体验感
 最直观的就是两个字

“好润！”

它里面添加了 1000mg
 足量的**玻尿酸润滑液**

怪不得那么润
 摸一下，手指上就满满都是精华
 简直让人**纵享丝滑**~

-真的敲滑~-

滑滑润润就很情趣啊！
 滑着滑着~就不小心暴风雨啦

而且添加了玻尿酸精华
每次爱爱
我们的私处相当于做了一次补水 spa

-摸起来太爽了-

同时这玻尿酸润滑液是**水溶**的
非常**清透不油腻**
事后用清水一冲就掉了
完全没有油膜感~
男友也觉得非常舒服方便

PS:如果你是第一次
建议使用润滑液多一些的套套
滑一点的真的不会很痛~

Q2

超薄超带感

其次我很爱的一点
它真的**很薄!**
薄到有时候我甚至以为忘戴套了
003 真的太香了吧~

-真的好薄!-

羞羞哒这款薄到什么程度呢?
即使戴上
他的温度, 他的每一寸凸起
都能完全感受得到
在运动中也十分贴合
双方的快感完全不会被阻隔

-好 chi 激-

“太薄了不会容易破吧?”
当然不会啦
这只套套真的**好耐造**

用指甲刮

用力扯

都完全没有任何一丝丝破损
也是让我们的快乐生活
多一层**安全保障**！

Q3

小细节满满

这款套套是圆形包装
明显的小齿口特别好撕
快乐运动时
再也不会因为撕不开套套而尴尬

-给大家表演一个一秒撕套套-

我真的超讨厌套套的橡胶味
一闻到就瞬间下头
完全失去运动的激情
(不知道有没有姐妹和我一样)
打开后套套**没有刺鼻的橡胶臭**
没有任何异味

而且现在还有超值组合套
13只 59元 | 20只 89元
还送体验装哦~

快来入手享受肌肤愉悦吧！

Taowu | Bed Lies Awaits, I almost believed it!

Focus on fairy cultivation Peach Notes 2022-02-25 11:11

Tao Tao is preferred, a beautiful place shining in the center of the galaxy, focusing on the cultivation of fairies.

Open 24 hours without closing.

【Welcome little fairies to add me~】

Pay attention to peach's all-universe fairy!

I'm Peach Sharer Jojo~

Good evening, everybody

Recently, Taozi received such a fan message

👤: I have little sexual experience. My boyfriend wants to develop further with me and promises not to "go⁸³ in. He said that as long as he doesn't go in, it is not considered sex. Can I believe his words? Sisters in front of the screen. Do you find these words familiar? How many girls are being tricked by these scumbag quotes. Because of inexperience and soft hearts? Let the scumbags get lost!

83 Img. 6 Meme Art.7

According to this fan, I can probably guess where the plot will go next: Boys pleading, girls soft-hearted. Can I get in? After rubbing, the boy said, "I'll go in and don't move". Then you will discover that there was no condom before the outbreak. Girl gets pregnant in two weeks. Today I'm going to take you to get rid of those "Scumbags on the Bed". Share it with your sisters, beware of being hurt!

1. I just won't go in 💔

It's a classic of classics. Let's assume this guy won't measure up just under the premise that he can't "get in".

(Girls prick up your ears!)

In boys' little brothers there are not tadpoles only in biu. When a boy is excited the urethra secretes prostatic fluid! This liquid contains a small number of tadpoles. As long as you touch the Y part of the girl, there is a possibility of pregnancy. Even if he won't go in, as long as he doesn't wear a condom, there will be a risk!

2. I pulled it out before biu 💔

Really bullshit!

First of all, I have stated in 1, prostate fluid containing tadpoles and is very unsafe.

Second

Guys can't really be that precise. Did you just pull it out before the biu? This critical moment, it is easy to break out in the Y channel if you are not careful. And the doctors said, the contraceptive failure rate of coitus interruptus is as high as 27%. Highly not recommended.

3. The first seven and the eighth safety period 💔

Can you have sex without condoms during your period ? NO! Actually in the medical world there is no absolute "safety period". Ovulation is very susceptible to external influences: environment, climate, mood, health, etc. It is extremely unsafe! So whenever you have sex take safety measures. As long as there is no condom on your private parts, there must be a risk of pregnancy! I advise girls to stock up on condoms too. Be more autonomous during sex. Never give scumbags a chance

👤: "Can I have biu outside the body? I forgot to buy a set"

👤: "It's okay, I have~"

So I will share with you a "Condoms designed for women". It has been used very frequently recently. Although it is designed for women, the male ticket said that his feelings are also good~ smooth and thin

👉👉 This is this one 👉👉

| Shy shy water light cover 003 |

What I prefer about it is that it is very smooth and it feels great to use without pain. Very thin, safe and stimulating. Not greasy, easy to clean

Moisturizing and not greasy, great experience! My experience with this set can be reassured with two words: "So moist!". It has 1000mg added in it, it is a sufficient amount of hyaluronic acid lubricant. No wonder it's so moist! When you touch it, your fingers are full of essence. Simply indulge in silky smoothness~
-Really knocking and slipping~-
It's fun to be smooth!
Sliding and sliding~
And added hyaluronic acid essence every time you have sex on our private parts is the equivalent of a hydrating spa!
-It feels so cool-
At the same time, this hyaluronic acid lubricant is water soluble. Very clear and not greasy
Rinse it off with clean water afterwards. No oily feeling at all. The boyfriend also feels very comfortable and he agrees about conveniences. PS: If it is your first time, it is recommended to use a sleeve with more lubricant. It really doesn't hurt to slip a little...
Ultra-thin and ultra-sound
Second, I love that it's really thin! So thin that sometimes I even thought I forgot to wear a condom.

003 is really good~

-Really thin! -

How thin is this? Even if you are wearing it you feel his temperature, every inch of his bulge. It is also very suitable for sport! The pleasure of both parties will not be blocked at all
-So chiki-
"It's too thin to break easily, right?" Of course not. This suit is really durable, even with nails.

pull hard

No damage at all. Also makes our life happy with an extra layer of security! Full of small details. This sleeve has a round packaging. The obvious small teeth are particularly easy to tear. Happy exercise! No more embarrassment for not being able to tear off the condom - Show everyone a one-second tear-off- I really hate the rubber smell of condoms. As soon as you smell it, you turn your head away. Completely lost the passion for sex. (I don't know if there are any sisters like me). No pungent rubber smell after opening the sleeve, no odor, and now there are also great value bundles.

13 pieces for 59 yuan | 20 pieces for 89 yuan
There is also a trial pack~
Come and enjoy the skin pleasure!

我 25 岁了，和父母谈性，他们只会说“别乱搞”

Original 桃子笔记 桃子笔记 2022-03-01 11:14

上周，桃子刷到一条新闻，标题为《六年级女儿看的小说有性描写妈妈慌了》。新闻里的妈妈因为无意中发现女儿看《挪威的森林》而遭受到了暴击，她知道书里有不可描述的情节，深深自责，“女儿一点都没有提到小说里的性描写，不知道是她真没注意到还是假装镇定。我急死了，但又不敢开口细问。”

我们都说要“大方谈性”，可生活中，当父母想要跟子女提起性的时候，总是会“性”在心头嘴难开，哪怕是开口了，也总是委婉拘谨，匆忙结束。

- 与父母第一次谈性是一种什么感觉？@黄二狗-

父母是怎么跟你谈论“性”的

桃子的父母属于非常不擅长跟子女交流的那一类，连带谈论性知识时他们也是如此，导致从小到大他们从未跟我提起过任何有关性的内容。

这两天，桃子发起了一次关于和父母谈“性”的征集。征集到的结果里，不少朋友有着跟我相似的经历。

@Zip:谈个屁，自学成才。

@匿名：一年级的時候洗完澡，问妈妈胸部和下面分别是用来干什么的，她说不知道，再问她就假装听不到。忍到第二天上课和同学们讨论了好久都讨论不出个结果。

@日清 R:大概是二三年级的时候翻到了抽屉里的避孕套，我问我妈那是啥，她说是气球。印象里我真的有把套套当成气球吹过…

@NY7:别问，问就是你和弟弟都是从垃圾桶捡来的，不好好学习就把你们丢回垃圾桶。

- 《父与子的性教尬聊》，2016 -

有的父母，则只会隐隐约约地跟孩子提及部分关于性的内容。

@赶紧睡觉：我们家人都不太善于表达感情之类的，所以没谈过，只隐晦地跟我说女生要保护好自己。

@请叫我娃哥：高中看黄片被抓住了，我爸偷偷跑我房间：“以后不许看了，这次就不跟你妈说了。”

@Wuwu：父母都比较含蓄，他们在知道我有对象后，旁敲侧击问我如果一起出去旅游两个人会怎么订房间，绕了好大一个圈之后说一定得住两间，千万不能睡一起。我当时 20 岁。

@徐寒问暖:跟父母离谈论“性”最近的一次是跟我妈说我要打九价,跟她解释九价需要26周岁前打完然后没有性生活最好,其他再没说过。

-《小敏家》,2021-

当然,也会有十分擅长和孩子谈论性的父母。

@浮生:月经初潮之前,我妈就给我科普了月经的来源以及怎么使用卫生巾,顺便跟我说了怎么避孕,她说“不主动戴套的男的要不得”。很佩服我妈当时就有这么先进的思想。

我们老说性教育重要,可事实是孩子性启蒙的最佳老师——父母们,往往做得还不够。

那些“性”误解造成的影响

根据北京妇联的统计,仍有超过70%的父母,回避与孩子谈性。缺少了家庭性教育的环境,很多人从童年到青少年的各个阶段对性乃至亲密关系都会有误解。

-网友对新闻中六岁女儿看《挪威的森林》的评价-

那些以为自己是垃圾桶里捡来的、以为接吻就会怀孕的以及以为月经可以憋回去的误解,尚可通过后天的学习来改变。但有的误解造成的后果,让人一辈子也难以忘记。

长大后我才知道,那原来是性别霸凌啊

@小A:小时候,身边很多男生进入了变声期,我爸说男生都那样,我说有的人好像不会诶,他说不可能,都会变的。我再问他就说小孩子家家的别那么好奇。我们班当时有个很清秀的男孩子,声音一直不变,我觉得他很奇怪。男生们给他取了个绰号“娘娘腔”,后来又叫他“娘炮”,我觉得好玩也跟着叫,其实他当时说过很讨厌那个称呼。我是个施暴者,长大后我才意识到这点。
长大后我才知道,那原来是性骚扰啊

@小B:我小时候特别可爱,附近的叔叔阿姨都喜欢我。当时有几个叔叔老亲我嘴,他们的胡子磨得我脸疼。我跟我妈哭诉,她却说叔叔们是因为喜欢我才亲我,我便觉得那没什么问题。那些叔叔疯狂亲我,摸我的脸和胸,有时候还会捏到臀部,这一切都被我美化成了喜欢我的表现。长大了回想才觉得恶心。

长大后我才知道,性生活原来不该那样啊

@小C:我撞到父母发生性行为,他们事后什么也没跟我说。我偷看我爸的小黄片光盘,他发现之后也什么都没说。我很早就初尝禁果,以为照着父母的样子,学着片子里粗暴的动作就是对的,以为不戴套也没什么关系,很多雷区我都踩过了,但当时的性是索然无味的。现在想来,很多行为都十分混蛋。

《房思琪的初恋乐园》里,房思琪对是母亲说的“我们家什么都有,就是没有性教育。”但母亲只是回复她“性教育是给那些需要性的人的。”

性教育是所有人都需要的。不是捂住孩子的眼睛,孩子就不会有关于性的困惑,这只会导致他们在遇到问题的时候不知所措。

如何与孩子进行有效“性谈话”

桃子的一位朋友说:“父母根本不懂怎么进行性教育,他们只会偶尔跟我谈到性。父母告诉我的永远都是你不要和男孩子怎样怎样,而不是你要做好哪些准备、怎样才能保护好自己。”

- 《性爱自修室》，2019 -

如果你很幸运能有父母与你进行有效的“性谈话”，那可能会帮助你学到很多性知识。可在成长过程中，我们大多数人都不得不通过网上冲浪或依靠年长的兄弟姐妹和同龄人、甚至是一些值得怀疑的专业知识来回答我们的性问题。

- 《从尿布到约会》，2004 -

未来如果我们成为父母，可以做些什么来与孩子进行有效“性谈话”？不妨先问自己两个问题：

第一，作为儿童/青少年/年轻人，我对性有过什么误解？

第二，我希望我从小就被教导关于性的哪些知识？

认识到我们曾走过的弯路，便能在以后谈论性的时候更坦然。

专家曾表示，当她的儿子问起她关于避孕套的问题，她的解释是——避孕套也叫安全套，使用后除了不会有宝宝外，还能避免病菌，保护自己的身体。首先，父母跟孩子谈性一定要克服自己的心理障碍，建立一个健康轻松的谈话氛围，而不要扭扭捏捏支支吾吾。其次，要明确什么是有效的“性谈话”。尝试用通俗易懂的方式讲述，不回避孩子的问题。最后，保持主动开放的态度，帮助孩子树立包容和多元的观念。

- 《父与子的性教尬聊》中，父亲正在对儿子进行性取向教育 -

父母和孩子的性谈话对于提升孩子的自我防护意识，学会爱自己与爱他人，防止性侵有重大意义。

而跟孩子谈性，也许刚开始会十分尴尬，但在找到合适的交谈方式后，便能消解尴尬，并有力地提升亲子亲密度。

去年六一儿童节实行的《未成年人保护法》首次将“性教育”一词纳入我国法律，不再像以前一样使用的“青春期教育”一词。儿童性教育学家也早就强调过：孩子的性教育越早越好。

对孩子进行性教育不可能随便聊几句就能完成，而需要循序渐进，不断积累。桃子之前写过的“分年龄段的性教育指南”（戳这里了解），或许你可以再温习一遍。

父母和子女谈论“性”的方式和内容越恰当，就越能帮助孩子建立正确的性观念体系。

回到文章开头，如果发现孩子看了带有性知识的书籍，怎么处理比较好？这时候着急是无用且无必要的，主动跟孩子交流，询问孩子是否遇到问题，对孩子做好引导才是首要的。

Translation

Last week, Taozi swiped a piece of news with the headline "The novel that a sixth-grade daughter reads has a sexual description and the mother panics." The mother in the news was severely shocked because she accidentally discovered that her daughter was reading "Norwegian Woods". She knew that the plot got some "unspeakable parts" in the book and deeply blamed herself, "The daughter did not mention the sexual description in the novel at all, and I don't know if she really didn't notice or she pretended to be calm. I was so anxious, but I didn't dare to ask."

We all say we need to "talk about sex openly", but in life, when parents want to talk about sex with their children, they always have "porn" in their minds. .

- What was it like to talk to your parents about sex for the first time? @黄二 dog-

How your parents talk to you about sex.

Peach's parents are the type that are very bad at communicating with their children, and they are also the same when talking about sexual knowledge, so that they never mentioned anything about sex to me when I was young.

In the past two days, Taozi launched a solicitation to speak about the topic "talking about "sex" with parents". In the results collected, many friends have similar experiences to mine.

@Zip: Talk shit, self-taught.

@Anonymous: When I took a shower in first grade, I asked my mother what the chest and bottom were used for. She said she didn't know, and if I asked her again, she pretended not to hear. Endured until the next day in class to discuss with the classmates for a long time, but the discussion could not come to a conclusion.

@NisinR: Probably when I was in the second or third grade, I found the condom in the drawer. I asked my mother what it was, and she said it was a balloon. I have the impression that I really blew the condom as balloons...

@NY7: Don't ask, you and your brother are both picked up from the trash can. If you don't study hard, you will be thrown back into the trash can.

- "Father and Son's Awkward Chat About Sex Education", 2016 -

Some parents will only vaguely mention part of the sexual content to their children.

@Quickly sleep: Our family is not very good at expressing feelings and love, so we didn't talk about it, and only vaguely told me that girls should protect themselves.

@Please call me baby brother: I was caught watching a pornographic film in high school, and my dad secretly ran into my room: "Don't watch it in the future, I won't tell your mother this time."

@Wuwu: My parents are more reserved. After they knew that I had a partner, they asked me how I would book a room if we went on a trip together. After going around the topic, they said that we must have slept in two rooms, and not together. I was 20 years old.

@徐漢 wennuan: The closest time I talked to my parents about "sex" was when I told my mother that I was going to take the nine valent vaccine against STD, and I when discussing with her that I needed to be older than 26 to get it she said it was better to don't have sex till that age. I didn't say anything else.

- "Xiao Min's House", 2021 -

Of course, there are also parents who are very good at talking to their children about sex.

@floatsheng: Before menarche, my mother gave me basic science about the source of menstruation and how to use sanitary napkins. By the way, she told me how to prevent birth control. She said that "don't go with men who don't take the initiative to wear condoms". I admire my mother for having such an advanced mind at that time.

We always say that sex education is important, but the truth is that the best teachers of children's sexual enlightenment - parents, often don't do enough.

The impact of those "sex" misunderstandings

According to statistics from the Beijing Women's Federation, more than 70 percent of parents are still shy to talking about sex with their children. Without an environment of family sex education, many people will have misunderstandings about sex and even intimacy at all stages from childhood to adolescence.

- Netizens' comments on the news of their six-year-old daughter reading "Norwegian Wood"
-

Those fake stories, people who thought they were picked up from the trash, who thought that kissing would lead to pregnancy, and thought that menstruation could be held back, all these legends can still be changed through acquired learning. **But the consequences of some misunderstandings are hard to forget for a lifetime.**

When I grew up, I realized that it turned out to be gender harassment.

@小 A: When I was young, many boys around me entered a period of voice change. My dad said that all boys are like that. I said that some people don't seem to be. He said that it is impossible, and they will change. When I asked him again, he said that children should not be so curious. There was a very handsome boy in our class at the time, and his voice remained the same. I thought he was very strange. The boys nicknamed him "sissy", and later called him "sissy". I thought it was funny and called him after, but he said he hated that title at the time. I'm a bully, and I didn't realize that until I grew up. When I grew up, I realized that it was gender bullying.

@小 B: I was very cute when I was a child, and my uncles and aunts nearby liked me. At that time, a few uncles kissed me on the mouth, and their beards made my face hurt. I cried to my mother, but she said that the uncles kissed me because they liked me, and I thought it was okay. Those uncles kissed me wildly, touched my face and chest, and sometimes pinched my buttocks, all of which were beautified by me as expressions of liking me. When I think about it as an adult, I feel disgusted.

When I grew up, I realized that sex shouldn't be like that.

@小 C: I bumped into my parents having sex, and they didn't tell me anything afterward. I peeked at my dad's little pornographic disc, and he didn't say anything after he found it. I tasted the forbidden fruit for the first time, thinking that it was right to follow the example of my parents and learn the rough movements in the film. I thought it would be fine if I didn't wear a condom. I have stepped on many minefields, but the sex at that time was boring. Now that I think about it, a lot of that behavior was very jerky.

In "Fang Siqu's First Love Paradise", Fang Siqu told her mother, **"We have everything in our family, but we don't have sex education."** But the mother just replied, **"Sex education is for those who need sex."**

Sex education is needed by all. Instead of covering your child's eyes, your child won't have any confusion about sex, which will only cause them to get overwhelmed when they have a problem.

How to have an effective 'sex talk' with your child

A friend of Peach said: "My parents don't know how to teach sex education at all. They only talk to me about sex occasionally. What my parents tell me is always what you don't do with boys, not what preparations you need to do. How can you protect yourself?"

- "Sex Study Room", 2019 -

If you're lucky enough to have a parent who has an effective "sex talk" with you, that might help you learn a lot about sex. But growing up, most of us had to surf the web or rely on older siblings and peers, or even some questionable expertise, to answer our sexual questions.

- From Diapers to Dating, 2004 -

If we become parents in the future, what can we do to have an effective "sex talk" with our children? Ask yourself two questions first:

First, as a child/teen/young person, what misconceptions have I had about sex?

Second, what do I wish I had been taught about sex since I was a child?

Recognizing the detours we've gone through can make talking about sex more comfortable in the future.

Experts have said that when her son asked her about condoms, her explanation was that **condoms are also called protections**. In addition to preventing babies, they can protect your body from STD.

First of all, parents must overcome their own psychological barriers when talking about sex with their children, and establish a healthy and relaxed conversation atmosphere, instead of wiggling and faltering. Second, be clear about what constitutes a valid "sex talk." Try to tell it in an easy-to-understand way that doesn't evade the child's questions. Finally, maintain an active and open attitude and help children develop a concept of tolerance and diversity.

- In "Father and Son's Sexual Education Awkward Chat", the father is educating his son about sexual orientation -

Sexual conversations between parents and children are of great significance for enhancing children's awareness of self-protection, learning to love themselves and others, and preventing sexual assault.

Talking to a child about sex may be awkward at first, but after finding a suitable way of talking, it can eliminate the embarrassment and effectively enhance parent-child intimacy.

The "Minors Protection Law" implemented on Children's Day last year included the term "sex education" into Chinese law for the first time, and the term "adolescence education" was no longer used as before. Child sex educators have long emphasized that the earlier the child's sex education, the better.

Sex education for children cannot be done with just a few words, but needs to be done step by step and accumulated continuously. Here is the "Age-Based Sex Education Guide" written by Peach before (click here to learn about it), maybe you can review it again.

The more appropriate the way and content parents and children talk about "sex", the more they can help children establish a correct sexual concept system.

Going back to the beginning of the article, if you find that your child has read books with sexual knowledge, what should you do? It is useless and unnecessary to be anxious at this time. **Communicate actively with your child, ask the child if he encounters a problem, and guide the child is the most important thing.**

🍑@桃子笔记 1

大家猴，我是桃子！今日互动话题：1.父母在你多大的时候跟你谈论过“性”？2.你成为父母后会如何跟孩子谈论“性”？快在留言区参与留言，桃子送你上墙😊

Счастличик 52

小时候家里有个大书橱。我总喜欢从里面拿书看。等到高中才发现，里面的书经常会变。爸妈是很含蓄的。青春期的时候恰好放了好多介绍性知识的。关键是有好多是介绍性技巧的书。感谢爸爸妈妈。

Eucaly.du 44

那我妈挺开放的，上初中就把那时候特别流行的两性关系书放厕所让我看，我现在都记得书名字人之初

valerie 30

我是个妈妈。

当年结婚后几个月，我都不知道女孩子是有阴道的，以为下面只有排尿和排便两个地方。内心深处总是惶恐和自卑。

性教育的内容如果不仅仅包括性行为，那我的女儿从幼儿园起，我就给她讲性器官的名称并解释小宝宝怎么来的了。幼儿园之前她问过，为什么男女的胸部不一样，当时有男性长辈在，我可耻地退缩回避了。我先生知道后告诉我：这是多好的机会呀，你应该当时

就明确地给孩子讲性别、乳房等等。后来，我们随时会讨论性知识，女儿和我分享同学之间是怎么谈论性的，她们悄悄谈论避孕套是什么，我就给她演示避孕套怎么用。谢谢我的小孩，和孩子分享性知识，同时也是在慢慢地治愈我自己。
愿我的女儿再也不要承受无谓的惶恐和自卑。

XS 29

麻麻小学毕业给了我一本专业书，让我不懂就问，紧接着教我用了避孕套，于是我没有了好奇心。。对这件事极为谨慎…

树上的男爵 24

中国的性教育太缺失了

没谈过，小时候说我是山上发大水冲下来的，后来初潮，我妈也没解释过，导致我一度不知道那是啥？来了几年月经后，看那个什么青少年的书才知道，后来再大点，自己电脑看电影，西方的，有亲昵动作的被我老妈看到了，骂我不正经，还跟亲戚说我不爱脸，看这些，我小姑姑问我，那说我看罗密欧和朱丽叶，男女主夜晚楼台私会有亲昵行为，我妈看到就大惊小怪，我姑姑也看过那部电影，所以就没说啥了，可是我不能挨个亲戚去解释，导致我有段日子在亲戚诡异的眼神中过日子，而且就我老妈这么介意的人，可是我幼儿园时期被她单位食堂的老头猥亵她不知道，被邻居家的大男孩猥亵她也知道，还很放心的把放学的我丢食堂老头照顾，丢邻居家，觉得很省事，那老头和邻居家孩子的行为，那大了才明白那是猥亵，可是也没法再说了，估计说了，按我老妈的说法，是我不要脸，至于老爸，因为他工作关系，一个月能见一次了不起了，所以基本没聊过啥，对了，那啥避孕套做气球的事，我小学时候也干过，还带去学校跟同学一起玩

米苏 18

中国的父母就怕小孩学“坏”

未见其花 16

不教孩子怎么保护自己 他就会去尝试 后果难道不会更严重？

女王橙 15

爸妈知道我谈男朋友以后 我妈支支吾吾想说啥但啥也没说，我爸说了半天最后说了句要保住自己的身体，不要怀孕，流产很伤身体
当年23了吧…我其实当时知道他们要说啥，但我的内心os是，这事完全可以正大光明放在台面上讨论的，没啥见不得光

张铁锤 14

我麻麻在我很小很小的时候就大方谈性。我问麻麻我是哪来的，麻麻会认真告诉我是她和爸爸结合有了我。再大一点月经初潮的时候麻麻一边教我用卫生巾，一边说我的身体长大了，来月经就意味着发生性行为后有怀孕的可能，所以要保护好自己。男朋友来学校看我的时候麻麻给我打电话说出去一起住还是回学校取决于我，美好的青春是坦然的享受安全的性，而不是尝没有保护措施果。
麻麻万岁！

曼陀罗遍历 13

谈性说爱，难道在人们的私下场合里说得少吗？只是私下场合里更多是调侃，不是很科学。

观平常心 11

三件影响深刻的事情

1.小时候小学五年级时常趁大人不在，偷偷从书柜里面找出来大人遗忘的一本书叫男子保健大全还是夫妻家庭生活啥的，里面内容除了两性知识外还有什么心理 家庭教育等等，那时候就懂了男女有别也明白了些两性知识 只觉得好奇羞涩又觉得生命很神奇。

2.记得小时候快不穿开裆裤的时候 在家里的厂院子边嘘嘘，有个家里大人的朋友叔叔趁机逗我玩还弹我小屁 我那时候就很愤怒 偷偷把他车胎气放了，那时候想来已经有自我意识了。
3.长大了不管谈几次恋爱，和对象在一起交流的时候要注意个人卫生要主动戴套懂点前戏挺好的。

穿山乙 lirushan 10

说的最多的可能就是“女生要自爱”吧。不过放在我家乡那个好事不出门，坏事传千里的小镇这倒没错，那些婚前偷尝禁果的女生要么被迫嫁给现在这位不一定合适的对象(女方未必有孕)，要么分手后无限下嫁还被夫家瞧不起

..... 7

最绝的是《上错花轿嫁对郎》里嫁给齐公子的柳玉湖在新婚之夜说：“万一你把娃娃从我脚底下塞进去怎么办？”
顺便建议桃子选下一个话题时可以考虑影视剧里对性的描述。

性这种东西，早知道总比不知道好，可惜中国的父母大部分都没有意识到这一点

Hello World :)4

就是说我赶在初一之前，小学看《巴黎圣母院》和《包法利夫人》，还有海明威的《战地钟声》，很多名著都是我的性启蒙。最要命的是我小学闺蜜带我去她家，教我用棉签……初一生物老师讲得很仔细，我初中就全懂完了

风紧扯呼 3

初中生物老师性骚扰女同学，我也未能幸免，我到最近才反应过来那甚至构成猥亵；和第一个“男朋友”第一次见面就不顾我意愿就和我发生关系，我以为是喜欢我，和他在一起；上班后被性骚扰、性侵，我被领导打压不敢报警……我对性没有正确认知，非要不断发生关系才感觉自己被爱。多么病态的性爱观，多么无知的性爱观，连保护自己都不会。坏人永远不会因为孩子年纪小而网开一面。而我妈对我受到的伤害只有一句不要脸的贱货作为评价。这些文章只能告诉我们父母做得不对，我们这一代以后应该怎么办，却没人能告诉我们父母的过失该如何弥补。我所求的不过是一句微不足道的道歉，但这辈子应该都听不到了。

我妈小时候就给我看了两本性教育书、里面很多东西都是卡通化的，导致我跟我妈说出“睾丸好可爱啊”这种话()但是那两本书的内容很全面，也有教到卫生巾怎么用😬不

过我小时候还给别的亲戚看过这两本书，虽然我妈叫我不告诉别人还说了我，当时想不明白现在想想就知道为什么了😓

一点点心动 1

20岁，妈妈爸爸知道谈恋爱后旁敲侧击的讲了注意安全，打胎很伤身体

所有的性知识都是我自己看书学习的。

JoJo

我上初一的时候看到《挪威的森林》里面确实有一些关于性描写，一夜四次是我印象深刻的认识。后来觉得男的都是一夜四次吗？但是我也很淡定没有跟父母说过，他们也没看过这本书。我自己知道就行了！他们从来没有跟我说起过这方面的事情。

25岁了，这么大年纪还要跟父母谈性，这本身就很奇怪吧？你就是在国外，也没有说25岁把这个当家常跟父母聊吧？又不是没朋友，就算没朋友，还有各种专业文章资料甚至专业人士可以解决你的问题，找父母聊……怎么想的？

When I was a kid, I had a big bookcase at home. I always liked to read books. It wasn't until high school that I discovered that the books' insides often changed. My parents were very reserved. When I was a teenager, I happened to gain a lot of introductory knowledge. The point is that there are a lot of books that had introductory techniques. Thanks mom and dad.

Eucaly.du

Then my mother was very open. When I was in junior high school, she put the books on sexual relations that were very popular at that time in the toilet for me to read. I still remember the beginning of the name of the book.

valerie

I am a mom.

A few months after we got married, I didn't even know that girls had vaginas, thinking that there were only two places for urination and defecation. I always felt fear and inferiority deep inside.

If sex education is about more than just sex, my daughter has been named genitals since kindergarten and explained how babies come to be. Before kindergarten, she asked why the breasts of men and women were different. There were male elders at that time, and I shrank and avoided shamefully. After my husband found out, he told me: What a great opportunity, you should have clearly told your child about gender, breasts, etc. Later, we would discuss sex knowledge at any time. My daughter shared with me how classmates talked about sex. They quietly talked about condoms, and I showed her how to use condoms. Thank you to my kids for sharing sex knowledge with kids and slowly healing myself at the same time. May my daughter never suffer unnecessary fear and inferiority again.

XS ✨

Mama gave me a professional book after graduating from elementary school, and told me to ask her if I didn't understand, and then taught me how to use condoms, so I lost my curiosity. . Extremely cautious about this...

Sex education in China is so lacking

Mia

I haven't talked about it. When I was a child, they said that I was washed down by a flood of water from the mountain. Later, my mother didn't explain my menarche, so I didn't know what it was until after a few years of menstruation, when I finally read about it in an educational book. Later, when I got older, I watched movies on my computer, western. My mother saw this movie that had physical contact and she scolded me for being indecent and told my relatives that I didn't have face. My little aunt told me to watch Romeo and Juliet, but the hero and heroine would have intimate behaviors at night: my mother made a fuss when she saw it but my aunt also watched that movie. But I didn't say anything, I couldn't explain it to each relative one by one, but then this caused me to live under the strange eyes of relatives for a while, and there are some of them of which my mother cares too much about. But I was molested by the old man in her unit's cafeteria during kindergarten and she didn't know, she didn't even know that I was molested by the big boy in the neighbor's house, and she was very relieved to leave me after school to the old man in the cafeteria to take care of, and to leave be at the neighbor's house. And I realized all this just later in life. But now I can't say it anymore. I guess that, according to my mother, I don't have a face. As for my father, because of his work relationship, it is amazing to see him once a month, so I basically didn't talk with him about anything. By the way, what about condoms and balloons? I did it when I was in elementary school, and I took it to school to play with my classmates.

After my parents knew that I was talking about my boyfriend, my mother hesitated and wanted to say something but didn't say anything. My father said something about protecting my body and not get pregnant. Abortion hurts the body.

I was 23 back then... I actually knew what they were going to say at the time, but my inner os was that this matter can be discussed on the table with integrity, there is nothing to hide

Zhang Tiehui

My mom talked about sex generously when I was very young. I asked Mama where I came from, and Mama would seriously tell me that she and my father had me together. When I was a little older, Mama taught me how to use sanitary pads, and said that my body had grown, and menstruation meant that there was a possibility of pregnancy after sex, so I had to protect myself. When my boyfriend came to visit me after school, Mama called me and said that it was up to me to live together or go back to school. A beautiful youth is to enjoy safe sex calmly, not to try the fruit without protection measures.

Long live Mama!

Mandala Traversal

[Wangchai] Talking about sex and love, don't people talk less in private situations? It's just that it's more playful in private, not very scientific.

normal mind

Three profound things

1. When I was a child, in the fifth grade of elementary school, I used to secretly read a book that adults forgot on the bookshelf, when the adults were not around. It was called Men's Health Encyclopedia or husband and wife family life. In addition to gender knowledge, there was content about psychological family education, etc... Then at that time, I understood the difference between men and women, and I also understood some gender knowledge, but I felt curious and shy and felt that life was curious.

2. I remember booing around the home yard when I was about to wear open-crotch pants when I was a kid. A friend and uncle who was an adult took the opportunity to tease me and play with me. I was very angry at that time and secretly broke his car tire. Then it was time to think about self-awareness.

3. When you grow up, no matter how many times you fall in love, you should pay attention to personal hygiene when you communicate with your partner. It is good to wear a condom and understand some foreplay.

Pangolin B lirushan

Probably the most talked about is "girls have to love themselves". But in my hometown, where good things don't go out, and bad things spread thousands of miles, it's not wrong. Those girls who secretly tasted the forbidden fruit before marriage are either forced to marry the current person who may not be suitable (the woman may not be pregnant), or break up. After marrying, she was looked down upon by her husband's family [smile]

.....

The most amazing thing is that Liu Yuhu, who married Mr. Qi in "The Wrong Sedan chair", said on the wedding night, "What if you put the doll under my feet?"

By the way, I suggest that Peach can consider the description of sex in movies and TV dramas when she chooses the next topic.

Hello World :)

That is to say, before the first year of junior high, I read "Notre Dame de Paris" and "Madame Bovary" in elementary school, as well as "Battle Bells" by Hemingway. Many famous books were my sexual enlightenment. The most terrible thing is that my elementary school friend took me to her house and taught me to use cotton swabs... The biology teacher in the first year of junior high taught me, and I understood it all in junior high school 😊

the wind is screaming

The junior high school biology teacher sexually harassed female classmates, and I was not immune. I only realized recently that it even constituted obscenity; I had sex with my first "boyfriend" regardless of my wishes when I first met. I thought it was he liked me and it was good to be with him; I was sexually harassed and assaulted later in life when I went to work, and I was mobbed by my boss and did not dare to call the police... I didn't have a correct understanding of sex, and I had to have constant relationships to feel loved. What a morbid view of sex, what an ignorant view of sex, can't even protect myself. Bad guys will never be sidelined just because kids are young. And my mother just gave me "a shameless bitch" as her evaluation of the hurt I suffered. These articles can only tell us what our parents did wrong and what we should do in the future, but no one can tell us how to make up for the mistakes of our parents. All I ask for is a paltry apology, but I would never hear it in my life.

When I was in the first year of junior high school, I saw that there were indeed some descriptions of sex in "Norwegian Wood". Four times a night was a deep impression on me [covers face] Later, do you think men are all four times a night? But I was also very calm and didn't tell my parents, and they didn't read the book. I learned about it by myself! They never told me about it.

Ma Xiaoxi

At 25 years old, it's strange to talk to parents about sex at such an old age, isn't it? Even if you are abroad, you didn't say that you should talk to your parents about this at the age of 25, right? It's not that you don't have friends. Even if you don't have friends, you still have all kinds of professional articles and materials and even professionals who can solve your problems. Talk to your parents... What are you thinking about?

男女的“第一次”体验, 真就大不一样吗?

Original 桃子笔记 桃子笔记 2022-03-14 11:19

欢迎来到桃子的随便聊聊栏目

本栏目没有固定内容也许今天聊生活明天就开始聊爱情了主题全凭心情

初夜, 像是某种神秘不可言说,
同时又有着极重要意义的仪式。

在社会意义上,
男女的初夜好像总是有不同的评判标准。
仿佛通过它,
青涩的女孩就能一夜之间变成成熟的女人,
长不大的男孩马上就成了深谙此道的男人。

但事实上, 我们好像也总是说不清,
男女初夜的体验会有哪里不同。

所以, 机智的桃子就邀请了读者宝贝们, 聊一聊:
#男生的初夜 vs 女生的初夜#都是什么样的?

女孩们的初夜故事

@L

我是女生, 第一次只觉得很痛, 然后好几天大腿根部都酸疼。没啥太好的感受就是了。

但是现在的对象和我第一次的时候, 刚进去很快就结束了, 以为是自己不行, 都哭了, 觉得没有幸福生活了。后面慢慢地投入就好了。

@K

👤, 21, 体验还不错, 和约会对象, 第二次约会的时候发生的, 是比我大 12 岁经验丰富帅大叔, 结束之后还一直要抱抱。

@静流
女，没有 xsh。

(这是屏幕前正看桃子笔记的你吗)

@MO
女生；第一次是大二寒假，和一个关系好的男生朋友，聊到这个话题都比较好奇，然后就说试一下（并不是男女朋友关系的情况下）。然后可能因为第一次紧张，觉得也没有想象中那么舒服吧…

@猫
女生，第一次很疼很疼，结束后去厕所看见有💧，感觉莫名忧伤。

@独
我是女生，我男生女生都谈过，但体验区别真的很大。

和男的感受不到那种幸福感，好像只是为了做而做，而且持久度也不行。第一次的话是给的男生，那时候也是懵懂吧，体验感真的不好哈哈哈哈哈。

和女生做的话感觉非常舒适，对方也是按照我的感受来满足我，时长一般都是一小时起步。和女生发生关系后更加坚定我就是女同性恋一枚哈哈哈哈哈。

@匿名
我应该是性早熟的人吧，我很早的时候就无意发现蹭蹭很舒服，后来会把手指放在下面。和我男朋友谈了两年多了，去年第一次，我是他不是。我痛感不是很大，而且没有出血。

@aomgstage
女生，第一次在 23，讲出来不太好哈哈，是约出去的，体验感还不错，除了进入的过程有点痛，有少量出血，别的还是不错的。

@王几
第一次其实也没什么，虽然对方是很有耐心的人，但是也很难感受到愉快。最开始紧张怕疼，后来也就那样，不如自己一个人…

男孩们的初夜故事

@匿名

男，研究生时和当时的女朋友现在的孩她妈做爱，她来北京看我。我俩都是第一次，紧张得不行。后来过了几个月暑假去看她，之前俩人都准备了功课，用了润滑油，进去的一瞬间我难以置信，问：我进去了吗？得到肯定后，自己如释重负。

@pu

和女票互相都是第一次，在一起一年多了，结果尝试的都不成功，到目前为止还是希望下次见面能完成第一次...

@null

性别男，我感觉我更偏向女，但也不会排斥作为男生。第一次是 17 岁，和不认识的人。我本身持久度就很好，没有满足但体验不错，对手是老司机。

@赞

第一次的时候感冒了，感觉晕乎乎的，也不知道是太紧张了还是只是因为头晕。好像根本不知道自己在做什么。

@匿名

其实第一次真的还挺紧张的，虽然我是男生，但是男生真的有不一样的压力，我自己就压力山大！第一次的时候，我脑子里时不时就窜出来点技巧，真的，就还挺想取悦对方的，还害怕自己会秒...

总是会有人说，
“女生的第一次很重要，要保护好。”
但是桃子觉得，
男生的第一次和女生的第一次没什么不同。
PS.无论男女，都一定要做好保护措施！

在桃子征集到的故事里，
男生也会因为没有经历过的体验而紧张，
女生也会因为第一次而激动。

在第一次这件事上，
女生和男生也许在生理的体验感上会有细微差别。
但对于享受性这件事，
男生和女生实在是没什么差别。

也许，
今晚试着和另一半聊聊彼此第一次的体验，
还能开启愉悦的一个晚上哦，
桃子祝你拥有美好的 sex 体验。

Is the "first" experience of men and women really very different?
Original Peach Notes Peach Notes 2022-03-14 11:19

Welcome to Peach's casual chat column. This column has no fixed content. Maybe talk about life today. Let's start talking about love tomorrow. The theme depends on the mood.

The first night is like some kind of mystery. It is also a very important ceremony. In a social sense, it seems that the first night of men and women always has different judging criterias. As if through it, a young girl can become a mature woman overnight, the boy who grew up quickly became a man who knew his way. But in fact, we seem to always be unable to tell, how much is the difference between the experience of the first night of men and women? Therefore, the Peach invited readers to have a chat: #boy's first night vs girl's first night# What are they all like?

Girls first night stories.

@L I'm a girl, the first time I only felt a lot of pain, and then for several days the base of my thigh was sore. It's not a good feeling. But when my partner first went in it was over soon after entering. I thought it was because I couldn't make it, so I cried and felt that there was no longer a happy life for us. We just put it in slowly afterward.

@K 🧑, 21, the experience is not bad, it happened at the second date, it was an experienced and handsome uncle 12 years older than me, and he still wanted to hug after it was over.

@static flow Female, no xsh.

(Is this you looking at Peach Notes in front of the screen)

@MO Girl: the first time was during the winter vacation of freshman year. I was curious about this topic with a good boyfriend, and then I said lets try it (not in the case of a boyfriend-girlfriend relationship). Then maybe because I was nervous for the first time, I didn't feel as comfortable as I imagined...

@cat Girl, it was very painful the first time. After I went to the toilet and I saw 🩸, I felt inexplicably sad.

@alone I'm a girl, I've talked to both boys and girls, but the experience is really different. Doing it with men I understood that they don't feel happiness, it seems that they just do it for the sake of doing it, and they don't last long. The first time I gave it to a boy, I was ignorant at that time, and the experience was really bad hahahaha. When I do it with girls, I felt very comfortable, and the other party also satisfies me according to my feelings, and the duration usually starts from one hour. After having a relationship with a girl, I became more determined that I am a lesbian hahahahaha.

@anonymous

I should be a precocious person. I accidentally found that rubbing was very comfortable very early, and later I put my fingers under it. I've been talking to my boyfriend for over two years.

and for the first time last year was with him. I didn't feel much pain and there was no bleeding.

@aomgstage

Girl, it was my first time at 23. It wasn't very good. Haha. It was an appointment. The experience was not bad. Except that the process of entering was a little painful and there was a small amount of bleeding. Others were good.

@wangji

The first time is actually nothing, although the other party is a very patient person, but it is difficult to feel good. At first, I was nervous and afraid of pain, but later on, it was better to be alone...

Boys' first night story

@anonymous

Male, I had sex with my then-girlfriend, current my child's mother, when I was a graduate student, and she came to Beijing to see me. It was our first time and we were so nervous. Later, I went to see her during the summer vacation a few months later. For that time, both of us had done our homework and we used lubricating oil. The moment I went in, I couldn't believe it. I asked: Did I go in? After being affirmed, we were relieved.

@pu

It is the first time for each other with my partner. We have been together for more than a year, but all attempts have been unsuccessful. So far, I still hope that the next meeting I can complete the first time...

@null

Gender male, I feel that I am more inclined to female, but I will not exclude being with a male. The first time was when I was 17 years old, with someone I didn't know. My own durability is very good, not satisfied but a good experience, the other one was an old driver.

@great

The first time I caught a cold, I felt dizzy, and I didn't know if I was too nervous or just because of simple dizziness. I didn't know what I was doing at all.

@anonymous

Actually, the first time I was really nervous, although I was a boy, but boys really have different pressures, and I was under a lot of pressure myself! The first time, some tricks popped out of my mind from time to time. Really, I really wanted to please the other party, and I was afraid that I would be one second...

There will always be people who say, "A girl's first time is very important, so protect it." But Peach thinks that a boy's first time is no different from a girl's first time. PS. Both men and women must take protective measures! In the stories collected by Peach, boys are also nervous because it is something they have not experienced. Girls are also excited for the first time. For the first time, girls and boys may have subtle differences in their physical experience. But for the enjoyment of sex, there is really no difference between boys and girls. Maybe, trying to talk with the other half about each other's first experience tonight, it can also start a pleasant night. Peach wishes you a great sex experience

没有和别人聊过吧？我的第一次给了现在孩子的妈，发生在九年多前，我很紧张，导致在成功之前失败过一次。成功后，内心 os 是：不论将来她和谁在一起，我曾拥有过她。现在看，想那么远干嘛，享受当下才是对的，至少当下是刻骨铭心的爱着。而我们也终于历经长跑后取得胜利并结下果实。

After success, my inner os is: no matter who she is with in the future, I once had her. Looking at it now, who would have thought we could get so far? It is right to enjoy the moment, at least the moment was unforgettable love. And we finally achieved victory and harvest after long-distance relationship.

无性生活 vs 有性生活，到底差在哪了？

Original 桃子笔记 桃子笔记 2022-03-17 11:17

家人们，你们想过“有性生活”和“无性生活”的人生差别会有多大吗？

作为一种人类不可或缺的欲望，性生活的有无，不同于“有机”和“无机”这种从本质属性出发的不同，也好像很难说对我们有什么具体的影响。

虽然很难具体地说没有性生活的人生会有什么变化，可是生活中没有性，又好像少了很多原始的冲动，让平淡的生活更加平淡了。

哪怕只是一个人的性生活(你懂的)，都能对我们的生活和健康都有着妙不可言的益处。所以，和桃子来一起盘一盘性生活的奇妙吧！

性生活，平淡生活调味剂

你知道人类为什么会发生性关系吗？

除了作为一种繁衍的动物本能，人类性行为的原因可谓是五花八门。当然，这些不同的原因都会指向一个最本质的原则——快乐。

在从德克萨斯州当地招募的 444 名 17-52 岁的女性和男性中，研究人员得出了 237 种“性生活的原因”。

10 MOST Common Reasons For Sex Reported By WOMEN	10 MOST Common Reasons For Sex Reported By MEN

2. I wanted to experience the physical pleasure.	2. It feels good.

7. I felt horny.	7. I felt horny.
8. It's fun.	8. I wanted to express my love for the person.
9. I realized I was in love.	9. I wanted an orgasm.
10. I was swept up in the heat of the moment.	10. I wanted to please my partner.

– 来自研究的前十种，感兴趣的朋友可以自行翻译 –

对于不同的性别来说，**doi** 的原因没有很大差别。

无论是对于男性还是女性来说，性生活都是一种愉快的消磨时间的选择，也是一种表达爱和缓解压力的潜在方式。在两点一线、三点一线的平淡生活里，可以玩出花样的性生活，无疑是平淡生活的调味剂。

不难想象，如果你有一场期待已久的约会，那么从见面前的几小时内，大概就会兴致满满了吧？

在打工人经受高强度摸鱼的第二天，他们更有可能通过性生活来释放情绪；同样地，在享受性之后，不仅伴侣间会感受到更亲密的联系，还会使双方都感受到压力的缓解。

当然了，只有在亲密的伴侣中，令人满意的性生活会产生如此神奇的作用。

除此之外，性生活也是我们人生在世的数十载随时都可以享受的。

一项美国针对成年人的调查显示，50多岁的人群中，57.9%的男性和51.4%的女性还有性生活。大多数50多岁和60多岁的人性生活活跃，甚至许多70岁以上的成年人也有性生活。

没想到吧 桃子也没想到。看到这个数据，桃子觉得，说不准我们老了之后，也会有不同于现在的愉快的老年生活。

当然，随着年龄的增长，性这件事可能有些困难；与我们荷尔蒙的变化相对应的，欲望可能也会降低；一些其它的健康问题也可能让我们的性生活画上一个“？”...

不过即使如此，老年人的性需求也是不可忽视的。哪怕身体衰老的进程，一定会让我们对性的认知随着时间变化，但性生活能给我们带来的好处，也并没有一个明确的终点。

性生活，身体健康增稠剂

想来有不少家人听说过“亲吻一分钟=游泳三分钟”这种说法。要说亲吻会消耗热量，那性生活岂不是能消耗更多的热量？

事实也是如此，在一项对性生活消耗热量的统计数据中显示，平均持续25分钟包括前戏的性生活中，男性参与者平均每次燃烧101卡路里（约每分钟4.2卡路里），女性参与者平均燃烧69卡路里（约每分钟3.1卡路里）。

相比之下，虽然参与者在跑步机上跑步 30 分钟时燃烧的卡路里是性生活的两倍多，但多数人都觉得，性生活可比在跑步机上慢跑快乐得多。

当然，性并不能替代运动的热量消耗，毕竟如果你想消耗掉火锅米线大盘鸡带来的多余热量，就需要夜以继日的性生活；而且也不是所有人在性生活中都能消耗同样多的热量。

但如果你想要经常性的无痛热量消耗，也许性生活是一个会令你愉快的选择。

不仅如此，更为频繁的性生活也与身体健康状况相关。享受越多的愉悦时刻，与更少的心脏病发作风险有关。

虽然现有的研究还无法证明性生活必然会带来更健康的身体和更长的寿命，但还是能说明，性对我们的健康更有益而不是有害。

对于男性来说，性的频率与死亡率呈负相关；对于女性来说，性的享受与死亡率呈负相关。也就是说，事宜的频率和愉悦的质量分别对男性和女性更为重要。

性生活，你的心灵健康武器

在心理学的发展中，有这样一个重要的人物——弗洛伊德。他将人类的一切个体和社会的行为，都归因于心灵深处的某种欲望和动机，其中最主要的，就是性的欲望和冲动。

欲望没有得到满足，会产生种种问题；ta 以无意识的形式支配人，产生出一系列的正常或异常。

人不好色 好什么？
how are you 吗

虽然随着心理学不断的发展，不少人已经推翻了弗洛伊德的理论。但不得不承认的是，性不仅会影响我们的身体，同样也会影响我们的心理。

在社会文化的影响下，纵欲过度会让人产生一定的内疚感；但适度愉快的性生活，也可以改善我们的心理健康，增强幸福感。

在我們有性生活的日子裡，積極情緒會增加，第二天的消極情緒會減少。哪怕你的性生活沒有合作夥伴，但它也會給你的情緒帶來積極的影響。

更愉快的性，會讓人覺得生活更有意義。晚上的性，可能會讓你更快更安心地入睡，還可能讓你在第二天的工作中感受到快樂和高效。

不僅如此，性對我們的大腦似乎也有好處。

對動物的研究發現：頻繁的性與更多的神經元生長有關。與這一發現一致的是在對老年人的研究中发现：隨着年齡的增長，更頻繁的性生活與保持更好的認知功能有關。

其他研究也能證明，性與改善記憶力有關。享受性，就更能体会到其中的樂趣。

關於性，有人享受和另一半的玩耍，沒了 ta 就會空虛寂寞冷；也有人在多年的獨自生活中早已經掌握了除性生活外的種種自娛方式...

力所能及的性和得到滿足的欲望，讓性生活滿足了人們的身心健康，也是男男女女生活中獨特的快樂秘籍。

你還說沒開車
車輪子都壓我臉上了

有了性,就多了一种愉悦。而性这件事,甚至不一定需要一个合作伙伴来共同完成,只需要一些的自主和愉悦感。

所以,在最后,请和桃子一起大声说:感恩的心,感谢有“性”。

桃子笔记

Sexless life vs sexual life, what's the difference?

Original Peach Says Peach Says 2022-03-17

Family, have you thought about the difference in life between a "sex life" and a "sexless life"?

As an indispensable desire for human beings, the existence of sexual life is connected with the difference between "organic" and "inorganic" which is based on the essential attributes, and it seems that it is difficult to say what specific impact it has on us.

Although it is difficult to say specifically what will change in life without sex, it seems that there are less primitive impulses, which makes a life more dull and bland.

Even just **one person's sexual activities** (you know what) can have incredible benefits for our lives and our health. **So, come and learn the wonders of sex with Peach!**

Sex life, the flavor of plain life. Do you know why humans have sex?

Aside from being an animal instinct to reproduce, there are a myriad of reasons for human sexuality to be. Of course, these various reasons all point to one most essential principle: happiness. Among 444 women and men aged 17-52 recruited locally in Texas, the researchers identified 237 "reasons for sex." (See the image).

The reasons for **doi** are not very different from different perspectives.

For both men and women, **sex is an enjoyable time-killing option and a potential way to express love and relieve stress.** In the ordinary life of two dots and one line (work and then home), and three dots and one line (work, home and just another place like parents' house), one can play a fancy sex life, which is undoubtedly the flavoring of ordinary life. It's not hard to imagine that if you have a long-awaited date, you will probably be full of excitement from the hours before you meet, right? **Migrant workers are more likely to release their emotions through sex the day after they are exposed to intense physical labour;** similarly, after enjoying sex, not only will partners feel a closer connection, but it will also make both partners feel Stress relief. Of course, only with an intimate partner satisfying sex can work so magically.

On top of that, sex is something we can enjoy at any time during all our life. According to a survey of adults in the United States, 57.9% of men and 51.4% of women in their 50s are still sexually active. Most people in their 50s and 60s are sexually active, and even many adults over 70 are sexually active. I didn't expect it. Even Peach didn't expect it. Looking at this data, Peach thinks, maybe when we get old, we will have a happy old age that is different from the current one. Of course, sex may be difficult as we age; desire may also decrease in response to our hormonal changes; and some other health problems may also draw a " ? " in our sex life. .. But even so, the sexual needs of the elderly cannot be ignored. Even if the process of physical aging will definitely change our

perception of sex over time, there is no clear end point for the benefits that sex can bring us. Sex life, body health thickener.

I think many family members have heard the saying "one minute of kissing = three minutes of swimming". To say that kissing consumes calories, wouldn't sex consume more calories?

The same is true. In a statistic of calorie consumption during sex, male participants burned an average of 101 calories (about 4.2 calories per minute) during an average of 25 minutes of sex including foreplay, while female participants burned an average of 69 calories (about 3.1 calories per minute). In contrast, although participants burned more than twice as many calories as sex during a 30-minute run on a treadmill, most found sex to be much more enjoyable than jogging on a treadmill. Of course, sex cannot replace the calorie consumption of exercise. After all, if you want to consume the excess calories brought by hot pot rice noodles and chicken, you need to have sex day and night; and not everyone can consume the same amount of calories during sex. But if you want regular, pain-free calorie burn, maybe sex is a pleasurable option. Not only that, but more frequent sex is also associated with physical health. Having more moments of pleasure is associated with a lower risk of heart attack. While existing research has yet to prove that sex will necessarily lead to healthier bodies and longer lifespans, it does suggest that sex is more beneficial to our health than it is detrimental.

For men, frequency of sex is inversely related to mortality; for women, sexual enjoyment is inversely related to mortality. That is, the frequency of events and the quality of pleasure were more important for men and women, respectively.

Sex, Your Mental Health Weapon

In the development of psychology, there is such an important figure - Freud. He attributes all human individual and social behavior to certain desires and motives deep in the soul, the most important of which is sexual desire and impulse. Unsatisfied desires will cause various problems; *ta (desire is designed as an agendered person)* dominates people in an unconscious form, producing a series of normal or abnormal.

Although, with the continuous development of psychology, many people have overturned Freud's theory. But it has to be admitted that sex not only affects our bodies, but also our minds.

Under the influence of social culture, excessive indulgence will make people feel a certain sense of guilt; but a moderately pleasant sex life can also improve our mental health and enhance our sense of happiness. On the days we have sex, positive emotions increase and negative emotions decrease the next day. Even if you don't have a partner in your sex life, it can have a positive effect on your mood.

More pleasurable sex makes life feel more meaningful. Sex at night may help you fall asleep faster and more peacefully, and may make you feel happy and productive the next day at work. Not only that, but sex also seems to be good for our brains. Animal studies have found that frequent sex is associated with more neuronal growth. Consistent with this finding is a finding in studies of older adults that more frequent sex is associated with maintaining better cognitive function as we age. Other studies have also shown that sex is associated with improved memory. **Enjoy sex, you will be more able to experience the fun.**

Regarding sex, some people enjoy playing with the other half, and they will be empty and lonely without them; some people have already mastered various ways of self-entertainment other than sex after years of living alone...

Sex within one's ability and the desire to be satisfied make sex life satisfy people's physical and mental health, and it is also a unique recipe for happiness in the lives of men and women.

With sex, there is more pleasure. And sex doesn't even need a partner to do it together, it just needs some autonomy and pleasure. So, at the end, please say it out loud with Peach: Gratitude, Gratitude for having sex.

桃子你好, 有点迷惑, 我的现任男友说一抱我就有生理反应, 虽然每天见面, 也经常为爱鼓掌, 但还是这样。也没有接吻, 就是纯抱抱, 问他是不是抱我时想了什么, 他也说没有。现任拍拖一年半了。前任也是这样, 拍拖三年还是一靠近就有反应。但我都不是他们的第一个女人。想问问其他男生女生, 这是男生的正常生理反应吗?

Uh, although I experience this too, we have been together for ten years, so I don't think it has anything to do with me, it's just that they are physically more excited, right? Some people's desires are stronger and some are weaker, some are just excited in those days, or just have more hormone reactions in those days, so as long as they are not disgusting, many women should have a reaction too. Although I don't want to admit it, I could break my leg, it's true that I wouldn't believe that he is so sympathetic to other women too.

Hi, 大家好我是情趣推荐官橘丝！

为了给大家推荐更多涩涩的小玩意儿
我每天都在研究：
“这个好玩吗？”
“xx 家的新品实用吗？”
“体内还是体外会更好？”
之类的问题
也尝试过了无数新品

但是个人的力量终归是有限的
一方面
虽然我年轻气盛
可玩具那么多根本试不动嘛 QwQ

另一方面
每个人的喜好都有不同
仅凭我一家之言太过片面
为了帮大家找到
命中注定的超合拍情趣玩具
给出全面、客观的评测
我和我的小伙伴们组成了
❖ 桃子测评团 ❖
正式出道！

桃子测评团都会做什么？
桃子测评团会审视玩具的设计

试验玩具的功能

当然，最重要的…
是实践啦 😊

最后，我们会给出各个维度的评分
外观、强度、独特性、玩法多样性…
方便大家根据自己的喜好做出选择

测评团觉得值得一试的玩具
也会联系品牌方
为大家谈到优惠的价格
💡

桃子测评团都是什么人？
为了得到全面的评价
我们的首发阵容包括了
不同年龄、不同口味、不同经验的
五位成员

小春新手村少女
被隔离在宿舍的女大学生一枚，
单身，玩具新手。

“不太敢用入体式的，喜欢可爱的东西！”

橘丝怪奇探索者
在外租房的女大学生，目前单身，
超出年龄的老司机。

喜欢尝试新奇的玩法，愿意花时间搞大动作。爱好和带字母的多少沾点边，对入体玩具体验一般，喜欢独特的设计。

曾被评价：“兄啊，你的xp真的怪。”

九毛
实用派生活家

轻熟都市丽人打工人，有男朋友，经验较多。
平常属于实用主义派“迅速来一发好好睡觉明天还要上班”；特殊场合和男朋友时喜欢有氛围感的单品，比如香薰蜡烛按摩精油调情小道具之类的。
“喜欢朴素带点浪漫的性生活风格。”

白白调情审美大师 都市丽人，已婚已育，性生活稳定，经验丰富。

追求“最好的”：最强的体验，最高级的外观，最精致的设计…偶发性和丈夫试试新花样，喜欢质量好、强力、玩法多且互动性较强的产品。
“没有什么接受不了的(包括价格)。”

八元“闷骚轻熟男”

九毛的男朋友，对于玩具话题稍显羞涩，但对自己的审美非常的自信(九毛：以至于克服了羞涩)，对于自己涩涩的欲望不太好意思谈(九毛：但本质上是个老色批)。

愿意学习，愿意尝试新的玩法，但对于性生活有一部分来自爱情动作电影以及二次元作品的刻板印象。

除了以上五位首发成员外
未来可能逐步扩大团的队伍
有尝试新玩具的机会

桃子测评团与你不见不散！

Hi everyone
I'm the sex reviewer officer Orange Silk!

To recommend more sleazy little things I do research every day:

"Is this fun?"

"Are xx's new products practical?"

"Would it be better in or outside?"

I always have this kind of problems. I tried a lot of new products, but the power of the single is limited in the end. On one hand, although I am young there are so many toys that I will not be able to even try all of them QwQ On the other hand, everyone's preferences are different. My own words are too one-sided. To help you find your destined toy to which you are super compatible with and to give a comprehensive and objective evaluation, me and my friends formed the 💎Peach Evaluation Team💎

Official debut!

What will the peach evaluation team do?

The Peach review team will review the design of the toy, experiment with the functions and of course, most importantly... Put them into practice 🤖

Finally, we will give a score for each of these qualities: appearance, strength, uniqueness, variety of gameplay... Our goal is to make it easy for everyone to choose according to their preferences. We will also contact the brand of toys that the review team thinks are worth trying to discuss good prices for everyone.

The Peach Evaluation Team is composed by who?

For a comprehensive evaluation our starting lineup includes people of different ages, different tastes, different experiences. We are five members

Koharu

Novice village girl

A female college student who lives alone in a dormitory, single and new to toys. "I don't dare to use asanas(dildos), I like cute things!"

orange silk

Seeker of the weird

A female college student who is renting a house, currently single. Old driver who's growing old. Likes to try new ways to play, willing to spend time on major steps. As a hobby she likes to explore di Edge with a capital letter, she has a basic experience with in-body toys and likes the unique kind of design. Once evaluated: "Brother, your XP is really weird."

Jiu Mao

Practical life at home

Light familiar urban beauty working as an employee has a boyfriend and more experience. Usually she belongs to the pragmatist school, "come quickly, have a good sleep, and go to work tomorrow"; on special occasions she and her boyfriend like to use items to light the atmosphere, such as scented candles, massage, essential oils, flirting props and all the things alike.

"I like a simple, romantic style of life."

in vain

Flirting Aesthetic Guru

Urban beauty, married with children, her sexual life is stable and experienced. She pursues the "best": the strongest experience, the most advanced appearance, the most exquisite design... Occasionally try new tricks with her husband, and she likes products with good quality, power, wider playability and strong interaction.

"Nothing is unacceptable (including price)."

eight yuan
"Smug and mature man"

Jiu Mao's boyfriend is a little shy about the topic of toys, but he is very confident in his own aesthetic (Jiu Mao: so much so that he has overcome shyness), and is too embarrassed to talk about his shy desires (Jiu Mao: but it is essentially a **old hot perv**). Willing to learn, willing to try new ways to play, but part of the sex life comes from the stereotype of porn movies and hentai.

In addition to the above five starting members, the team may gradually expand in the future. It is an opportunity to try new toys

Don't you want to keep waiting?

桃测 | 竟然被粉色喵爪小玩具弄到喊救命?!

桃子测评团 桃子笔记 2022-03-23 11:18

私密生活的「米其林指南」
今天, 你想尝哪一款?

◆ 本期主角 ◆

Q1 全方位把玩

- 外观 -

拆开包装, 这只小玩具通体是可爱的粉色

在细节处加入了**猫爪和金色皇冠元素**
是猫猫皇后的小玩具啦!

整体造型虽然不算露骨
但还是能看出来用途
所以羞涩的姑娘平常要收好哦~

- 功能 -

喵后权杖是双头设计
有吸吮和“内部冲击”两个功能

猫爪形状的吮吸端针对体外
有三个档位可选, 最低档的刺激度
已经完全能让普通女生兴奋起来了

另一端针对体内
用“冲击”的方式进行刺激
一共有 7 种强度和节奏可选
而且非常持久 😊

02

测评团“试后感”

— 优点 1 —

玩法多样, 刺激上限较高

不仅有两种功能, 还可以结合起来“**两面夹击**”

很多姐妹想探索体内, 但没有太大感觉

内外同时刺激是开发新世界的好方法

不仅方便找到舒服的区域

还能获得比平时更厉害的体验 😊

- 优点 2 -

两个基础功能表现过关

吮吸口的猫爪设计包裹度很好
容易对准位置

强度也到位，能刺激到深层

有“灵魂都被吸出来了”的感觉

表现甚至优于一些专攻吮吸的玩具。

- 优点 3 -

颜值实力双双在线

内部(pao)冲击(ji)类的玩具

外观往往非常“仿生”

就很尴尬，羞耻度爆表了😳

我最喜欢喵后权杖的一点
就是它认真考虑了女性的喜好
功能很猛，但外观可以萌
也没必要非得像男人
既然是自己取悦自己
那就贯彻到底嘛

体验上来说
力度到位，有明显的顶撞感
用手辅助的话
能持续刺激到最舒服的区域

- 需要注意的 -

喵后权杖整体刺激强度较高
对于新手来说有一定门槛
尤其是内用端最大直径达到了 3.5 厘米
有些姑娘可能会遇到进不去的状况

造型和声音上隐蔽性不太强
住宿舍的姑娘使用起来会有些麻烦
另外线缆和主体部分材质不同
有一定颜色差异

- 其他细节参数 -

防水:全身防水,可水洗

充电方式:针状插入式充电

工作声音:45分贝

物流:隐私发货

售后:官方渠道购买,一年质保免费换新

Peach Test | Unpredictably caught by a small pink claw toy and shouting for help? !

Peach Evaluation Team Peach Says 2022-03-23 11:18

The Michelin Guide for Private Living
Which one would you like to try today?

💎 Protagonist of this issue 💎

Peach evaluation team commented today a complete toy.

- Exterior -

Unpacked, this little toy is completely colored of a lovely pink and has added cat paws and golden crown elements as details. It's the cat queen's little toy! Although the overall shape is not explicit you can still see the obvious use.

So shy girls usually keep it away~

- Function -

The Queen's Scepter has a double-headed design. Has both sucking and "internal vibrating" functions. Cat's claw-shaped sucking end is destined to be used outside the body. There are three hats to choose from, the lowest one is the most exciting. It's enough to make ordinary girls aroused. The other end is destined to be used inside the body. Stimulate with "shock". There are 7 intensities and rhythms to choose from and it is very long lasting 😊 The evaluation team "impressions after the test"

- Advantage 1 -

Diverse gameplay, high stimulation features, not only has these two functions, but also can be combined to "double attack". Many sisters want to explore the body, but do not feel much simultaneous stimulation inside and outside and this is a great way to develop new worlds. Not only it is easy to find the area of your pleasure, you can also get a better experience than usual 😊

- Advantage 2 -

Two basic functions perform well: the cat paw design of the sucking mouth is well wrapped and gives you an easy alignment. The strength is also on the spot and is able to stimulate deeply. You will feel like "your soul has been sucked out". Even better than some toys that specialize in sucking.

- Advantage 3 -

Beauty and strength are both relevant.

The appearance of the internal (pao) shock (ji) toys is often very "biomimetic" and they are embarrassing, letting the shame is over the edge 😊

My favorite thing about the Queen's Scepter is that it takes women's preferences seriously. The effect is very powerful, but the appearance can be cute. It doesn't have to look like a man to please yourself. Then following through experience, the powerful effect stays in place, and it is clearly giving a sense of colliding: if you will assist it with your hands it will provide continuous stimulation to the most pleasurable areas.

- Notes -

The overall stimulation intensity of the scepter is relatively high. A certain threshold for beginners. In particular, the maximum diameter of the inner end reaches 3.5 cm. Some girls

may encounter situations where they can't get it in. Not too subtle in shape and sound. The girls in the dormitory⁸⁷ will have a little trouble to use it.

In addition, the materials of the cable and the main body are different. There is a certain color difference

- Other detailed parameters -

Waterproof: Full body waterproof, washable

Charging method: Needle plug-in charging

Working sound: 45 decibels

Logistics: Privacy Shipping

After-sales: purchase from official channels, one-year warranty for free replacement. Cat queen scepter

桃物 | 姑娘们, 不要再这样避孕了!

专注仙女养成 桃子笔记 2022-03-24 11:27

「桃桃优选」

Just Peachy

桃桃优选, 闪耀在银河中心的美好事物所, 专注仙女养成。
24 小时营业不打烊。

大家好呀, 我是桃子家的
好物推介人橙几~

都 2022 年了
居然还有姑娘们没搞明白
避孕那些事儿
太让我生气了!
昨晚突然收到一位女性朋友的电话
她和男朋友刚刚在一起
两个人准备开始第一次
临到事前女生说要戴上套套
结果男生却说没有准备 **说体外就好...**

气的我...还好这位姐妹非常之坚定一脚把他踢下了床 划重点: **当对方以任何理由不戴套时, 请务必把ta踢下车**

今天我就再再再来给大家总结一下妹子们最常遇到的迷惑避孕方法主要有以下几种
现在让我们开始打假行动

第一次不可能怀孕? NO! 性自由是每个人的权利但绝对不要无知地开始性生活姑娘们很有可能会被“女孩子第一次是不会怀孕的”这种迷惑言论所蒙蔽
要知道精子和卵子并不会因为你是第一次就停止运动要避孕就老老实实采取科学措施哦

安全期避孕？NO！“安全期不用戴套”这句话大家应该都很熟悉但是你真的知道安全期是什么吗？

女孩子来大姨妈可以说是一门玄学虽说一般来说它会有个周期但很多时候它是**不那么规律的**所以你想要计算安全期？我劝你有那个心力还是算算怎么买套套满减更划算

体外避孕？NO！体外这种避孕操作听起来似乎很合逻辑但是体外避孕真的靠谱吗？当然不啊，它比渣男还要不靠谱

渣男

因为精子不是只有“巅峰开枪时刻”才有啊**在 do 的过程中也会分泌精液**所以即使是体外也完全可以满足受精的条件 so...

事后清洗就可以避孕？NO！在各种玄学避孕大法中最令人迷惑的要数“事后清洗避孕”事后清洗本来是个关于个人卫生的行为怎么就上升到避孕这个功能性高度了？

水怎么能进去女生身体里进行清洁工作呢？？？

放假过后就到了我们的教学分享时间那到底什么才是最有效的避孕大法呢？当然就是**避孕套**

原因有以下两点

1. 避孕有效率高

正确佩戴品质合格的避孕套**避孕率高达 93%-95%**

2. 阻隔病毒

避孕套最伟大的地方就是不只是在避孕最重要的是它可以**阻隔病毒**极大程度上减少性病传播

所以即使是采取其他避孕措施也真诚**建议大家一定要戴套**养成健康开车的习惯而不要抱着侥幸心理啊

但卖套无数的桃子深知**想戴套又不失快感**才是情侣之间的活套目标毕竟戴套才能他好你也好

Fine, 说到这里

觉得有必要给大家分享一款“无套开车”的神器 **💎 日本进口冈本 裸感避孕套 💎**

-桃子实拍-

0.02mm 超薄空气裸感套

实现真正的肌肤交融

有研究表明避孕套厚度每减少 0.01mm 彼此的愉悦感就会增加 20%所以饮食男女都**想要无套感**也是人之常情啊

但是市面上常见的乳胶套厚度都在 0.06-0.08mm 之间即使是超薄款也有 0.04-0.06mm 的厚度所以戴套总是会觉得缺少许多愉悦感 而冈本 002 可以说是**真正意义上的超薄无感安全套**冈本 002 的套套厚度是市面上超薄款厚度的一半**只有 0.02mm**

-桃子实拍-

这种超薄技术在避孕套市场上也是超稀缺的 冈本 002 之所以超薄是因为它采用了**水性聚氨酯材质**

-桃子实拍-

这种水性聚氨酯材质强度更高并且导热性更好不仅可以做到更薄的 **也不太容易过敏**可以说是当代避孕套的技术先驱了

冈本 002 超薄无感套带上去就如空气一般可以让彼此的私密肌肤完全贴合 **感受最真实直接的触感**连对方的脉动都能感受到~ (脸红心跳)

02

瞬间导热感受对方最私密的体温

不少朋友都给桃子吐槽过觉得戴上套就很像在使用工具人因为感受不到对方的温度

而冈本 002 选择的水性聚氨酯材质更是完美地解决了普通套套导热性不强的问题
导热的特质, 让互动时👉👈
更好感受彼此身体的火热温度

丁丁能感受到对方兴奋温度

让你们一起燃烧

除了更导热的属性
这种材质也不含蛋白质, **所以抗过敏**

-桃子实拍 盗图必究-

致密度高到**可以阻隔病毒**
对于性健康，起到很好的保护作用

□

快感不减的基础上
安全感也倍增

-桃子实拍-

03

愉悦感不减的基础上强度、韧性是普通套套的 3 倍

你可能会想
这么薄的套，难道不会破吗？
只要好好佩戴
真的不用担心 do 破的问题
冈本的套套以水为溶剂较为润
耐性延伸性也很强

我们测评时往套里灌了很多水
在重量和长度表现上，**耐力十足**

-注水弹力测试-
从长度／粗度的测试表现都很优秀
水倒掉后，还可以任意拉扯**没有破损**

-储精囊 桃子实拍-

-拉力测试-

正常使用完全没问题除非...是有针在扎(没有暗讽 555)

嘴儿一个

要注意的是
活塞运动很激烈
给丁丁佩戴时，**要给套套排掉空气**
小心指甲倒刺划破

002 也是一款**适合口暖的套套**没有乳胶的异味在关键时刻绝不扫兴

多尝试一些不同的套套
解锁的快感体验完全不同
可以给滚床单这件事，增加很多新鲜感

Taowu | Girls, stop using these kinds of contraceptives!

Focus on fairy cultivation Peach Says 2022-03-24 11:27

Peach is a beautiful place that shines in the center of the galaxy, focusing on the cultivation of fairies.

Open 24 hours without closing.

Hello everyone, I'm from Peach's family

Good things promoter Orange Ji~

It's 2022, and there are still girls who don't understand contraception: it makes me so angry! I received a sudden call from a female friend last night. She and her boyfriend just got together and they were ready to start the first time. To prevent an incident, the girl asked to wear a condom. As a result, the boy said that he was not prepared and that as long as he came outside it was ok. I'm pissed...

Fortunately, this sister was very firm and kicked him off the bed

Remember:

When the other party does not wear a condom for any reason, please kick him out of the bed.

Today, I will come back again to sum up for you.

The most confusing contraceptive method that girls could mainly hear about are the following. Now let's start the anti-myth operation.

Impossible to get pregnant the first time? NO!

Sexual freedom is everyone's right, but never start to have sex ignorantly. Girls are likely to be "Girls don't get pregnant for the first time". Run away from such deceptive remarks and start to know about sperm and eggs. You don't have to stop protecting yourself just because it's your first time, if you want to avoid pregnancy take scientific measures seriously.

Safe period contraception? NO!

"No need to wear a condom during the safety period" Everyone should be familiar with this phrase. But do you really know what a safe period is? It can be described as a misconception transmitted from old women to little girls, although in general it is a cycle a lot of the times it is not so regular. So you want to calculate the safe period? I advise you to have that patience to count or better buying a set of condom: is more worthed.

(Come) outside contraception? NO!

This contraceptive operation outside the body sounds logical, but is going outside contraception really reliable? Of course not, it's even more unreliable than the scumbag. Because sperm is not only in the "peak shooting moment". Semen is also secreted during do, so even (coming) outside you will also fully meet the conditions for fertilization anyway..

Contraception after cleansing? NO!

Among various mythical contraceptive methods, the most confusing one is the "wash-after contraception". How does post-cleaning, originally a personal hygiene act, rise to the functional level of contraception?

How could water go inside a girl's body and be effective for contraception? After the holiday, it's time for our **teaching** sharing.

So what is the most effective contraceptive method? Of course condoms. There are two reasons for this

1. High contraceptive efficiency

Wear quality condoms correctly. The contraceptive rate is as high as 93%-95%.

2. Block viruses

The greatest place for condoms is not just for contraception. Most importantly, it blocks the virus, greatly reduces the spread of STDs so, even with other contraceptive measures, I also sincerely recommend that everyone wears a condom. Develop a healthy driving habit. Don't take (harmful) chances. But Peach, who sells countless sets of condoms, knows that people want to wear it without losing the pleasure. During **piston movement** between **couples**, after all, wearing a condom can make him feel good as well as you.

Fine, here we go

I feel the need to share the artifact that let you feel like "**driving without a suit**"

✦ Okamoto nude condom imported from Japan ✦

-Peach real shot-

0.02mm ultra-thin air nude sleeve. Achieving true skin blending. Research has shown that for every 0.01mm decrease in condom thickness, mutual pleasure increases by 20%. Therefore, both men and women want to feel free from condoms. It's human nature too.

But the thickness of the common latex sleeves on the market is between 0.06-0.08mm, even the ultra-thin are available in thickness of 0.04-0.06mm. So wearing a condom will always lead to a lot of lack of pleasure. Okamoto 002 can be said to be the true sense of ultra-thin non-sensing condoms. The thickness of the sleeve of Okamoto 002 is half the thickness of the ultra-thin models on the market. Only 0.02mm

-Peach real shot-

This ultra-thin technology is also super scarce in the condom market. The reason why Okamoto 002 is ultra-thin is that it is made of water-based polyurethane.

-Peach real shot-

This water-based polyurethane material has a higher strength and better thermal conductivity. Not only was it then possibly to make a thinner condom, but the material is less prone to allergies. It can be said it is the technological pioneer of contemporary condoms. Okamoto 002 ultra-thin non-inductive sleeve can be taken up and it is light like the air. It can make each other's private skin fit completely and feel the most real and direct touch. Can even feel the pulse of the other party~ (blush and heartbeat)

Instantaneous heat conduction

Feel each other's most intimate body temperature. Many friends have complained with Peach: "I feel like wearing a condom is like using a **tool/man**". Because I can't feel the other person's temperature, the water-based polyurethane material chosen by Okamoto 002

solved it perfectly. The problem of poor thermal conductivity of ordinary sleeves is solved and the heat-conducting properties allow the **👉👈** interaction. It is better to feel the fiery temperature of each other's bodies. **Tintin** can feel the excitement temperature of the other

party. Let you burn together. In addition to the more thermally conductive properties, this material also contains no protein, so it is anti-allergic

-Peach real shot, stealing pictures must be investigated.

It is dense enough to block viruses and gives good protection for sexual health. On the basis of undiminished pleasure, the sense of security is also doubled.

-Peach real shot-

On the basis of undiminished pleasure, strength and toughness are 3 times that of ordinary condoms. You might think "such a thin sleeve, won't it break?" Just wear it correctly and really you don't have to worry about the **do-broken** problem. Okamoto's condoms are more moisturizing with water as a solvent. Durability is also very strong. We poured a lot of water into the case during our review and it really endured in weight and length performance

-Water injection elasticity test- -Tension test-

Excellent performance from length/thickness tests. After the water was poured out, it can also be pulled as much as wanted and it had have no damage

-Semen vesicles peach real shot-

No problem in normal use. Unless... there was a needle in it **(no sarcasm 555)**. To be careful if **piston movement** is intense, when putting on penis push out the air from the condom. Be careful with your nails! 002 is also a condom suitable for the mouth: no latex odor, never disappointing at critical moments. Try some different condoms. The thrill of openings is completely different. It can add a lot of freshness to **rolling in the sheets**

话说以前都用它家的，因为不喜欢有味道或者凸点或者是本身橡胶味很浓的！为啥说以前是因为队友在国外两年多了～以前回来时候我买了各种牌子的试～本人喜欢试不同的牌子，对于化妆品和护肤品也是同样道理！

Wenwen

By the way, I've used it before. Because I don't like the taste or bumps or the strong rubbery smell! And I said I used it before because my friends have been abroad for more than two years~ Before they came back, I asked them to buy a variety of brands to try~ I like to try different brands. The same is true for cosmetics and skin care products!

女生性生活质量自测：你被满足了吗？

Original 桃子笔记 桃子笔记 2022-03-25 11:16

谈到私密生活是否和谐这个问题，大家往往会考虑私密生活的频率，仿佛只要频率高就是好的，却很少关注质量。

事实上，有些人就喜欢每天高强度贴贴，有些人则觉得间隔长一些有利于保持新鲜感，对于性生活频次的偏好是因人而异的，但所有人都更向往更高质量的私密行为。

尤其是对于女孩子来说，**单次体验好会比单纯的频率高更能激发满足感。**

女生想拥有高质量的私密生活，最重要的就是满足以下 3 点，快来对照自测一下，进行针对性提升吧～

｜心理与生理的双重满足

你知道吗，某种层面上我们的大脑才是最大的性器官。

心中的欲望之火被合适的氛围充分激发，你身体的感受会更加敏锐；过程中被细心呵护，那种亲密和充实能让体验更上一层楼。

因此，**氛围和仪式感并不鸡肋，而是提升质量的超强 buff。**

｜丰富有层次的操作

就像一道菜，除了盐还要放其他调味料才会好吃，单一的生理反应并不能带来满足。

所谓情趣，就是情事中要有趣味性，**多多发掘新的玩法，尝试不同刺激方式的组合，这样才能保持新鲜感呀。**

对自身喜好的了解

私密生活是非常个性化的：每个人有不同的敏感带，对于各种玩法的喜好程度也不一样。充分了解自己才能找到最有效的刺激方式，最大程度发掘快乐。

心理满足+丰富操作+了解喜好=高质量私密生活

那有没有方法可以同时以上提高三个维度呢？最简单直接的方式就是**探索更多敏感部位，获取更丰富的多重愉悦。**

首先，不同部位会感受到的快乐不一样。

比如外部获得的快乐比较迅猛，如同电流流过；内部的快乐则像潮水悠长又磅礴，给人一种充实的满足感。

而且同时刺激多个部位，可能有奇效哦。

比如豆豆+乳头+私房话，就是女性快乐金三角组合。同时刺激这两个部位，外加营造性感的心理状态，就能最快速度让女孩子达到快乐之巅。

此图片来自微信公众平台

未经允许不可引用

不过人只有两只手，很难做到同时照顾到所有部位，每个部位需要的手法也不一样。这时候就需要多种多样的小玩具来帮忙啦。

轻喃四重奏礼盒就很适合这样的“多线操作”：

和其他玩具差不多的价格，能一次性照顾到体外、体内、胸前、后庭，同时打开全身的快乐开关 🍑（说真的，四管齐下真的比单独一处厉害太多了…桃子现在还心有余悸，再试一次可能需要些心理准备 QAQ）

此图片来自微信公众平台

未经允许不可引用

一拿到手桃子就被震住了：这么大一个礼盒，黑金配色的 art-deco 风格花纹，感觉就像精灵女王的藏宝箱。同事都没想到这竟然是情趣玩具，还以为里面是高端品牌的包包。

礼盒里有四种功能不同的小玩具，我选择的是墨绿色套装，高级感拉满，**这就是贵妇级别的情玩吗** 😍

这四只小玩具，分别针对**体外、体内、胸前、后庭**：

0号主机
外部吸吮
大家都知道
外部的豆豆是最主要的快乐开关
分布在其上的感觉神经
足足有 8000 多条
它们延伸到整个私处
约有 10 厘米以上的长度

大部分感觉神经埋在深处
因此吸吸是非常深入有效的“手法”
轻吮 0 号机宽阔的吸口
能轻松找准花蕾
温柔包裹住
然后予以强劲的震荡刺激 🍑

那种震感能够传入身体深处
撩拨潜伏的神经
快乐像野火一样瞬间燃遍全身
普通女孩子一分钟之内
就会招架不住啦♥

一共有 6 档频率
我最惊喜的是
当快要登顶, 只差临门一脚时
只要把它压紧在身上
就会自动压感
吸吸力度一下子拉到最强
1 号
内部震动

拿着 1 号
我忍不住一直捏捏捏
因为实在是太柔软好 rua 啦
它全身都包裹着厚厚弹弹的硅胶

圆圆的头部上翘
牢牢顶住关键点
(快乐密码: 入口 5cm 左右上壁深处)

细细的脖颈方便进出
柔软的质地不会压痛入口

平时内部不太容易找到感觉
但搭配上 0 号的外部助攻
两面夹击
时而激烈时而舒缓的双重快乐
就是这么简单

2号 震动乳夹

胸前的小樱桃
是很适合新手入门的区域
揉揉搓搓
会有一种别样的幸福感
与私处的快乐相似
又不完全相同

一般的金属乳夹都比较紧
只是疼，没有太多快乐
轻喃2号可以调节松紧

内测还有防滑小颗粒
不仅防止夹松了滑落
震动起来时
还能加强摩擦感
快乐超级加倍！

它就像一个快乐buff
把身体维持在被持续撩拨的状态

这种状态下
无论碰任何其他区域
感觉都会更强烈哦

更别说女孩一对玉兔
颤颤地衔着小物件
看到这幅美景
谁能顶得住呢 😊
性感度 max

8号
震动后庭珠珠

后庭属于进阶玩法啦
但 8 号身材很纤细柔软
第一次尝试也不会有压力

虽然女性后面没有专门用来快乐的神经
但人类有肛欲期
刺激后庭会产生一种
充实的心理满足感

还能和 1 号内部震动
组成**最强震震天团**
搭配起来夹击内壁
感觉像是内部被不断揉搓
带动整个私处
一起加入狂欢💦
花样搭配 丰富玩法
四款玩具搭配在一起
就像协奏曲，此起彼伏
两两搭配，花式组合使用
内外同潮、快乐金三角、双重震动…
快乐不是做加法而是乘法

还可以同时使用其中三个功能
各处都被照顾
全身心都被填满
各种愉悦感汹涌而来
让我几乎无法呼吸
无论是怎样的老司机
都招架不住这样的多重刺激呀♀

与 ta 一起 尽情玩耍
轻喃礼盒的互动性也很强
可以操作的部分这么多
当然要和对象一起试个遍啦
不需要太多技术
投入全部感情
就能撩拨点火点燃她的全身

告诉姐妹们一个小秘密
男性的乳头
也是会感受到快乐的…
小姐姐们反攻的机会到啦 😊
有些姐妹可能觉得
“我就是不能接受后庭/乳夹
多买一个感觉不划算”
别担心
除了标准的四件套外
大家也可以根据自己的需求
自由选择配件

Self-assessment of female sexual life quality: Are you satisfied?

When it comes to the harmony of the private life, people often consider the frequency of private **activities** as if high frequency is a good thing, but little attention is paid to quality.

In fact, some people prefer high-intensity touching every day, while others feel that a longer interval is ideal to maintain freshness. The preference for the frequency of sexual life varies from person to person, but all people yearn for higher quality **private activities**.

Especially for girls, a good single experience will stimulate more satisfaction than the simple frequency. For girls who want to have a high-quality private life, the most important thing is to satisfy the following 3 points. **Come and prove yourself and make targeted improvements~**

Psychological and physical satisfaction

Did you know that our brains are, in a sense, the largest sex organ? The fire of desire in your heart is fully stimulated by the right atmosphere, and your body will feel more sensitive; if you are cared for in the process, the intimacy and fulfillment can take the experience to a higher level. Therefore, the atmosphere and sense of ritual are not tasteless, but super buffs to improve the quality.

Rich and layered operations

Just like in a dish when you add salt, to add other seasonings will make (the experience) delicious, and a single physiological response cannot bring satisfaction. The so-called **fun** is to have playfulness in love, explore new ways to play, and try a combination of different stimulation methods, so as to maintain freshness.

Knowledge of one's own preferences

Private life is very personal: everyone has different sensitivities and different degrees of preference for various gameplays. **Only by fully understanding yourself can you find the most effective way to stimulate and maximize your happiness.**

Psychological satisfaction + rich operation + understanding of preferences = high quality private life.

Is there any way to improve all these three aspects at the same time? The most simple and direct way is to explore the most sensitive parts and get richer of multiple pleasures.

First of all, different parts of the body will feel different happiness. For example, the happiness obtained from the outside is more rapid, like the flow of electricity; the happiness from the inside is like a long and majestic tide, giving people a sense of fulfillment. And stimulating multiple parts at the same time may have miraculous effects.

For example, **Doudou + nipple + private** room is the female happy golden triangle combination. Stimulating these two parts at the same time, plus creating a sexy psychological state, can make girls reach the peak of happiness as quickly as possible.

However, people only have two hands, so it is difficult to take care of all parts at the same time, and each part requires different techniques. At this time, a **variety of small toys are needed to help.**

The Quiet Quartet Gift Box is very suitable for such a "multi-line operation":

At the same price as other toys, it can take care of the **external body, the internal body, the chest**, and the **back** at one time, and at the same time turn on the joy switch of the whole body

🧙 (Seriously, the four-pronged approach is really much more powerful than a single one... Peach here is still shivering now, trying again may need some mental preparation QAQ)
As soon as I got my hands on the box, I was shocked: such a large gift box, with an art-deco style pattern in black and gold color matching, felt like the treasure chest of the elf queen. Colleagues didn't expect this to be a sex toy, and thought it was a high-end brand bag. Inside, there are four kinds of small toys with different functions. I chose the dark green color, which gives you a sense of luxury. Is this a high class woman's way to **love play**? 😊

These four small toys are aimed at external, internal, chest, and back court respectively:

Number 0

external sucking, everybody knows. The external **doudou** is the main pleasure switch, full of sensory nerves: there are more than 8000. They extend all over the private parts and are about 10 cm or more in length. Most sensory nerves are buried deep.

Therefore, inhalation is a very in-depth and effective "method". Gently whispering, the wide suction mouth of No. 0 machine can easily find your **flower buds and** wrap them softly and then give strong shock stimulation 🍆 That tremor can penetrate deep into the body. Triggering latent nerves. Happiness burns all over the body in an instant like wildfire: for ordinary girls in a minute!

I can't stand it ❤️ There are a total of 6 frequencies. The thing that surprised me most is that when you are about to reach the **peak**, and you are only one step away from reaching it, just squeeze it on your body, the pressure will automatically push the suction force to the strongest in a second.

Number 1

Internal vibration.

Hat number 1. I can't help but I keep squeezing it because it's so soft and smooth.

It's covered in thick bouncy silicone all over the body and the round head is upturned to hold it firmly on the **key points**.

(Happy secret confidence: upper wall at a depth of 5cm from the entrance). Thin neck for easy entry and exit. Soft texture does not tenderize the entrance: it is not easy to find the right spots of good feeling inside, but with the external assist of No. 0 and a double-sided attack, with a stimulation that gives sometimes intense and sometimes soothing double pleasure, it's that simple.

Number 2

Vibrating **nipple clips**

Little **cherries** on the chest! It's a good area for beginners to rub them. There will be a different kind of happiness similar to private pleasures, not exactly the same. Generally, metal breast clips are relatively tight, they are just painful, and you don't feel too much pleasure. Gently regulate No. 2 to adjust the tightness. There are also anti-skid small particles in the internal part that not only prevents the clip from slipping off when it vibrates, but also to enhance friction. Happy super double! It's like a happy buff.

Keep the body in a state of being constantly teased.

In this state, touch any other area: it will be felt to a stronger degree. Not to mention that no girl could resist seeing the beauty of a pair of jade rabbits and holding these trembling small objects 😊 the sexiness will reach its *max*

¥budP2ToTMGL¥

Number 8

Vibrating **back court** beads

The **backyard** is an advanced game, but the size of number 8 is very slender and soft, you won't feel stressed even on your first try. Although women don't have a nerve dedicated to pleasure in the back, humans have **anal sex**. The stimulation of the **rear court** produces a full psychological satisfaction. It can also vibrate with the internal No. 1 and form the strongest earthquake cluster. Match them together to pinch the **inner walls**. It feels like the inside is constantly being rubbed and drive the whole private part to join the party. 🐾

Pattern matching, rich gameplay!

The Four toys go together like a concerto, one after another. They can be paired in a fancy combination use. The same tide inside and outside, **happy golden triangle, double internal vibration...**

The resulting pleasure will not be just like an addiction but like a multiplication. You can also use three of these functions at the same time, having your body being taken care of everywhere. When all kinds of pleasures come together, it makes me almost unable to breathe. No matter what kind of **old driver**, I can't stand such multiple stimuli 🧐

Have fun with him!

The Whispering Gift Box is also very interactive. There are so many parts that can be manipulated. Of course, you have to try it out with the subject. Doesn't require much technique. Put all your feelings into, and you can set her whole body on fire. **I'll tell the sisters a little secret**: male nipples also feel pleasure...

Ladies and gentlemen, it's time to counterattack 😊

Some sisters may feel "I just can't stand **backcourt/nipple** clips: it's not worth it to buy one more". Do not worry!

In addition to the standard four-piece, everyone can also freely choose the accessories according to their needs.

Original 桃子笔记 桃子笔记 2022-03-30 11:34

“怀孕是一种只会传染女性的疾病，这种疾病会把人毫无差别地变成家庭主妇。”在电影《正发生》中看到这句话的时候，我心里的某个部分颤动了一下。决定花两个小时的时间看这部片子，是因为它有太多噱头：

电影关注的话题是女性堕胎，故事设定是在 1963 年的法国，女主是个文学系的女大学生。

以及，它拿到了去年威尼斯电影节的金狮奖。

并且，这部全女性视角的电影，也是由法国女导演奥黛丽·迪万执导的。

更“吸睛”的是，里面有传说中“展映过程中当场吓晕影评人”的堕胎桥段，没打码的那种。

如上四点加持，我没有拒绝它的可能性。尽管在观看前已经几乎预知了大部分情节，我的心仍旧随着情节起伏而一次次揪起、放下。

- 《正发生》，2021 - 对全人类来说，这可能是一部告诉我们追逐堕胎这一人权的警示片；但对女性来说，这一定是部恐怖片。它真实、清晰，甚至血腥。（本文配图不含有任

何血腥暴力镜头，请大家放心观看）

第3周月经，还是没来 女主安妮是个相当有天赋的女学生，在 1960 年代的法国，能够进入大学课堂的女孩仍屈指可数。安妮是其中一个，甚至是同系女同学中，最出挑的那个。

- 安妮 -

影片通过一节文学课交代了时代背景，哪怕是已经进入高等教育的女生，也可能因为准备结婚而放弃毕业，准备退学。这样的故事一次次发生，直到姑娘们习以为常，“**如果她也走了，我们又少一个人了**”。安妮的好朋友对她说：“我有种预感，到最后可能只有你还在读书。”

《正发生》里的安妮就是这样一个文学系的天才少女，上课时，她哪怕是在开小差，也能准确回答老师的问题，并得到赞许。在家庭内部，安妮也得到了母亲的支持。在父母经营的小酒馆里，母亲一边洗着被子，一边向老顾客“炫耀”着自己优秀的女儿，母亲笃信，女儿会以满分的成绩毕业。她说：“别谦虚了，我们都知道你是学霸。”老顾客点起一支烟，摸了摸自己做工后粗糙的双手，又看了看安妮只握过笔的手，感叹道：“**你这双手就不是做工的。**”

但在安妮心中，一直有件事放不下来。**她的月经迟迟没有来。**

可能是感受到了下体的一阵暖流，她去洗手间，褪下内裤却发现没有那滩本该有的红色血迹。于是，她焦躁地在本子上写下：“还是没来！”

此时，她已怀孕三周。

第4周怀孕=“绝症” 安妮去了一家诊所，医生看起来和她很熟悉。躺在检查床上，安妮全身上下只剩了一件白色的碎花 bra，医生问她，月经还没来吗。她说，没有。

“您有过性生活吗？”

“没有。”

“您有男朋友吗？”

“没有。”

“您怀孕了。”

这样一段荒诞的对话就发生了。安妮拒绝了怀孕的可能性，维护着自己“贞洁”的外在形象，却还是被宣告了这一“绝症”。怀孕为什么会被她称为“绝症”？导演通过医生的台词告诉了我们答案。这是 1960 年代的法国，禁止堕胎，如果医生答应了安妮帮助她流产的要求，他们就得一起进监狱，这时候，安妮甚至还在想，假如自己能够自然流产就好了。

回到家，她站在镜子前看自己的身体。一切都还是少女酮体的样子，小腹也并未隆起。

肚子里的孩子，就像不存在一样。那就让“它”永远失去被生下来的可能，安妮做下了决定。

第 5、6 周自行药流 安妮去图书馆翻阅了和怀孕妊娠相关的医学书籍，在被之前的医生拒绝流产请求后，她偷偷找到了另一位妇产科医生。医生同样不愿意替她承担风险，在半胁迫半央求下，医生给了她几支注射剂，告诉她，“**这会让您来月经。**”

安妮相信了。回家后，她自行注射这些“药流针剂”。其实针剂并不是堕胎药，而是保胎药雌二醇。注射针剂后，皮肤上留下了淤青。后来，这些淤青成为了学校里其他女生羞辱她的证据。

这时候，她已经开始孕吐。情况愈发糟糕，安妮找到了班里一个对她屡屡示好的男同学，并且告诉她自己已经怀孕，想问问他有没有知道的和她遭遇相同的女孩。再从她们的口中，得到能够堕胎的诊所信息。

而男同学却对他说：“我发誓，我从来没有想过，你会做这件事。”在被第一次性邀约被拒绝后，男同学又说：“你都怀孕了，我们不会有什么的。”

这个晚上，安妮没有回宿舍过夜。

与此同时，女生宿舍里的风言风语也已经愈演愈烈。安妮去澡堂洗澡，被看到了身体上的淤青，两个女生围住她，说她的淤青瘢痕是已经感染严重性病的表现，放荡的女人才会得那个。

并声称，整栋宿舍楼的女生都知道，**安妮昨晚没回宿舍，肯定是出去和男人乱搞了。**

第7周后挂科、焦虑、恐惧 安妮的成绩开始下滑，连教授都想不清楚，为什么这样一个从前非常出色的女孩竟然沦落到将要挂科的程度。

安妮的心态已经处于崩溃的边缘，一边是无法告诉的父母，一边是尚未有过性经验的闺蜜。

一番纠结后，终于决定将自己怀孕的消息告诉好朋友布里吉特 (Brigitte)。布里吉特对性非常好奇，她研究过自己哥哥的情色藏品，也毫无顾忌地向安妮和海伦展示自己的diy 技巧。

- 布里吉特 -

但在得知安妮怀孕的状况后，她却变得冷漠紧张，告诉安妮，她只能靠自己。

孩子的父亲，也是安妮的“419”对象在一次争吵后几乎放弃了所有责任。

随着时间的推移，安妮决定采取更直接的措施。**她再次想清楚了，这件事只能靠自己。**第一次尝试是根据之前在图书馆内看过的医学图书，安妮把金属衣挂烧红，插入体内，不断搅拌，直到流血。看到血流出来后，她甚至有些庆幸。但这法子还是失败了。

第二次，她尝试通过巨大的体力劳动来“自然流产”，却被母亲讽刺了：“与其在这里洗盘子又洗不干净，你还不回房学习考个好成绩。”安妮顶了嘴，“你知道什么学习啊？”话音刚落，就遭到了母亲的一个耳光。

此图片来自微信公众平台
未经允许不可引用

也正是因为这个耳光，安妮意识到了自己不能逃避，自己还想读书，还想读诗歌、上大学，不想和母亲一样经营一家破旧的小酒馆。在故事的最后，经过别人介绍，卖掉首饰和书籍后，安妮找到了一位收费高昂的产婆。这是全电影最让人无法直视的镜头，安妮的双腿张开，被金属钩侵入身体。她蜷缩着，抽搐着。对观众来说，这部分有着极强的压迫感。

在看到手术结束的那一刻，我长舒了一口气——我以为尽管惨痛，尽管血腥，结果都是好的。**但这次堕胎，还是失败了。**安妮再次找到产婆，产婆却告诉她，肚子里的孩子已经月份过大，不能引产。如果执意引产，将要承担包括血崩在内的一系列后果。安妮同意了。

如果你执意如此，你会承担很大的风险
你身体反应很糟糕，可能会出现并发症

手术成功。安妮回到学校宿舍，流产掉了未成形的婴儿，剪掉了脐带。这部分，也就是

当初威尼斯电影节公映时吓晕了影评人的片段。

至此，《正发生》的电影告一段落。流产的方式，还是被写成了“自然流产”。

但正如片名的“正发生”一样，哪怕是背景设定在 60 年前国外的片子，到现在也仍是一种在世界各地“正在发生”的故事。作为女性，我在看这部片子时，感受到一种心理和生理双重的压力与焦虑，这是一种女人之间的共享焦虑，共享恐惧。

生活中，我不止一次看到过别人“为什么要流掉这个孩子，生下来多好”、“会遭报应”的言论。但任何一种避孕措施都不能保证 100%的成功率，如果意外怀孕真的发生，选择生育与否是女性应有的权利。

流产，伤害的是女人自己的身体。那为什么她们还做了这个决定？作为旁观者的我们，没有资格站在“每个生命都值得尊重”的制高点上进行指责。请把子宫，还给女性。

What should a girl who fails contraception do?

Original Peach Says Peach Says 2022-03-30 11:34

"Pregnancy is a disease that affects only women, and it turns people into housewives indiscriminately."

When I saw this sentence in the movie "It's Happening," a certain part of my heart shuddered. Decided to spend two hours watching this film because it has too many gimmicks:

The topic of the film is female abortion. The story is set in France in 1963. The heroine is a female university student in the literature department.

And, it won the Golden Lion at the Venice Film Festival last year.

Moreover, this all-female perspective film was also directed by French female director Audrey Diwan.

What's more "eye-catching" is that there is the legendary abortion scene that "stunned film critics on the spot during the screening process", the kind that is not censored.

With the above four blessings, I had no possibility of not watching it. Although I had almost predicted most of the plot before watching it, my heart was still tugged and played again and again due to the ups and downs of the plot.

- It's Happening, 2021 -

For all of humanity, this might be a cautionary tale about chasing the human right to abortion; but for women, it must be a horror movie. It's real, clear, and even gory.

(The pictures in this article do not contain any scenes of bloody violence, Please feel free to watch)

Week 3

Menstruation, still not coming

The female protagonist Anne is a very talented female student. In France in the 1960s, there were still only a handful of girls who could enter university classes. Annie was one of them, and she even was the most outstanding one among the female classmates in the same department.

- Annie -

The film explains the cultural background of the time through a literature class. Even girls who have entered higher education may give up graduation and drop out of school because they are preparing to get married. This kind of story used to happen continuously, until the girls became accustomed to it, "If she goes too, we will have one person less". Anne's good friend said to her: "I have a hunch that in the end you may be the only one still reading."

Annie in "It's Happening" is a talented girl in the literature department. Even if she deserted class, she could answer the teacher's questions accurately and get praise.

Within the family, Anne also received support from her mother. In the tavern run by her parents, the mother "shows off" her excellent daughter to the old customers while washing the quilt. The mother believes that her daughter will graduate with full marks. She said, "Don't be humble, we all know you are a scholar." The old customer lit a cigarette, touched his rough hands after work, looked at Annie's hand that only held a pen her whole life and sighed: "Your hands are not for work."

But in Annie's heart, there was something she couldn't let go. Her period was not coming.

Perhaps, feeling a warm current from her lower body, she went to the bathroom, took off her panties, but found that there was no red bloodstain that should have been there. So, she anxiously wrote in the notebook: "Still didn't come!"

At this point, she was three weeks pregnant.

Week 4

Pregnancy = "terminally ill"

Annie went to a clinic and the doctor looked familiar to her. Lying on the examination bed, Annie had only a white floral bra left on her body. The doctor asked her if her period had not come yet. She said no.

"Have you ever had sex?"

"No."

"Do you have a boyfriend?"

"No."

"You are pregnant."

Such an absurd conversation happened. Annie refused the possibility of pregnancy and maintained her "chaste" external image, but she was declared "terminally ill".

Why is pregnancy called "terminally ill" by her? The director told us the answer through the doctor's lines. This is France in the 1960s. Abortion is banned. If the doctor would agree to Anne's request to help her having an abortion, they would go to prison together. At that time, Anne was thinking "it would be nice if she could have a spontaneous abortion."

When she got home, she stood in front of the mirror and looked at her body. Everything still looked like a not pregnant girl's body, and her lower abdomen was not bulging.

The child in the womb was like it didn't exist. Then Annie made the decision to let "it" lose the possibility of being born forever.

Weeks 5 and 6

self-medication

Annie went to the library to read medical books related to pregnancy and pregnancy, and after being denied an abortion request by a previous doctor, she secretly found another obstetrician. The doctor was also reluctant to take the risk for her, and under half coercion and half begging, the doctor gave her a few injections and told her, "This will make you menstruate."

Annie believed it. After returning home, she self-injected these "medicine drug". In fact, the injection was not an abortion pill, but the birth control drug estradiol. Bruises were left on the skin after the injection. Later, the bruises became evidence, and other girls at the school humiliated her.

By this time, she had started to vomit.

The situation got worse and worse. Annie found a male classmate in the class who had repeatedly shown her favor, and told him that she was pregnant. She wanted to ask if he knew of a girl who had the same experience as her to get information about clinics that could make an abortion from her mouth.

But the male classmate said to her: "I swear, I never thought that you would be wanting to do this." After being rejected for the first sex offer, the male classmate said again: "You are pregnant, nothing big will happen"

That evening, Annie did not go back to the dormitory for the night.

At the same time, the gossip in the girls' dormitory has also intensified. Annie went to the bathroom to take a bath, and was seen with bruises on her body. Two girls surrounded her, saying that her bruises and scars were a sign that she had contracted a serious sexually transmitted disease, and only slutty women would get that.

He also claimed that the girls in the entire dormitory knew that Annie didn't go back to the dormitory last night and must have gone out and fucked with men.

After week 7

Anxiety, pressure and fear. Annie's grades began to decline, and even the professor couldn't figure out why such an excellent girl in the past had been reduced to the point where she was about to fail. Annie's mentality is on the verge of collapse, with her parents to whom she couldn't tell her problem on a side, and her best friend who hadn't had sexual experience on the other. After some struggles, she finally decided to tell her good friend Brigitte the news of her pregnancy. Intrigued by sex, Brigitte had researched her brother's erotic collection and had no qualms about showing Anne and Helen her **DIY** skills.

- Brigitte -

But after learning of Annie's pregnancy, she became indifferent and nervous, telling Annie that she could only rely on herself.

The child's father, who is also Anne's **"419"** (for one night) counterpart, gave up almost all responsibility after an argument.

Over time, Anne decided to take a more direct approach. She figured it out again, this matter can only rely on herself.

The first attempt was based on a medical book she had read in the library before. Anne burned the metal clothes hanger till it was red and inserted it into her body, and kept stirring until it bleeds. After seeing the blood coming out, she was even a little relieved. But this method still failed.

The second time, she tried to "naturally miscarry" through huge physical labor, but was ridiculed by her mother: "You might as well go back to your room to study and get good grades in the exam instead of washing the dishes here and getting a good score." Annie replied, "What do you know about learning?" As soon as she said it, her mother slapped her. It was precisely because of this slap in the face that Annie realized that she could not escape. She still wanted to read, read poetry, and go to college, and she didn't want to run a shabby tavern like her mother did.

At the end of the story, after being introduced by others and selling jewelry and books, Annie finds a midwife who charges a lot. This is the most unsightly scene in the whole movie, Annie's legs are spread out and metal hooks penetrate her body. She curled up, twitching. For the audience, this part gives a strong sense of oppression.

The moment I saw that the operation was over, I gave a sigh of relief - I thought that despite the pain, despite the blood, the outcome was good.

But the abortion failed.

Annie found the midwife again, but the midwife told her that the child in her womb was too old to induce labor. If you insist on inducing labor, you will have to bear a series of consequences, including blood metrorrhagia. Annie agreed.

The operation was successful. Annie went back to the school dorm, aborted the unformed baby and cut the umbilical cord. This part is the clip that scared the critics when it was released at the Venice Film Festival.

So far, the movie "It's Happening" has come to an end. The method of abortion is still written as "natural abortion".

But just like the "happening" in the title, even a film set in a foreign country 60 years ago is still a story that is "happening" all over the world. As a woman, when I watched this film, I felt a dual psychological and physical stress and anxiety, which is a shared anxiety and shared fear between women.

In my life, I have seen other people's remarks more than once, "Why should I abort this child, how good it is to be born" and "will be retributed". But no contraceptive method can guarantee a 100% success rate. If an unintended pregnancy does occur, it is a woman's right to choose whether to have children or not.

Miscarriage hurts the woman's own body. Then why did they make this decision? As bystanders, we are not qualified to stand on the commanding heights of "every life is worthy of respect".

Please return the uterus to women.

就算会遭报应，那也该报应在男性身上，不然这孩子就算生下来也不能要

阿郑好

我觉得很多男生，包括年纪大一点的避孕知识掌握得都不充分，有时候我都怀疑他们或许不是知识不足，而是出于别的目的才愿意相信**体外是**可行的避孕方法。有时候生理期推迟一点，即使知道是有措施的还是会寝食难安，因为怀孕这件事对女生来说影响实在是太大了。而且感觉目前的大多数人还是把意外怀孕当作丑事，给当事人贴上各种标签。之前我慢性阑尾炎去做b超被医生问有没有性生活，我回答有，于是被问生理期正不正常，我说不可能有问题，有措施，我自己也用验孕棒测试过，又被问有措施为什么要用验孕棒，于是被建议做了经阴b超，还被怀疑是妇科疾病，让我去看妇科，妇科方面根本就没有问题。我在想如果那个时候我回答我没有性生活是不是就不会被误诊了，也不至于最后阑尾炎变严重直接做了手术

难道该反思的不是当时当地的法律吗？

H.S

因为电影观众是现代人。把背景放到现在的话，咱们国家的法律其实也有很多可以擦边的地方。关键是作为一个公民，要么先守法直到自己有能力改变法，要么撸挑子走人去当别处的公民。总不能一边享受这个国家的公民权，一边先擦边违法，要付出代价的时候又说法不合理，对吧。

H.S

女主作为当时大环境的一份子了解法律，又作为成年健康女性知道无保护性交会有怀孕的风险。这种情况下仍然选择419，那只能说在一部分人身上的确性快感战胜一切，后面的事都是求仁得仁。
再或者，她也可以选择约炮，照样能好好写她的书。

H.S

but, 虽然我能理解那个时代某些西方国家出于宗教传统或者别的什么原因搞出这种政策，但他们认为堕胎有罪的同时，居然不男女同罪？？这我就很不能理解了，好像女人自己就可以让自己怀孕一样。

10周时胚胎停育，检查完医生直接告诉我保不住了，晴天霹雳，连外面的阳光都是冷的。医生建议流产，第三天去住了院。

选择了无痛人流，是个全麻手术。
进了手术室，脱掉病号服的裤子，张开双腿躺上手术床，架子上的腿被固定住。
衣服扣子被解开，贴上冷冰冰的心脏监护仪，食指被夹上，有种电视剧里被抢救的不真实感。
医生开始给我消毒，跟我说，有点凉，没事的。
护士温柔的跟我说“手术室滞留针有点疼，忍着点，千万别乱动”，随后手腕一阵疼痛，有针管扎了进来。
麻药点点滴滴流进我的身体，前一秒还在回答护士医生的问题，后一秒我失去意识。
中途，我醒了。
谁？谁在搅我的肚子？
我没有完全清醒，只是半昏半醒。但是。
疼，真的疼，十倍痛经的疼，肚子里有绞肉机疯狂搅拌。
我开始挣扎。
医生发现了，我听见她喊“她醒了，快快快！”
有医护上前走动，可能调大了点滴，我又陷入了麻醉。
有人在喊我的名字，让我醒醒，不能睡了。
我开始干呕，我的气管(喉咙)被插了管。
医生沿着我嗓子取掉管，我像个被掏空的死鱼，茫茫然。不知今夕何夕。
我被要求自己穿上裤子，从手术床下来，挪回推床。
肚子还在疼，一丝丝也没有减少。
我的动作十分艰难，像 90 岁老太太。
我躺在推床上被送到观察室。
恍惚间听到有人喊“快醒醒，手术做完了，我们休息一下，要回去了，不能睡！快醒醒！”
我闭着眼睛，有泪水从眼角滑过。
我知道我的宝宝没有了。

I think a lot of boys, including older ones, don't have enough knowledge of contraception, and sometimes I suspect that they may not be lacking in knowledge, but are willing to believe that "outside" contraception is a viable method for other reasons. Sometimes the menstrual period is delayed a little bit, and even if you know you took some protective measures, you will still have trouble sleeping and eating, because pregnancy has a great impact on girls. And I feel that most people at present still regard unwanted pregnancy as a scandal and put various labels on the people who encounter it. I had chronic appendicitis before and the doctor asked me if I had sex. I answered yes, so I was asked whether my menstrual period was normal. I said there was no problem. I used contraceptives. I also got it tested with a pregnancy test. When I asked why I should get a pregnancy test, I was advised to do a transvaginal echography. I was also suspected of a gynecological disease. I was asked to see a gynecologist. There was no problem in gynecology at all. I was thinking that if I answered at that time that I didn't have sex, I wouldn't have been misdiagnosed, and I wouldn't end up with severe appendicitis and surgery.

H.S

Because moviegoers are modern people. Setting the background into the present, there are actually many places where the laws of our country can be brushed aside. The point is that as a citizen, you either abide by the law until you have the ability to change it, or take your pick and go to be a citizen elsewhere. You can't enjoy the citizenship of this country and breaking the law first, then when you do it you have to pay the price, it's unreasonable, right?

H.S

The heroine understands the law as part of the larger environment at the time, and as a healthy adult woman knows that unprotected intercourse carries the risk of pregnancy. After entering the operating room, I took off the trousers of the hospital gown, and lay on the operating bed with her legs outstretched. The legs on the shelf were fixed.

The buttons of the clothes were unbuttoned, a cold heart monitor was attached to her body and the index finger was clipped. There was an unreal feeling of having been rescued in a TV

series. The doctor started sterilizing me and told me that I was going to feel a little cold and it was fine. The nurse gently said to me, "The remaining needle in the operating room is a bit painful, please bear with it and don't move it."

The anesthetic dripped into my body, and I was answering the nurse and doctor's questions one second, and the next second I lost consciousness. Halfway through, I woke up. Who? Who is stirring into my stomach? I wasn't fully awake, just half awake. But It hurt, really hurt, ten times as painful as menstrual cramps, and there is a meat grinder in my stomach to stir frantically. I started to struggle. The doctor found out, and I heard her shout, "She's awake, hurry up!" A nurse stepped forward, maybe turning up the drip, and I fell into anesthesia again. Someone was calling my name, making me wake up to not sleep. I started retching and my trachea (throat) was intubated. The doctor removed the tube down my throat, and I was dazed like a hollowed-out dead fish. I don't know what was going on that day. I was asked to put my pants on myself, get off the operating bed, and move back to the push bed. My stomach still hurt, and it hadn't diminished either a little bit. I move very hard, like a 90 year old lady. I was taken to the observation room while lying on a push bed. In a trance, I heard someone shouting, "Wake up, wake up, the surgery is over, let's take a rest, we're going back, we can't sleep! Wake up!" I closed my eyes, tears streaming down the corners of my eyes.

I knew my baby was gone. It's been a week since the surgery, and I always dream of the day of the surgery.

The most annoying thing is those people who persuade people who get pregnant by accident to carry it... Standing and talking without back pain, they don't understand what an accident is. !

So how did she get pregnant? What does that 419 mean? This makes me very curious, I will look for this film.... But just seeing the screenshot of the midwife helping her to have an abortion makes me feel uncomfortable... If the girl is not ready, please don't let it happen. I am afraid of the possibility of my pregnancy, I read a science article about how miscarriages work in different months. It's too scary

time 🐾

There is a girl I know. She is 28 and her partner is 47 and doesn't know how to choose contraception. She had just had an abortion not long ago, and it was less than a month ago that she began to worry about whether she would have STD or not. I asked her why she didn't

take safety measures since she was so afraid. And it's just been done. She said her husband didn't like wearing condoms and asked her if “you could wear socks to wash your feet”. After chatting later, I learned that she didn't know any other contraceptive methods that were not emergency contraceptive pills and coming outside. I think whether a boy cares about a girl or not has nothing to do with age.

I just crawled all over the place (meme, I was desperate)

I was really worried about getting pregnant

Even just rubbing on the panties makes me nervous

I went to chat with the psychology teacher (I am a high school senior, already 18, my boyfriend is a junior in high school) I said I was still worried that my dad will disclose all the dirty details anyway, I asked her is I could get the contraceptive medicine so that I could at least get rid of it.

She said that the anticoncepcional pill flow has great side effects on the body. In fact, her second child just didn't wear condoms all the time because she felt that there was no danger during the safe period.

I told her that it's better than being pregnant.

If possible, after going to college and having money, I will do a sterilization or ligation. I am really afraid of pregnancy.

The first time between my previous and current boyfriend, because I was afraid of the transmission of body fluids caused by other non-direct contact, I hurried to buy emergency contraceptive pills. I ate it and my body didn't respond, and I was worried if it would have failed. I bought more than 20 pregnancy test sticks from supermarkets or pharmacies, and now I have secretly stocked up a lot of them online at home.

When you get pregnant unexpectedly and you don't want it, the most annoying thing is having someone to come and saying "since you're pregnant, give birth", "you are a single mother anyway, so you have to get a companion for the child", "let's raise it for you, let's give birth", "Abortion is murder, you know you are you going to be punished?" "This is the fate of the two of you."

I wanted to watch this movie at the beginning, but I didn't have the courage to watch it when I saw the end.

Qianshan Twilight Snow

If you want to have sex, don't be afraid of pregnancy. The best way to avoid abortion is to keep yourself clean! Don't say anything, I'm still young, I can't stand the bewitchment of men! First, if you don't want to go to bed with a man, just refuse, don't make excuses for going to bed with a man! Second, don't say that he forced you. If a man forces you, you can threaten him with the police! Therefore, based on the above two points, women who are pregnant before marriage all want to have sex! So debauchery is not wrong! Pregnancy is even more deserved, miscarriage or something is another story! Once done, there will be consequences! Let's have sex, don't say anything, it's just this time, and this time, and then there will be the next time! Either don't do it, or continue to be wrong! Therefore, the ancients said that men and women who are sterile are the blessing of women! ! ! I am not fucking feudal conservative! Since we can kiss, hug, sleep, we can have sex! This is what men always think ☹ !

Faey

It hurts, it hurts, it hurts. It is better to rely on yourself than anyone else.

Muzi

1 From a male perspective, I am more inclined to respect the other half's choice in this matter
2 From a female perspective, sex without security measures is kidnapping until either party is ready to have a cub.

3 As for the disease that turns women into housewives, I actually think this sentence makes people feel very uncomfortable. Whether in humans or ordinary mammals in nature, female pregnancy is a way of population continuity. But when I say this now, I run a huge risk of being attacked by female fists.

4 Don't worry, everything is going well.

全员 Q&A

八元: 看起来像个电动牙刷... 它到底怎么用的呀?

白白:主要是靠触头的部分刺激外部豆豆以及其他敏感带哦。

橘丝:听起来功能比较单一耶, 它和普通豆豆快乐笔有什么区别吗?

白白:据说它的运动模式使用了某种黑科技呢, 普通震动类玩具都是左右或上下往复震动的, 相当于不断小幅度“点拍”一个区域产生刺激;

但是 zumio 的触头是打圈运动的, 相当于在快速小幅度的“揉动”关键部位。

橘丝:这个我知道! 女生用手快乐的时候, 一般都是这个手法哦 www

白白:是的, 所以这种独家的刺激方式很有效, 像手一样准确, 又比手频率更快更持久。

九毛:我问直接一点! 它实际上用起来…爽吗?

白白:我直接回答了! 点上去不一会儿, 莫名其妙就“到位”了。每天睡前一分钟迅速上天, 然后直接睡觉, 睡眠质量超好 😊
它有 7 档强度可选, 我一般只用 1-3 档就足够了, 剩下的自己脑补吧哈哈。

咳咳, 客观来说, 用水来演示一下, 和普通震动玩具比起来, 这种搅动式的刺激确实是有优势的。

小春:黑科技好神奇哦,但是它为什么能卖到一千多这么贵呢?贵妇级玩具和普通玩具的区别到底在哪里呀?

白白:我觉得高端产品的精髓在于,在提供基础功能外,全方位提升使用体验。比如 Zumio 虽然只有体外刺激一个功能,但是围绕着这个功能做了很多辅助设计:使用的时候,手指正好能按到调节档位的按钮;

还有**压感变速功能**,所以用起来非常顺手。外形注重简洁实用,有防尘盖和防滑带;

还配有专门的充电底座,可以说是全面顶配了。

小春:我以后一定努力挣大钱变成富婆拥有优质性生活,连小玩具都要用顶配的!

番外篇(这是我不花钱可以看的吗)
了一个,感觉自己要被冷落了怎么办 QAQ

八元:九毛(八元的女朋友)最近也入手

橘丝:如果是我的话,两个人会这么玩:先撩拨其他敏感部位,然后一直点住关键点,档位时强时弱。哦对了,最好配合手铐呀之类的道具固定住对方才不会乱动,这样就能连续多次 sjdhqwi...强制...jskdas 边缘...(被九毛捂住嘴拖走了)

Full Q&A

Ba Yuan: It looks like an electric toothbrush... How does it work?

Bai Bai: Mainly rely on the contact part to stimulate the external **peas** and other sensitive zones.

Orange: It sounds like the function is relatively simple, is it any different from the ordinary **Doudou** Happy Pen?

Baibai: It is said that its movement mode uses some kind of obscure technology. Ordinary vibrating toys vibrate left and right or up and down, which is equivalent to continuously "click" an area to generate stimulation;

However, the parts of the zumio move in a circle, which is equivalent to "kneading" the key parts in a rapid and small range.

Orange: I know this! When girls **make themselves happy** with their hands, this is usually the way www

Baibai: Yes, so this exclusive stimulation method is effective, as accurate as a hand, and faster and longer lasting than the hand frequency.

Jiunmao: I ask directly! Does it actually work... cool?

Bai Bai: I answer directly! After clicking on it for a while, it was inexplicably "in place". Go to the sky one minute before going to bed every day, then go to bed directly, the quality of sleep is super good 😊

It has 7 levels of strength to choose from. I usually only use 1-3 levels. I will make up for the rest. Hahaha.

Objectively speaking, compared with ordinary vibrating toys, this kind of stirring stimulation is indeed advantageous.

Xiaochun: This technology is amazing, but why is it so expensive that it can be sold for more than 1,000? What is the difference between high class toys and ordinary toys?

Image Baibai: I think the essence of high-end products is to improve the user experience in an all-round way in addition to providing basic functions. For example, although Zumio only has one function of stimulation out of the body, it has done a lot of auxiliary design around this function:

When in use, you can just press the with your finger button to adjust the power of the gear;

There is also a pressure-sensitive shifting function, so it is very easy to use.

The appearance focuses on simplicity and practicality, with dust cover and anti-skid belt;

It is also equipped with a special charging base, which can be said to be a comprehensive top configuration.

Xiaochun: In the future, I will definitely work hard to earn a lot of money and become a rich woman with a high-quality sex life. Even small toys must be matched with the best ones!

Extras

(Is this something I can watch without paying?)

Ba Yuan: Jiu Mao (Ba Yuan's girlfriend) also bought one recently, what should I do if I feel like I'm going to be left out QAQ

Orange: If it was me, the two of you would play like this: first touch other sensitive parts, and then keep clicking on the key points, the gears are strong and weak. Oh, by the way, it's best to use handcuffs and other props to block the other party so that they won't move, so that you can **sjdhqwi** multiple times in a row... force... the edge of **jskdas...** (was dragged away by Jiu Mao covering her mouth)

Ba Yuan: (notes in a small notebook) I learned it! I can finally feel a little bit involved ✨

Original 桃子笔记 桃子笔记 2022-03-31 11:14

一个真实故事。
我好像从生下来就会自慰

我今年 21 岁，马上要过 22 岁生日了。

我和走在路上的，所有二十多岁的女孩看起来都一样，但我知道我和她们不一样，我觉得我淫荡、邪恶、不知羞。这些形容词不长在我的脸上，但长在我的内心深处。

我永远无法忘记 10 岁那年，一个晚上，我在床上趴着，右手的三根手指习惯性地隔着内裤摩擦着私处，突然房门被打开，顶灯亮起，母亲掀开被子，带着难以置信的神色，质问我正在干什么。

我被骤然的亮光晃得睁不开眼，我甚至来不及整理好裤子，我的脸还以一种屈辱的姿势压在枕头上。她问我，你知道自己在干什么吗？你是觉得这样很舒服吗？

我说是的，每次这样弄完我就能睡得很香。这应该叫手淫，或者也可以叫自慰。

- 电影《嘉年华》 -

母亲的脸色像酸掉的黄瓜，眉头一拧就能挤出苦水，她欲言又止，但我已经在她的眼神里读出了嫌恶，失望，震惊，鄙夷。

十年过去了，我还深刻地记得那一天。每个小孩儿或许都有青少年自慰被家长发现的经历，有些是一段尴尬诙谐的生活插曲，有些却可能成为萦绕不散的心理阴影。

- 电影《嘉年华》 -

我比一般小孩生理成熟得早，大概在幼儿园中班，每次午睡时我都会无意识地用被子摩擦我的阴部，当时我并不知道这是什么，仅仅觉得这样很舒服，于是就总是想重复这个动作。

这种快感和收到老师奖励的小红花、吃到好吃的红烧肉不太一样，它是一种完全内发的，汹涌而上头的快感。当我慢慢长大，因为好奇心和探索欲偷偷看了很多不符合年龄的小黄书，我才知道，原来这叫自慰。

当时没能想明白，为什么我会本能地觉得那样做好羞耻，我只会在每天睡前的被窝里“速战速决”，不敢和同龄朋友分享，更不敢被父母看见。

- 电影《嘉年华》 -

十年后，我知道婴儿在子宫里就会无意识自慰，知道性高潮后多巴胺分泌锐减，催乳素分泌增加，于是人就容易休息好，知道性欲并不是洪水猛兽。但母亲当时的行为给我留下了不可磨灭的 PTSD，她本可以采取更温和的性教育方法。

但在这断层的十年，她再也没有提过这件事，性教育科普是大部分家庭中不存在的伪命题。成年后，她反复对我灌输的“婚前性行为是可耻的”之类的观点，不过是小时候那次被打断的阴影的延伸。

- 电影《嘉年华》 -

被摸屁股是正常的吗？

我的第一次月经发生在四年级，那时候我已经开始发育。隆起的胸部，逐渐丰满的身体线条，腋窝、小腿、私处越来越茂密的毛发，无不在提醒我，你正在变化，你不再是小孩子了。

成长成熟本来应该是一件喜悦欣慰的事，但对性早熟的小女孩来说，它更像是一个诅咒。同班的男孩也开始发育，男孩的性早熟表现为向外的攻击性，女孩的性早熟却表现为向内的自我谴责。

- 电影《踏血寻梅》 -

下课时我站在走廊上，路过的男生就会用脚轻轻蹬一下我的屁股，他们并不用力，我却会感到十倍的痛，比起直接的暴力，它更像是一种凌辱性质的挑逗。

我一开始还会据理力争，但永远得不到相应的道歉，年少的羞耻心也让我觉得这样的事难登大雅之堂，不敢和老师倾诉。久而久之，每个性早熟的女孩都学会了沉默。

- 电影《过春天》 -

五年级时班里调来了一位科学老师，一位三十多岁的男性，他上课从不提前准备，总是象征性地捧起书照本宣科地念。每节下课他都会报几个女生的名字，有班长有课代表，让她们去办公室抱作业本。

我也在这份名单里，但我不是班长也不是课代表，很巧的是，班长与课代表也和我一样，拥有和稚嫩面貌并不协调的身材曲线。我当时只因为能被老师“青睐”而感到开心，我并没有想那么多。

- 电影《踏血寻梅》-

他把我们叫到办公室，把作业本递给我们，再一个个地把我们拉到身前，手掌从肩膀往下，经过脊背，腰，最终停留在臀部，然后再往上，如此反复，来来回回地打转。

我现在回忆起来觉得好恶心，恶心到感觉自己的后背长出了鳞片，抵御着外界所有感官的入侵，但当时我只觉得懵懂和好奇，老师在干什么呢？我们被他摸屁股，这是正常的吗？

- 电影《过春天》-

但这并不是我们的错

这不是正常的，这些发生在我身上的暴力，无论是父母在性教育上的缺席与推波助澜的误解排斥，还是青春期遭遇的言语与行动上的性猥亵，它从来都没有冠冕堂皇的解释。

我用了很多年，填补了空缺的性教育，摄入了更多有关女性、性早熟、暴力的知识，我意识到我是一个典型的受害者，而施暴的有太多太多。

我应该去责怪父母保守的教育观念，他们对性讳莫如深，避之不谈，让我觉得性欲的萌生是可耻的，而它本就是人类最普遍最常见的生理欲望。

我应该去责怪青春期经历的那些猥亵者，他们猥琐又恶劣，把性欲横加在无辜懵懂的小女孩身上，正是因为他们的存在，合理的欲望在世俗中成为禁忌与污秽的代名词。性欲本无罪，但如果用来伤害他人，它就是世间最下流的暗器。

- 电影《踏血寻梅》-

但我们唯独不应该去责怪我们自己。懦弱、自卑、羞耻，这些后天的性格都有它们的成因。要挺直胸膛，要勇敢反击，要向所有伤害露出不屑而自信的笑。

性不是洪水猛兽，虽然它在我们的日常生活中时常被束之高阁。对性的污名，其实隐含着对性的崇拜。它是如此神秘而重要，却始终缺席在孩子们的生活中。

-《女性瘾者》-

我们的生殖器官生来就孕育在我们的体内，我们的欲望是深植于身体深处的小闹钟，所谓性早熟与性晚熟，不过是被唤醒的时间不同。

真诚地祝愿，每一位像我这样的女孩，都能穿破暴力的表象，解构虚无的疼痛，抵达纯熟美满的彼岸。

- 电影《嘉年华》 -

The more women have no "concept of chastity", the freer they are.

Original Peach Says Peach Says 2022-03-31 11:14

A true story.

I feel like I've been masturbating since I was born. I am 21 years old and will be celebrating my 22nd birthday soon.

I look the same as all the girls in their twenties on the road, but I know I'm not like them, I think I'm horny, evil, and shameless (without face). These adjectives are not on my face, but deep in my heart.

I will never forget when I was 10 years old. One night, I was lying on the bed, and the three fingers of my right hand were habitually rubbing my private parts through my underwear. Suddenly the door was opened, the ceiling light was switched on, and my mother lifted the quilt, with an aggressive look, and she asked me what I was doing.

I was blinded by the sudden light, I didn't even have time to straighten my pants, and my face was pressed against the pillow in a humiliating position. She asked me, do you know what you are doing? Do you find this comfortable?

I said yes, I can sleep soundly every time I do this. It should be called self stimulation, or it could be called masturbation.

- The movie "Carnival" -

Mother's face is like a sour cucumber, and she can squeeze out bitterness with a frown. She hesitates to say anything, but I have read disgust, disappointment, shock, and contempt in her eyes.

Ten years later, I still remember that day vividly. Every child may have the experience of teenage masturbation being discovered by parents. For some of them it is an embarrassing and humorous life episode, and for some may become a lingering psychological trauma.

- The movie "Carnival" -

I matured earlier than the average child. I was probably in kindergarten. Every time I took a nap, I would unconsciously rub my pussy with the quilt. I didn't know what it was at the time and I repeated this action.

This kind of pleasure is not the same as the little safflower rewarded by the teacher and the delicious braised pork. It is a completely internal, surging pleasure. When I grew up, because of curiosity and desire to explore, I secretly read a lot of little yellow books that didn't fit my age, and then I realized that it was called masturbation.

At that time, I couldn't figure out why I would instinctively feel that I would be ashamed like that. I would only "quickly finish" in the bed before going to bed every day, and I didn't dare to share it with my peers, let alone be seen by my parents.

- The movie "Carnival" -

Ten years later, I know that babies are unconsciously masturbating in the womb, that after orgasm, the secretion of dopamine drops sharply and the secretion of prolactin increases, so it is easier for people to rest and know that sexual desire is not a monster. But my mother's actions at the time left me with an indelible PTSD that she could have taken a gentler approach to sex education.

But in the ten years from this fault, she never mentioned it again. Sex education does not exist in most families. As an adult, the idea that premarital sex is shameful that she instilled in me is just an extension of the shadows of that interruption when I was a child.

- The movie "Carnival" -

Is it normal to get your butt touched?

My first period happened in 4th grade, when I was already developing. The bulging breasts, the gradually fuller body lines, the thicker hair on the armpits and private parts reminded me that I was changing, that I was no longer a child. Growing up is supposed to be a joy, but for precocious little girls, it's more of a curse. The boys in the same class also began to develop, the boy's precocious puberty showed outward aggression, and the girl's precocious puberty showed inward self-blaming.

- The movie "Treading the Blood to Seek Plum"-

I was standing in the hallway after class and the boys passing by would gently kick my ass with their feet. They didn't exert any force, but I would feel ten times the pain. It was more of an insult than direct violence, of a teasing nature.

At the beginning, I would still fight for them to say sorry but I would never get a corresponding apology. My youthful shame also made me feel that such a thing was difficult to express, and I did not dare to talk to the teacher. Over time, every precocious girl learns to be silent.

- The movie "Over the Spring"-

In the fifth grade, a science teacher was transferred to the class, a man in his thirties. He never prepared for the class in advance, and always symbolically picked up the book and read it according to the script. After each got out of class, he would report the names of several girls, including the monitor and class representatives, and ask them to go to the office to do their homework.

I was also on this list, but I'm neither the monitor nor the class representative. Coincidentally, the monitor and class representative, like me, have body curves that are not in harmony with their immature faces. I was only happy because I was "favored" by the teacher, I didn't think about it that much.

- The movie "Treading the Blood to Seek Plum"-

He called us to the office, handed us the workbooks, and pulled us one by one in front of him, palms down from the shoulders, through the back, the waist, and finally at the hips, and then up again, and so on. Spin back and forth.

When I recall it now, I feel so disgusting, so disgusting that I feel that a shield has been growing all around me, to protect me from the invasion of all the senses from the outside world, but at the time I just felt ignorant and curious, what is the teacher doing? Is it normal for us to be touched by him?

- The movie "Over the Spring"-

But it was not our fault

This is not normal, the violence that happened to me, whether it was the absence of my parents in sex education and the misunderstanding and rejection that fueled it, or the sexual harassment of words and actions that I encountered in adolescence, it never had a high-sounding explanation.

I spent years filling in the gaps in sex education, ingesting more knowledge about women, precocious puberty, violence, and I realized that I was a typical victim of too much violence.

I should blame my parents for their conservative educational concepts. They are secretive about sex and avoid talking about it. It makes me feel that the birth of sexual desire is shameful, and it is the most common and naturally biological desire of human beings.

I should blame the molesters who went through adolescence. They are wretched and vile, and they impose their sexual desires on innocent and ignorant little girls. It is precisely because of their existence that reasonable desires have become synonymous with taboos and filth in the secular world. Sexual desire is not sinful, but if it is used to harm others, it is the most obscene weapon in the world.

- The movie "Treading the Blood to Seek Plum"-

But we alone should not blame ourselves. Cowardice, inferiority, shame, these acquired characters have their causes. Straighten your chest, fight back bravely, and smile with disdain and confidence at all injuries.

Sex is not a monster, although it is often shelved in our daily lives. The stigma of sex actually implies the worship of sex. It is so mysterious and important, yet always absent from children's life.

- "Female Addict" -

Our reproductive organs are part of our body, and our desires are small alarm clocks that are deeply embedded in the body. The so-called precocious puberty and late puberty are just different awakening times.

I sincerely hope that every girl like me can break through the appearance of violence, deconstruct the emptiness of pain, and reach the other side of perfection.

六年级的时候受到过来自同龄女孩的恶意玩笑，她将掀起他人的裙子当作是一种玩笑，现在想来我并没留下什么心理阴影，只是觉得非常可悲——我是被我的同类羞辱了。我接受性教育其实很早，而且并非来自家人，那些东西在成年人的口中都非常隐晦，我是通过被性骚扰、被跟踪、被男孩用玻璃般的眼光凝视时学会的，幸好我是一个还算勇敢的人，我没有什么想对那时的自己说的话，因为我足够敏锐，能够发觉那些心照不宣的东西，并且知道受到这些伤害并不是我的问题。我更想对别的、我的女性同胞们说：无论是发育还是性欲都是正常的。不正常的是那些将你物化，不懂得尊重他人的人。如果你经历过类似的事情，别责怪自己。我爱你。

乘风破浪的刘三姐 49

我女儿九岁，已经一点点被我渗透和科普了一些基础生理知识，知道男女生理结构不同，女生有孕育宝宝的小房子叫子宫，女孩子长到青春期会流血叫月经，开始发育乳房会慢慢鼓起，因为要为将来喂养小宝宝做充分的准备；男生没有子宫无法生育小孩，男生青春期会长胡须，声音变粗、有喉结。还没有讲到更深层次的，但她接受的很好，而且她喜欢夹东西，所以我推测将来会性欲比较旺盛，但我从来没有纠正或阻止，只是尽量多的带她做室内或户外运动。

做这些是因为我们小的时候就是生理知识欠缺，想起来可笑、可恨的事都太多了，被骚扰了都不懂。我国的传统教育的弊端就是，父母把这些话题当成羞耻，更不会做很好的性教育。幸而我后来学了医，不然真的是太匮乏了，现在也是积极为身边的人无论年龄大小做科普。

我也是幼儿园开始磨被子 然后喜欢幻想男女亲热 那时画男女拥吻的图画 姐姐们看到就说我是咸湿，吃饭时，在妈妈面前喊我是 handsome girl，搞到我都不敢作声。handsome 这词的读音，是跟粤语词“咸湿”（形容人很色）的阅读读音很相似的。很多次妈妈和姐姐都想掀开我的被子让我难堪，我都提前发觉，所以每次掀起，我都清清白白，搞中发现了小豆豆更神奇。反正到现在，给予我幻想的 以及带给我那种话快乐的 都是我自己一个人的时候，那个世界无穷无尽 神秘浪漫静谧，我自己已经很好，有没有其他人我都没所谓了。

所以，女孩子们自由了吗？

无边界的自由是放纵，

性这样私密又普遍的现象，需要一个身心安全的环境去释放，去理解，去体验。

才能在黑夜开出洁白可爱的花来。

树上的男爵 25

像极了《女性瘾者》中的女主，这部电影中我看到一种超脱的感觉。太棒了，尤其是结尾中爱伦·坡的《厄舍府倒塌》的独白。不禁泪目

我是班里的透明人，长得也麻麻高大得像猩猩，所以于外界来说可能没啥“性吸引力”，碰巧没遇“暴力”。回青春期，由于我一直就自己探索，所以我觉得我探索的每一步都没值得后悔的…也是一直一个人探索和体会的缘故，所以我知道啥都没啥危害性…有些错误（26岁的时候犯的了）也及时挽回，更正了错误，当买了个教训，那些经历都是有价值的一课。qianliexian ye 都会 make baby 的，所以无论软硬是否，都要有 Tt 才能允许接触啊

我从记事起就开始夹腿，远比这篇主人公的 10 岁要早，当时只记得夹腿会让自己一瞬间很舒服，然后睡的香。尤其失眠时候夹腿可以加速睡眠，长大以后才知道意味着什么，但是也没有觉得羞耻，我有让自己身体愉悦的权力。希望更多女性正视自己的需要，优待自己的身体，性从来就不是件可耻的事！I love sex!

我应该不属于“性早熟”的，我小时候都长个子去了，很晚才有女性特征，但是被骚扰依然会有，也是一直到挺晚才想明白那属于 X 骚扰

如果穿越了，那我肯定不能给对方靠近骚扰的机会，给他啪啪几巴掌

小学三年级左右的时候被大学男生摸、亲，五年级左右早上上学碰到露阴癖还让我拿，那会儿啥也不懂就愣住了然后他跑了；初中去逛书城被一个有点壮的男生（应该是学生但估计是高中或大学）戳胸，好几次，装作从我对面或者后面走过来把我逼到墙边后来我就逃了（找了认识的书商让我藏起来了）；高中还平稳毕竟两点一线，大学那就……学生会查寝男生看到我们过来就开始脱衣服，还有露阴癖的……呵；研究生还被导师摸大腿，当时生气还委屈，就跟我当时的男朋友（也是我前夫）说了，结果被骂……（现在想来就这样我怎么后来还能脑子进水跟他结婚，只能说那个时候……我真的卑微觉得是我的错……）更委屈就跟我爸说了，我爸说“你怎么能跟他说？”我……所以我知道总的来说我是异性恋，因为喜欢的纸片人都是男的，但我这两年现实中动过心的全是小姐姐……我知道我知道，就……求个心理阴影面积吧～

女性争取平等的第一部分其实应该是正式自己的权利。首先是身体权利，从来没有女性就应该穿得保守的说法，也不会存在女性不能自慰的说法。女性、性，从来不是一件值得羞耻的事情。

我也一样，女生，幼儿园的时候就发现夹腿很舒服，触碰乳头很舒服，但是四五岁小孩又不理解那种又痒又爽的感觉是什么，和被蚊子咬的痒像又不像，一度以为是乳头里有蚊子，有同床小女孩不小心弄湿衣服老师把她脱光放被子里我也忍不住偷偷看，感觉很奇妙，后来看电视习惯性夹腿被妈妈发现，被大声呵斥说不许这样做，所以觉得这是羞耻的，偷偷摸摸做了20年，觉得自己是不正常的

甜豆是一只喵 5

事前发生时大家都关注女生的行为和衣着，可是那些人下手的对象大多是沉默保守的姑娘，我高中也有这样的老师，但因为我从小男孩性格脾气爆，他跟我说过几句话并没有怎样，后来学校传出留言，他天天给一个沉默保守的女孩发短信，言语暧昧，你看，问题的根源永远是施暴者，而我们要勇敢，大胆，反抗，如果有人猥亵我，我一定让他坐牢，如果有人拿裸照威胁我，我会不屑一顾，我不认为我该为这些感到羞耻，我会无视那些歧视的眼神，告诉他们你们真卑劣

为何自我怀疑? 其实不过是某种观念的缺失, 或者压根没有这个概念, 我妈妈也是教育我不要婚前试爱。可是不尝试你怎么知道你的喜好? 难道一味的顺从? 或者屈委? 我感觉若是那样婚后的出轨率会更高~总是一味的用隐形眼镜观看那些非黄花的女子, 言语中透露着歧视与偏见, 潜移默化带着禁止提前实践的观念, 真恐怖! 当然我也只是在这里侃侃而谈罢了~

似此星辰非昨夜 3

大概是五年级吧, 我那天一个人在家, 一不小心翻到了父亲藏在书柜深处的碟片, 以为只是电影, 结果就看了, 看完了之后我整整一年不敢一个人在家待着, 每天和小伙伴们在村里逛, 直到那个记忆彻底遗忘

我也是从小就这样, 幼儿园的时候被发现, 父母明明答应不告诉别人, 还是告诉了我喜欢的老师, 我明明在旁边玩, 留心大人在说什么, 他们却以为我不知道。后来午休一旦我的手不在被子外面老师都会喊我名字。

When I grew up, I always wanted to go back to kindergarten to take off the pants of the group of boys who were more shaming shy girls and look at the underwear of the ones who wear skirts, running over there every day, and then say "Do you actually wear underwear?"

Uncle Bird Walker in Cyber World

When I was in sixth grade, I received a malicious joke from a girl of the same age. She regarded it as a joke to lift someone's skirt. Now that I think about it, I don't have any psychological trauma, but I feel very sad - I was humiliated by my peers. I actually got sex education very early, and it didn't come from my family. Those things are very hidden in the mouths of adults. I learned it by being sexually harassed, being stalked, and being stared at by boys with glass eyes. Fortunately, I was still brave, I have nothing to say to myself of the time, because I was sharp enough to pick up on the tacit things and know that I should bother being hurt. I would like to say to others, my fellow females sisters: both development and sexual desire are normal. The abnormal are those who objectify you and don't know how to respect others. If you've been through something similar, don't blame yourself. I love you.

Liu Sanjie who rides the wind and waves

My daughter is nine years old, and I have already given some basic physiological knowledge by myself. She knowd that the physiological structure of men and women is different. Girls have a small house called the uterus that gives birth to babies. When girls grow up to puberty, they will bleed and this is something called menstruation; and they will start to develop breasts slowly. Bulging slowly, because it is necessary to make full preparations for feeding a baby in the future; boys cannot have children without a uterus, and boys will grow beards during puberty, and their voices will become thicker and have Adam's apples. We didn't get to the deeper level, but she was very receptive, and she likes to clip her things, so I guess the sex drive will be more vigorous in the future, but I never correct or stop it, just take her to do indoor or outdoor exercise as much as possible.

We do this because we lacked physiological knowledge when we were young. We think of too many ridiculous and hateful things, and we don't even understand when we are harassed. The drawback of traditional education in our country is that parents regard these topics as shame, let alone do a good sex education. Fortunately, I later studied medicine, otherwise I would be too deficient, and now I am actively doing science for people around me regardless of age.

I also started grinding quilts in kindergarten and liked to fantasize about sex between men and women. At that time, I painted pictures of men and women kissing. When my sisters saw it, they said I was salty and wet. When I was eating, they called me a handsome girl in front of my mother, and I didn't dare to say anything. The pronunciation of the word handsome is

very similar to the pronunciation of the Cantonese word "salty wet" (to describe a person who is very lustful). Many times my mother and sister tried to lift my quilt to embarrass me, but I knew it in advance, so every time I lifted it, I was innocent, and it was even more amazing later to find Xiaodoudou. Anyway, up to now, the one who gave me fantasy and brought me that kind of happiness was when I was alone. The world was endless, mysterious, romantic and quiet. I was fine by myself, and I didn't care if there were other people.

So, are the girls free?

Boundless freedom is indulgence,

Sex is such a private and universal phenomenon that it needs a physical and mental safety environment to release, understand, and experience.

Only in the dark can white and lovely flowers bloom.

Much like the heroine in "Nymphomaniac", I saw a sense of detachment in this film. Great, especially the monologue of Edgar Allan Poe's "Falling House of Usher" at the end. can't help crying

Wu Xiaojun SonnyNg

I was an invisible person in my class, and I'm tall and big like a gorilla, so I may not be "sexually attractive" to the outside world, and I don't happen to encounter "violence". Back in adolescence, since I have been exploring by myself, I feel that every step of my exploration is not worth regretting... It is also because I have been exploring and experiencing alone, so I know that nothing is harmful... There were some mistakes (26-year-old I made a mistake at the right time) and corrected my mistakes in time. Those experiences were valuable lessons: qianliexian ye will make a baby, so no matter whether it is soft or hard, you must have a condom on Ti to allow contact.

Reason

I have been pinching my legs/masturbating since I can remember, far earlier than the 10-year-old of the protagonist in this article. At that time, I only remembered that pinching my legs would make me feel comfortable for a moment, and then sleep soundly. Especially when I was insomniac, I could speed up my sleep. I only knew what it meant when I grew up, but I didn't feel ashamed. I have the right to make my body happy. I hope that more women will face up to their needs and treat their bodies as they please. Sex has never been a shameful thing! I love sex!

Zhou Jie

I don't think I belong to "precocious puberty". I grew taller when I was a child, and it was very late to have female characteristics, but I was still harassed, and I didn't realize it was x-harassment until very late. If it happens, then I definitely won't give the other party a chance to get close to harassment and would give him a few slaps.

Second Pavilion paper ❀

When I was in the third grade of elementary school, I was touched and kissed by a college boy. When I went to school in the morning around the fifth grade, he asked me to take it. At that time, I didn't understand anything, so I was stunned and ran away. A bit of a strong boy (should be a student but probably high school or college) poked my chest several times, pretending to come across or behind me and forced me to the wall, and then I ran away (I

found a bookseller I knew I would fit in and I hid); high school is still stable after all two dots and one line. Then I arrived at college... The student council checks the bed, the boys start to undress when they see us coming, exhibitionists... hehe; As a graduate student I was even touched by the tutor's thigh. At that time I felt angry, so I told my boyfriend of the time (also my ex-husband), but I was scolded... (Now that I think about it, how could I let it go and marry him later, I can only say that at that time... I really felt it was my fault because I was humble...) I was even more aggrieved and told my dad, my dad said, "How could you tell him?" I... So I know that in general I am heterosexual because I like people with a penis. They're all men, but in the past two years, all the ones I've been tempted by are young ladies... I know I know, just... probably for a psychological trauma area~

Lee Sang-an

The first part of women's struggle for equality should actually be to formalize their rights. The first is physical rights. There has never been a saying that women should dress conservatively, nor that women can't masturbate. To be a woman and have sex are never something to be ashamed of.

The same is true for me, girls. When I was in kindergarten, I found that it was very comfortable to rub my legs one against the other and touch the nipples, but four or five-year-old children do not understand what that itchiness and refreshing feeling was, and that it is not like being bitten by mosquitoes. Like, I thought it was a mosquito in my nipple [covering my face], and a little girl in the same bed accidentally wet her clothes and the teacher stripped her naked and put her under the quilt. I couldn't help but peek at it, it felt amazing, and then I habitually rubbed my legs sexually while watching TV. I was discovered by my mother and she yelled at me that I was not allowed to do this, so I thought it was a shame.

Sweet bean is a meow

When the incident happened, everyone paid attention to the behavior and clothes of the girls, but most of the targets of those people were silent and conservative girls. I also had such a teacher in high school, but because I was a boy with a bad temper, he said a few words to me and disagreed. Nothing. Later, there was a message from the school. He texted a silent and conservative girl every day, and the words were ambiguous. You see, the root of the problem is always the abuser, and we have to be brave, bold, and resist. If someone molests me, I will definitely put him in jail, if someone threatens me with nude photos, I will dismiss it, I don't think I should be ashamed of this, I will ignore the discriminatory eyes and tell them you are mean

scolded me for more than ten years and kept humiliating me about it, saying that I was without face. It continued until I get married and have kids.

Hey, relatives, acquaintances, and strangers have all experienced similar sexual harassment. They have been touched. There is basically no sex education. Biology classes are basically self-taught.

Little King Kong

Why self-doubt? In fact, it is just a lack of a certain concept, or there is no such concept at all. My mother also taught me not to try sex before marriage. But how do you know what you like without trying? Is it just obedience? Or aggrieved? I feel that the rate of derailment after marriage will be even higher~ I always use contact lenses to watch those women who are not yellow flowers⁸⁸. Discrimination and prejudice are revealed in their words, and they imperceptibly carry the concept of prohibiting practice in advance. It's really scary! Of course, I'm just talking about it here.

I have been like this since I was a child. When I was in kindergarten, I was discovered but my parents promised not to tell others, But they told to my favorite teacher. I was obviously playing next to them, paying attention to what the adults were saying, but they thought I didn't know. After lunch break, the teacher would call my name whenever my hands were not outside the quilt.
